Agenda Commentary

Item Title/ Subject: Contract for Engineering Services

Staff Source: City Manager, Steve Hewitt

Date: Feb. 21, 2012

History/Background Information:

The City entered into an agreement with the Robinson Family to develop housing on 10 acres of ground. The agreement requires the City to begin the project development within one year. The first phase of any new development is to have the area platted.

Garver is our City Engineer and provided the City with a detail proposal. I asked Council for additional time to review their proposal and compare qualifications with other firms. I spoke with Garver (Shane Smith), which indicated to me that their firm may not be the best firm for our small project.

Item/Subject Summary:

It was brought to my attention that Joe Ridley P.E. was platting in the Weatherford area and worked on the Holiday Inn Express project and Blvd of Champions engineering (City had good experience). Mr. Ridley has good qualifications and has experience with Western Oklahoma projects and construction. Mr. Ridley looks to be a better fit for our project.

(see attached proposed schedule of work)

Price/Cost: $34,500 (Economic Development Fund)

Recommendation:

Staff recommends the qualifications of Joe M. Ridley, P.E. for services on the Robinson Plat.

**The total project costs are pending the plat. Many factors to consider and review before costs can be determined. Please do not compare this project with the Zerby proposal. Different parcels of land with different elements. To assume any costs at this point would be premature. Plat is the first step in determining the development and construction costs. Once Plat is complete, the City can work with the engineer on pricing and construction estimates.

After Plat approval, we can designate into TIF district to fund all the improvements. The City has listened to the community and rather than subsidize a large exclusive development, this addition will provide affordable modest size homes. This is a good direction for immediate housing needs.

Proposed Subdivision (City of Clinton Oklahoma)
Engineering Services Proposal
Joe M. Ridley, P.E.

Joe M. Ridley, P.E. ("Engineer") proposes to provide professional civil engineering services for the development of a ten acre residential subdivision located south of the intersection of Commerce Road and Neptune Drive in Clinton Oklahoma. (Here in after called the "Project") The City of Clinton Oklahoma ("Owner") is expected to furnish full information as the requirements for the Project and other pertinent information.

The professional engineering services will include the following:

- Design - Provide all design, survey, and drafting services required to obtain an approved plat with the City of Clinton including presentation of plat to the City Council.

- Permits – Provide all engineering services to obtain the necessary permits required to make improvements on the Project.

- Construction – Provide construction inspection services required to ensure that the improvements are built according to specification.

- Survey – Provide topographical and boundary survey prior to design. Provide surveying to set property corners. **Construction staking will be the responsibility of the contractors performing the work or the owner**. Spot checking of construction staking is included in the services to ensure improvements are constructed according to specification.

The signed proposal represents the understanding between the OWNER and the ENGINEER in respect to the PROJECT and may be modified in writing signed by both the OWNER and ENGINEER.

All fees and permits will be paid for by the owner.

Proposed Invoice Schedule

Benchmark	Payment
Topo Survey Complete	$8,000
Submit Preliminary Plat	$5,500
Submit Final Plat	$6,000
Final Plat Approval	$6,000
Property Corners Set	$4,500

Item Title/ Subject: Sale of Industrial Property to M Wright Services

Staff Source: City Manager, Steve Hewitt

Date: Feb. 21, 2012

History/Background Information:

The City agreed to sale M&N Oilfield 5 acres from the Industrial Authority (Commerce Road). M&N have back out of that agreement. Marcus Wright approached the City with a need and business plan. He needs this area to continue his growing roustabout company.

Item/Subject Summary:

This will continue our efforts to see this area develop and bring jobs to Clinton. Staff wants to continue on with a future plat and development of the property. These 5 acres has been survey and ready for construction now. The remaining property still needs to be platted.

Price/Cost: $10,000

Recommendation:

Staff recommends the sale with the contingency that M Wright Services begin construction and operate from the location within 90 days.

To City Industrial Foundation,

My name is Marcus Wright. My company is M Wright Services LLC. I reside at 1601 Gholston Clinton Ok 73601. I would like to purchase the five acres located immediately west of the Oklahoma Natural Gas Company located on Commerce Street. We currently have a roustabout and pipeline welding service. We want to build a building approximately four to five thousand square foot in size. This would be working and office space. We want to start immediately and bring in ten to fifteen new jobs. Most jobs will be pipeline welders, all high paying and hope to add another ten to fifteen jobs in the next year. I would ask that you would please approve my request so we can get started immediately as I am doing the majority of my work out of town. Time is of the essence. I would greatly appreciate your approval of my request at the council meeting on February 21, 2012.

Sincerely,

Marcus Wright

Item Title/ Subject: Consider Agreement to participate in the TV program "Today in America" with Terry Bradshaw

Staff Source: City Manager, Steve Hewitt

Date: Feb. 21, 2012

History/Background Information:

The City has been approached by the TV show "Today in America" with Terry Bradshaw (ex NFL Pittsburg Steeler Football QB and FOX NFL analyst) to do a piece regarding Clinton. The show looks at unique areas of the Country that are exceptional stories. I have interviewed with producers twice regarding our community. Our growing strong local economy, diverse community, and progressive projects (Fire Station, PD, Acme, new Water Park, new Housing Plat, Rt. 66 Museum, Oil & Gas industry, schools, etc.) were popular story lines.

Item/Subject Summary:

The show is a 5 minute piece that will run on various channels including Fox Business and many other channels. There is a financial commitment that the City must make. These are unique opportunities in tourism and marketing for our community. This piece would be something we could continue to use to recruit more business and growth over the next couple of years (something that sets us apart from other western Oklahoma cities). This is a very creditable and professional outlet for the City to use as an Economic Development/ Marketing tool.

Price/Cost: $19,800 (fund through our Economic Development Fund)

Recommendation:

Staff recommends the agreement/opportunity. I have experience with media outlets similar to this show. This is a tool that can be broadcasted for years that the City can use in conjunction with the Chamber to promote our community. Clinton has some unique and positive things happening. These are elements that a CVB or Tourism committee would suggest. In absence of those groups, as City Manager I would suggest that we support this. This will benefit the entire community.

(Pending approval, I will have the City Attorney review the agreement and terms)

(a) Tenant agrees and covenants to pay, prior to delinquency, all real estate taxes and assessments which are or may be levied or assessed during the Term of this Lease upon the Premises, or upon any of the Tenant's Property (as hereinafter defined), and all taxes and assessments of every kind and nature whatsoever arising in any way from the use, occupancy or possession of the Premises. To that end, Landlord shall not be required to pay any taxes or assessments whatsoever which relate to or may be assessed against this Lease, the Rent and other amounts due hereunder, the Premises and

(b) If requested by Landlord, within thirty (30) days after Tenant receives the paid receipted tax bills, Tenant shall furnish Landlord with copies thereof.

4. USE

Tenant has the right to use any and all buildings and other improvements now or hereafter located on the Premises, and thus, made a part of the Premises (the "Improvements") for the operation of a hospital and related medical services, and all incidental and related purposes thereto. 5. ALTERATIONS AND IMPROVEMENTS.

(a) Tenant's Property. Tenant shall be permitted to install, use on and about, and remove from the Premises at any time and from time to time all trade fixtures and other personal property installed or brought onto the Premises by Tenant, except to the extent such fixtures or other property shall be replacements to existing fixtures and property that were provided to Tenant by Landlord on the Commencement Date (hereinafter referred to as the "Tenant's Property"), all of which at all times shall remain the property of Tenant with the right of removal at the expiration of this Lease.

(b) Subsequent Improvements. Tenant shall have the right to make any additions, alterations, changes and improvements, structural and nonstructural, to the Improvements as Tenant shall desire; provided, however, that all additions, alterations, changes and improvements to the Improvements shall be done in material compliance with all applicable laws and at Tenant's sole expense.

(c) Ownership of Improvements. Except as provided Subsection 5(a) above, title to any part of the Improvements, whether or not constructed by Landlord, shall be vested in and remain the property of Landlord.

(d) Mechanic's and Other Liens. Tenant shall not do or suffer anything to be done whereby the Premises, or any part thereof, may be encumbered by a mechanic's, materialman's, or other lien for work or labor done, services performed, materials, appliances, or power contributed, used, or furnished in or to the Premises or in connection with any operations of Tenant, or similar lien, and, if, whenever and as often as any such lien is filed against the Premises, or any part thereof, purporting to be for or on account of any labor done, materials or services furnished in connection with any work in or about the Premises, done by, for or under the authority of Tenant, or anyone claiming by, through or under Tenant, Tenant shall discharge the same of record within thirty (30) days after service upon Tenant of notice of the filing thereof; provided,

however, Tenant shall have the right to remove such lien by bonding same in accordance with applicable law.

6. MAINTENANCE AND REPAIR

Tenant shall be responsible for all maintenance and repair of the Premises during the Term of this Lease. Tenant agrees that Landlord shall have no obligation under this Lease to make any repairs or replacements to the Premises except as may otherwise be explicitly provided in this Lease.

7. CASUALTY; WAIVER OF SUBROGATION

(a) If the Premises or a material portion thereof should be damaged or destroyed by fire or other casualty to the extent that the same cannot be reasonably repaired or restored within three hundred sixty (360) days after the occurrence of such casualty, then Tenant may terminate this Lease upon giving notice to Landlord within thirty (30) days after the casualty occurs. In the event of any such termination, Landlord shall be entitled to receive all insurance proceeds related to the Improvements (but not Tenant's Property) that are payable in connection with such casualty.

(b) If the Premises are damaged by fire or other casualty and Tenant does not elect to terminate this Lease pursuant to Subsection 7(a) above, then this Lease shall continue in effect and the Premises shall be promptly restored by Tenant to substantially the same condition in which it existed at the time the casualty occurred. All insurance proceeds related to the Premises shall be made available to Tenant for the purpose of such restoration. During the period of any such repair or restoration, Rent shall be abated in a fair and equitable amount, giving due consideration to the extent to which Tenant is unable to use the Premises during such period.

8. INSURANCE; WAIVER OF SUBROGATION

(a) During the Term of this Lease, Tenant, at its sole expense, shall keep the Premises, Improvements and Tenant Property located on the Premises insured against fire and other casualty, including, but not limited to, coverage for glass breakage, vandalism and malicious mischief.

(b) During the Term of this Lease, Tenant shall also maintain, at its sole expense, commercial general liability insurance covering the Premises against all claims for personal injury, death, or property damage insuring Tenant and naming Landlord as an additional insured in amounts customarily held by Tenant's Affiliates for hospital properties similar to the Premises as reasonably determined by Tenant.

(c) Within twenty (20) days of a written request by Landlord, Tenant shall provide Landlord with certificates of such insurance policies. As long as acceptable to Tenant's then-current insurance carriers, all commercial general liability and property insurance policies shall contain a written obligation on the part of the insurance carrier to notify Landlord in writing not less than thirty (30) days prior to the effective date of any cancellation or modification of any such insurance coverage.

9. UTILITIES

From and after the Commencement Date and continuing throughout the Term of this Lease, Tenant shall pay all charges for heat, water, gas, sewage, electricity and other utilities used or consumed on the Premises and shall contract for the same in its own name.

10. DEFAULT

(a) Tenant's Default. Each of the following shall comprise a default by Tenant hereunder ("Tenant Default"):

(i) If default shall be made in the payment of Rent or any other sum required to be paid under this Lease when and as the same shall become due and payable, and such default shall continue for a period of ten (10) days following written notice of such default by Landlord to Tenant; or

(ii) If default shall be made by Tenant in the performance of or compliance with any of the covenants, agreements, terms, or conditions contained in this Lease other than that referred to in the foregoing subsection (a)(i), and such default shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant, provided that, in the case of a default which is capable of being cured but cannot be cured with due diligence within such period of thirty (30) days, such thirty (30) day cure period shall be extended for such additional time as is reasonably necessary to cure such default as long as Tenant commences to cure such default within such initial thirty (30) day cure period and thereafter pursues such cure with reasonable diligence; or

(iii) If Tenant shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state, or other statute or law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver, or liquidator of Tenant or of all or any substantial part of its properties or of the Premises; or

(iv) If within sixty (60) days after the commencement of any proceeding against Tenant seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state, or other statute or law, such proceeding shall not have been dismissed, or if within sixty (60) days after the appointment, without the consent or acquiescence of Tenant, of any trustee, receiver, or liquidator of Tenant or of all or any substantial part of its properties or of the Premises, such appointment shall not have been vacated or stayed on appeal or otherwise, or if within sixty (60) days

after the expiration of any such stay, such appointment shall not have been vacated.

(b) Landlord's Remedies. Upon the occurrence of any Tenant Default, Landlord shall have the option to pursue any one or more of the following remedies:

(i) Terminate this Lease, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, and repossess and enjoy the Premises;

(ii) Enter upon and take possession of the Premises (with or without terminating this Lease) and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, and relet the Premises on reasonable terms and using commercially reasonable efforts to mitigate such damages and receive the rent therefore; and

(iii) In case of re-entry, repossession and/or termination of this Lease, Tenant shall remain liable for Rent and any other charges provided for in this Lease outstanding as the date of re-entry, repossession and/or termination, and any and all expenses that Landlord may have incurred in re-entering and re-letting the Premises including, but not limited to, allocable overhead, alterations to the building, leasing, construction, architectural, legal and accounting fees and broker commissions. Regardless of whether this Lease has been terminated as provided above, Landlord shall use commercially reasonable efforts to relet the whole or part of the Premises upon terms which Landlord, in its reasonable discretion, deems appropriate and Tenant shall be responsible for all expenses incurred by Landlord in re-letting or attempting to re-let, and all rent collected for reletting shall be credited against all of Tenant's obligations hereunder.

No action or inaction by Landlord shall constitute a waiver of any Tenant Default, and no waiver of any Tenant Default shall be effective unless it is in writing, signed by Landlord.

11. CONDEMNATION

(a) It is understood and agreed that if the whole of the Premises shall be taken for any public or quasi-public use under any statute, or by right of eminent domain, or by private purchase by any public authority in lieu of the exercise of the right of eminent domain or if any part of the Premises is so taken and the part not so taken is insufficient for the reasonable operation of Tenant's business, in Tenant's reasonable judgment, then in either of such events, Tenant shall have the option of terminating this Lease as of the date of such taking.

(b) In the event of any taking which does not give rise to an option to terminate or in the event of a taking which does give rise to an option to terminate and Tenant does not elect to terminate, then and in such event, this Lease shall terminate as of the date of such taking with respect only to the portion of the Premises so taken, but shall remain in full force and effect with respect to the remainder of the Premises, and Tenant

shall, to the extent of the award from such taking, promptly restore or repair the Premises and all improvements thereon (except for Tenant's Property) to the same condition as existed immediately prior to such taking insofar as is reasonably possible. In such event, from and after the date of such taking, the monthly installments of Rent due under Section 1 above shall be reduced in proportion to the reduction in the then rental value of the Premises after the taking in comparison with the rental value prior to the taking. If the award shall exceed the amount spent or to be spent promptly to effect such restoration, repair or replacement, such excess shall unconditionally belong to Landlord and shall be paid to Landlord.

(c) In the event of any partial taking where this Lease is not terminated, Tenant shall not be entitled to any part of the compensation or award given Landlord for the taking, but Tenant shall have the right to recover from the condemning authority such compensation as is specifically awarded to Tenant (i) to reimburse Tenant for any cost which Tenant may incur in removing Tenant's Property from the Premises, (ii) for loss of Tenant's business, and (iii) for the loss of Tenant's Property, if any.

(d) If this Lease is terminated by reason of a taking, then Landlord shall be entitled to the entire award with respect to the Premises, except that Tenant shall be entitled to make its own claim for the taking of Tenant's Property or for moving expenses or business losses.

12. QUIET ENJOYMENT

Landlord covenants that Tenant, upon performance of Tenant's obligations under this Lease, shall peacefully and quietly have, hold and enjoy the Premises without disturbance or molestation herein from Landlord or any claiming by or through Landlord and with all the rights, privileges and for the uses therein provided. Tenant may terminate this Lease in the event that enjoyment or use of the Premises is prohibited or prevented contrary to the provisions of this material covenant and if such enjoyment or use continues to be so prohibited or prevented for a period of ten (10) days after written notice thereof from Tenant to Landlord (provided, that such ten (10) day cure period shall be extended for such additional period as is reasonably necessary to effectuate a cure of such condition if Landlord commences to cure the same within the initial ten (10) day cure period and thereafter pursues the same with reasonable diligence). These remedies are in addition to all other remedies Tenant may have in law or equity.

13. RECORDING AND TITLE INSURANCE

Tenant and Landlord shall execute and record a Memorandum of Lease setting forth the effective date of the Lease, the Term and Renewal Terms, the names of the parties herein, and the legal description of the Premises in the form attached hereto as Exhibit B. Landlord further agrees to cooperate with Tenant by executing such affidavits and providing such documents as may be reasonably required by a title company to issue a standard leasehold title insurance policy to Tenant if Tenant elects to obtain such a policy.

14. NOTICES

15. CHANGE OF OWNERSHIP

Landlord may sell, convey, transfer or assign its interest in the Premises or its interest in this Lease, without the consent of Tenant. No change in ownership or right to receive rent, or assignment of this Lease or rent hereunder shall be binding upon Tenant unless and until Tenant has been furnished with a certified, executed or photographic copy of the instrument evidencing such change or assignment, or other proof thereof reasonably satisfactory to Tenant.

16. SURRENDER AND HOLDING OVER

Tenant shall peacefully surrender possession of the Premises to Landlord at the expiration, or earlier termination, of the Term of this Lease. In the event Tenant remains in possession of the Premises after the expiration of this Lease without executing a new written lease acceptable to Landlord and Tenant, Tenant shall occupy the Premises as a tenant from month to month subject to all the terms hereof.

17. LIABILITY

Tenant does hereby indemnify and exonerate Landlord against and from all liabilities, losses, obligations, damages, penalties, claims, costs, charges and expenses, including reasonable architects' fees, attorneys' fees, paralegal fees, and legal costs and expenses, incurred by Landlord, whether or not judicial proceedings are filed, and including (but without limitation) on appeal and in any bankruptcy proceedings, which may be imposed upon or asserted against or incurred by Landlord by reason of Tenant's gross negligence or willful misconduct.

19. BINDING EFFECT

The provisions of this instrument shall be binding upon and inure to the benefit of the parties hereto and their respective permitted heirs, legal representatives, successors and assigns.

20. ASSIGNMENT AND SUBLETTING

(a) Tenant shall not assign this Lease nor sublease all or any portion of the Premises, without the prior written consent of Landlord in each such instance, which shall not be unreasonably withheld. Notwithstanding the foregoing, Tenant shall have the right to assign this Lease or sublet all or portion of the Premises to any Affiliate of Tenant or to any person or entity that purchase all or substantially all of the assets of Tenant without the prior consent of Landlord. Tenant shall also have the right to sublet a portion of the Premises to any physician or other medical professional providing services to the Hospital without the prior consent of Landlord provided Tenant remains fully liable on the Lease. "Affiliates" shall mean any entity that controls, is controlled by or is under common control with Tenant.

(b) Prior to any assignment or subletting allowed hereunder requiring Landlord's consent, Tenant shall deliver to Landlord the name and address of such assignee or subtenant and such other reasonable information as Landlord may request.

21. WAIVER

No waiver by either party of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by the other party of the same or any other provision.

22. SUBORDINATION, NON-DISTURBANCE, ATTORNMENT AND ESTOPPEL CERTIFICATE.

(a) Within twenty (20) days of Tenant's receipt of written request of the holder of any mortgage (which term "mortgage" shall also include deeds of trust) now or hereafter relating to the Premises, Tenant will subordinate its rights under this Lease to the lien thereof and to all advances made or hereafter to be made upon the security thereof, and Tenant shall execute, acknowledge and deliver an instrument in the form customarily used by such encumbrance holder to effect such subordination; provided, however, as a condition of all such subordinations, the holder of such mortgage shall be first required to agree with Tenant that, notwithstanding the foreclosure or other exercise of rights under any such first or other mortgage, Tenant's possession and occupancy of the Premises and the improvements and its leasehold estate shall not be disturbed or interfered with nor shall Tenant's rights and obligations under this Lease be altered or adversely affected thereby so long as Tenant is not in default hereunder.

(b) Notwithstanding anything set out in subsection (a) above to the contrary, in the event the holder of any such mortgage elects to have this Lease be superior to its mortgage, then upon Tenant's being notified to that effect by such encumbrance holder, this Lease shall be deemed prior to the lien of said mortgage, whether this Lease is dated prior or subsequent to the date of said mortgage, and Tenant shall execute, acknowledge and deliver an instrument, in the form customarily used by such encumbrance holder, effecting such priority.

(c) In the event proceedings are brought for the foreclosure of, or in the event of the exercise of the power of sale under any mortgage made by Landlord encumbering the Premises, or in the event of delivery of a deed in lieu of foreclosure under such a mortgage, Tenant will attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as "Landlord" under this Lease, and upon the request of the purchaser, Tenant shall execute, acknowledge and deliver an instrument, in form and substance satisfactory to such purchaser.

(d) Each party agrees, within twenty (20) days after written request by the other, to execute, acknowledge and deliver to and in favor of any proposed mortgagee or purchaser of the Premises, an estoppel certificate, in the form customarily used by such proposed mortgagee or purchaser, stating, among other things (i) whether this Lease is in full force and effect, (ii) whether this Lease has been modified or amended and, if so, identifying and describing any such modification or amendment, (iii) the date to which Rent and other charges have been paid, and (iv) whether the party furnishing such certificate knows of any default on the part of the other party or has any claim against such party and, if so, specifying the nature of such default or claim.

23. PURCHASE OPTION. Landlord hereby grants to Tenant the option (the "Option") , after the 4th year of the initial Term of this Lease, to purchase from Landlord all of the Premises for a purchase price (the "Option Purchase Price") to be determined as provided below:

(a) In the event Tenant should desire to exercise the Option and purchase the Premises, Tenant shall notify Landlord of such desire, in writing. The Option Purchase Price shall be equal to the fair market value of the Premises as determined by an appraiser

reasonably selected by Tenant, and utilizing the Uniform Standards of Professional Evaluation Practice as set forth by the Internal Revenue Service. In the event Landlord should object to the fair market value determination of Tenant's appraiser, Landlord may select its own appraiser. Landlord's appraiser and Tenant's appraiser shall then select a third appraiser. The appraisal that is closest to the appraisal of the third appraisal shall be the determinative appraisal. Any appraisal used shall include, in the final calculation, an additional ten percent (10%) premium. Tenant shall obtain a commitment for title insurance (the "Commitment") covering the Premises, in the amount of the Option Purchase Price, which sets forth the status of Landlord's title thereto. The closing of the Option (the "Closing") shall take place at a mutually agreed upon location within thirty (30) days after Tenant's receipt of the Commitment. Upon receipt of the Commitment, Tenant shall have ten (10) days to provide Landlord its written objections to the Commitment (the "Objections"). Landlord agrees to satisfy, at Closing, any monetary encumbrances against the Premises. Landlord shall then have until Closing to either satisfy the Objections, or provide Tenant written notice of its decision not to remedy some or all the Objections. If any Objections are not remedied at or prior to the Closing, Tenant may waive such Objections and proceed to the Closing, or elect not to purchase the Premises under the Option and continue its possession of the Premises under the terms and conditions of the Lease. Landlord shall convey title to its interest in the Premises by warranty deed or assignment of leasehold interest, as applicable. Landlord further agrees to cooperate with Tenant by executing such affidavits and providing such documents as may be reasonably required by a title company to issue a standard owner's title insurance policy to Tenant if Tenant elects to obtain such a policy. Notwithstanding Tenant's exercise of the Option, Landlord and Tenant hereby acknowledge and agree that Landlord and Tenant shall continue to be obligated under the terms and conditions of this Lease through the Closing of the transaction pursuant to the Option.

(b) In the event applicable law shall prevent Landlord from selling the Premises to Tenant pursuant to the Option set forth above without first submitting the sale of the Premises to a public bidding or similar process, Tenant shall have the option, exercisable by notifying Landlord in writing, to cause Landlord to initiate and thereafter act in good faith to pursue such processes as are required by applicable law until such time as Tenant or a third party shall have successfully consummated the purchase of the Premises or Tenant shall have notified Landlord in writing that Tenant has withdrawn the election of such option. In the event that public bidding is required, the final appraisal provided for in subparagraph (a) above shall be the floor for the initiation of bids.

(c) Any deed of transfer under this section shall contain a reversionary clause. If purchaser ceases to operate the hospital as a full services hospital, with at least 56 inpatient beds, the hospital shall revert to City ownership.

24. HAZARDOUS MATERIALS. Landlord hereby represents and warrants to Tenant that (i) the Premises is free and clear of all Hazardous Materials, and (ii) there are no pending or threatened governmental actions or proceedings relating to the Premises involving Environmental Laws. The term "Environmental Laws" means applicable federal, state and local laws and regulations, judgments, orders and permits governing safety and health and the protection of the environment, including without limitation the Comprehensive Environmental

Response, Compensation and Liability Act, 42 U.S.C. 9601 et seq., as amended, the Resource Conservation and Recovery Act, as amended, 42 U.S.C. 7901 et seq., the Clean Water Act, 33 U.S.C. 1251 et seq., the Clean Air Act, 42 U.S.C. 7401 et seq., the Toxic Substance Control Act, 15 U.S.C. 2601 et seq., and the Safe Drinking Water Act, 42 U.S.C. 300f through 300j. Hazardous Substances includes any materials or substances that are defined as "hazardous waste", "extremely hazardous waste" or a "hazardous substance" pursuant to applicable state, federal or local governmental law. Hazardous Substances also includes mold, asbestos, polychlorinated biphenyl and petroleum products.

25. TERMINATION BEFORE END OF TERM HEREOF. While it is contemplated by the parties hereto that Lessee will operate the hospital for the full Term hereof, and all Renewals Terms, there may be circumstances beyond the control of Lessee or Lessor which would necessitate the termination of this Lease prior to the expiration of the Term. This Lease may be terminated prior to the expiration of the Term hereof, or the expiration of any Renewal Terms hereof, at the option of the Lessee for any one or more of the following reasons:

(a) The future enactment of any law, ordinance, rule, regulation or statute, or amendment or addition to any existing law, ordinance, rule, regulation or statute by any local, State or Federal legislative authority or administrative agency which, in the sole discretion of Lessee, renders continued operation of the hospital in violation of applicable law. Provided that Landlord may bring an action to determine the legality of such determination for purposes of establishing any potential breach of contract.

(c) In the event of an uncured breach by Lessor of any covenant, promise or condition contained herein.

(d) In the event that Lessee is unable to obtain or hereafter is denied all necessary permits, authority, licenses and permission from any and all regulatory and licensing organizations which are required for Lessee to operate the hospital, provided, such termination will become effective only upon the entry of the final order of any such regulatory and licensing organizations, after all appeals to agencies or courts having judicial review thereof have been exhausted.

Lessee shall complete any buildings or capital improvements under construction at the time of termination.

26. MISCELLANEOUS

(a) No Change. The Lease and all exhibits attached hereto and forming a part hereof, and any amendments hereto, set forth the entire agreement between Landlord and Tenant concerning the Premises, and no subsequent alteration, amendment, change or addition to this Lease shall be binding upon either Landlord or Tenant unless the same be reduced to writing and signed by the party to be bound thereby.

(b) Counterparts. This Lease shall be executed in counterparts, each of which shall be deemed to be an original.

(c) Separable. In the event any one or more of the provisions contained in this Lease shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Lease shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

(d) Governing Law. This Lease and each and every provision herein contained, as the same may from time to time be amended, or any disputes or misunderstandings involving same, shall at all times during the Term of this Lease be governed and controlled by the applicable laws of the State of Oklahoma.

(e) Time is of the Essence. Time is of the essence with respect to all terms and conditions of this Lease.

(f) Effective Date. The Effective Date of this Lease and other similar references are deemed to refer to the last date the Lease has been fully executed, initialed, if applicable, and dated by both Landlord and Tenant.

(g) Waiver of Security Interests. Landlord hereby waives any and all security interests, liens, and other rights and interests, whether granted by statute or otherwise, in and to any and all fixtures, furniture, equipment and other personal property of Tenant.

(h) Patient Privacy. Notwithstanding any of Landlord's rights to enter the Premises pursuant to the terms of this Lease, Landlord shall not cause Tenant to in any way violate any laws, regulations or ordinances intended to protect the rights and privacy of Tenant's patients, including those relating to any and all patient records, which at any time, Tenant shall be able to secure in locked storage units or remove from the Premises.

(i) Compliance with Laws. It is the intention of the parties that the provisions of this Lease shall comply with all applicable federal and state statutes and regulations, including, but not limited to, the Federal Anti-kickback Law and the Federal Physician Self-Referral Law. In the event that (1) changes in state or federal government statutes or regulations or third-party reimbursement policies or the interpretation thereof (collectively, the "Laws") cause any provision of this Lease to be in violation of any of the Laws (or cause the method of operation or consideration to be adversely affected), or, (2) any federal or state governmental agency or court determines that any provision of this Lease violates any of the Laws, the parties agree to renegotiate the applicable provision or provisions in order to comply with the Laws and to preserve the economic viability of this Lease. A party shall provide notice of its request for renegotiation pursuant to the preceding Subsection to the other party at any time during the Term. If the parties fail to agree to appropriate revisions to the Lease within thirty (30) days following such notice, then either party may terminate this Lease effective immediately upon the expiration of the thirty (30) days. Each party agrees to promptly notify the other of any regulatory or other investigation that may lead to a determination that any provision of this Lease violates any of the Laws.

(j) Americans with Disabilities Act. Landlord acknowledges that the Premises may constitute a place of public accommodation or a commercial facility under Title III of the Americans with Disabilities Act ("ADA") and that the ADA is applicable to both an owner and tenant of a place of public accommodation or commercial facility. Landlord represents that the Premises is currently ADA compliant.

(k) Access to Records. Subject to the legality and applicability of Section 952 of the Omnibus Reconciliation Act of 1980 and implementing regulations, the parties agree to, until the expiration of four years after the furnishing of the services provided under this Lease, make available to the Secretary, U.S. Department of Health and Human Services, the U.S. Comptroller General, and their representatives, this Lease and all books, documents and records necessary to certify the nature and extent of the costs of the services rendered under this Lease. If the duties of this Agreement are carried out through a subcontract worth $10,000 or more over a 12-month period with a related organization, the subcontract will also contain an access provision to permit access by the Secretary, Comptroller General and their representatives to the related organization's books and records. This provision applies regardless of whether the party is designated elsewhere in this Lease as a contractor, subcontractor, vendor, and seller, landlord, tenant or otherwise.

(l) Attorney's Fees. In the event it becomes necessary for either party to employ an attorney to enforce compliance with any of the covenants or agreements herein contained, the losing party shall be liable to the prevailing party for reasonable attorney's fees, costs and expenses.
