Re: June 3, 2025, City of Clinton Council meeting

This is an update on Henry Caldwell & family properties that was condemned on March 4, 2025.

The property located at 409 Glenn Smith as you can see has only about ¼ of the new roof installed on the south side and with the trees cover the north side I could not get a picture of which the new roof has not been installed, the boards are still covering the windows. As of 6/2/25 I have not been in the house to verify the interior condition of the property. Per the Council Mr. Caldwell was to have all work completed by June 3, 2025.

The properties located at 1017, 1019 & 1021 Glenn Smith have been demolished and cleaned up.
