Good Morning Mr. Johnston, We will need the city's funds for the exit 65 project. We are slated for a July letting would need the funds no later than the end of May. My preference is that Mr. Alquist, Snipes, or myself came by to pick it up. Please let me know the time it will take you and the city to get the check ready and a good time for one of us to stop by.

I have enclosed our agreement and the invoice with the amount highlighted.

Please let me know if you need anything else from us.
