Re: Eastside Academy Late Budget Request

Dear Lisa,

Please be advised that Eastside Academy requests to be placed on the agenda for the council meeting scheduled for August 15, 2017 at 5:30. As you know the budget request period expired before the fiscal year began on July 1. The city's funding has been critical to our success for many years. We would appreciate the opportunity to petition the council for an emergency late budget request of \$5,000.00.

As you know we continue to provide after-school tutoring services for the youth of Clinton. Our program helps the community by providing a safe environment for children after school is out. Eastside also offers tutoring in core areas such as math and science. Finally, Eastside provides a meal to all children in attendance each day. For some children, it may be the last bit of food they consume for the rest of the day.

Our major needs are office supplies, staff salaries, and utilities. Our program remains a beacon to the City of Clinton and Lincoln Addition. I look forward to speaking with the council on August 15, 2017.

Thanks for all that you do for Eastside!

Best wishes

## **CONTRACTUAL OBLIGATIONS**

Pursuant to its contractual obligation, Eastside must maintain the lawn. Eastside has contracted this work out to a private contractor. The lawn has been maintained and the trash is picked up regularly!

Pursuant to the agreement with the City, Eastside is mandated to maintain premises liability insurance. Our agent is Newsome Insurance in Clinton, Oklahoma. A copy of that policy is on file with the City Clerk, Lisa Anders.
