AGENDA ITEM NO. 4 ACTION ITEMS

A. Presentation by Guernsey Engineers regarding Foss Water Treatment Plant Improvement Project.

City Manager Steve Hewitt introduced Larry Roach, representing Guernsey Engineers; Mr. Roach began his presentation by saying that he will go through the presentation as quick as possible and if anyone has questions please stop him and ask or wait until the end. The presentation agenda included Introduction (explaining who Guernsey is and what they do), population projections for Clinton, water demands, Foss reservoir, the Foss plant, conveyance, the needs, the cost, financing and time for questions. Bill Olgesby was here as their Financing Representative and gave the information on the financing portion.

Questions were asked from the Trustees, Chairman and the City Manager. Chairman Seth Adams asked what the increase would be for each person in Clinton if we were elect to go with your upgrades. Mr. Roach said that it would increase by $ 10.00 per account. Chairman Seth Adams also asked if all of the communities take their water allotment from Foss or are we the only town that takes and exceeds their allotment? Ronny Thompson, employee at the Foss plant answered that Hobart never takes more than the allotment and Cordell is always under their allotment. The Mayor also asked with these upgrades and an old plant will the existing plant structure still be good after the 20 years that you are saying this upgrade will last. Mr. Roach answered yes. Trustee Rodolph asked how long would it take to complete the first phase of the upgrades. Mr. Roach replied, it will take 2 years to complete the first phase. Trustee Rodolph then asked how much money Foss has in cash as well as CDs and other resources. Mr. Roach really never gave an answer to these questions. City Manager Steve Hewitt asked if the City of Clinton chooses not to support the upgrades at Foss, what will happen. Mr. Roach answered that the other communities would have to pay more for their allotment of water. Steve also asked them if they have a solution to keep the plant running when there is major power failure. Mr. Roach answered that a generator will be supplied to them at no cost by Kiwash Electric.

B. Consider Resolution PW 1301 Regarding New Water Rates.

City Manager Steve Hewitt said this resolution would help us cover the loss of revenue that has been occurring since we have been taking all of our water from Foss. He also said that the increase to those who use the minimum amount of water each month will be less than $1.

Moved by Trustee Rodolph and seconded by Trustee Lowry to adopt resolution PW1301.

Mayor put the motion to a roll call vote:

Aye:, Rodolph, Lowry, Martinez and Adams
Nay: None

C. Consider Supplemental Appropriations to Fiscal Year 2012/2013

City Treasurer Debra Blanchard reported that this is something that we have to do each year at this time due to the amount of sales tax estimates and the money pledged to other debts services.

Moved by Councilman Rodolph and second by Councilman Martinez

Mayor put the motion to a roll call vote:

Aye, Rodolph Martinez, Lowry and Adams
Nay: None

Mayor declared the motion carried.

AGENDA ITEM NO. 5 TRUSTEE REPORT

Trustee Rodolph reported that he thought we should take a good look at the Foss Presentation and really look at all of our options. City Manager Steve Hewitt replied to Rodolph that he agrees with him, and we

need to consider what we have already committed to with Canute and with the possibility of Clinton Lake coming back on line some day and with the possibility of using other water resources.

AGENDA ITEM NO. 6: MANAGER'S REPORT

City manager Steve Hewitt reported that we have water restrictions in place, they began June1, 2013, and regular water usage is down due to the small showers and cooler temperatures. He also reported that we will begin working with DEQ on July 1, 2013 to get the proper paper work and permitting for the phosphate injection process to help get rid of the discolored water throughout the city. We continue to flush these areas to keep the water as clear as possible.

AGENDA ITEM NO. 7: AUDIENCE PARTICIPATION

None

AGENDA ITEM NO. 8: ADJOURNMENT

Moved by Trustee Lowry and seconded by Trustee Martinez to adjourn the meeting.

Mayor put the motion to a roll call vote:

Aye: Lowry, Martinez, Rodolph, and Adams
Nay: None

Chairman declared the meeting adjourned at 7:00 p.m.

Agenda Commentary

Item Title/ Subject: PWA Loan – Refinance

Staff Source: City Manager, Steve Hewitt

Date: June 13, 2013

Background/Subject Information:

See letter from OWRB regarding refinancing of their debt and passing the savings on to the Cities with loans. We have three options for our loan in PWA that is up in 2020: 1. Payoff balance $295,689 2. Reduce payments 3. Keep payments the same and reduce length. Decision of the City's direction is due by June 27th. Savings passed along is only 30%.

Recommendation:

Staff recommends keeping the original debt payments; the extra will be placed on the principal to reduce length. We want the Council have the option. Staff would typically recommend full payoff, however with many capital costs and anticipated costs during the planning of the drought/water relief, we don't want to affect any more of the reserve PWA fund. Current reserves may be needed in areas of infrastructure, planning, or engineering of current issues or a new plant.

Price/Cost: 30% savings

Dear Chairman Bryson:

Re: Potential refinance of Clinton Public Works Authority, Loan Number ORF-98-0003-DW

The Oklahoma Water Resources Board (the "OWRB") is considering refinancing all or a portion of its outstanding Revolving Fund Revenue Bonds, Series 2003 (the "Series 2003 Bonds"). The refinancing will depend on a number of factors, and if it is done, will be completed sometime on or before October 1, 2013. If it is done, any refinancing will be subject to market interest rates that will result in debt service savings being achieved. As interest rates are subject to market conditions, a final decision to refinance the Series 2003 Bonds will not be made until sometime later this spring or summer.

One of the factors that will shape the potential refinancing is whether and how the OWRB will share the potential debt service savings with the borrowers who have loans pledged to the Series 2003 Bonds. At its May 21, 2013 Board meeting, the OWRB took action to the effect that if the Series 2003 Bonds are refinanced, the OWRB will share approximately 30% of any realized debt service savings with the borrowers that have loans pledged to the Series 2003 Bonds. The refunding savings by borrower will be determined by the OWRB. Receipt of this letter is confirmation your entity is one of the borrowers that has a loan pledged to the Series 2003 Bonds and that your entity has an opportunity to share in the debt service savings if the refinancing is completed.

The objective of this letter is to inform you of the possible refinancing and to allow your entity the opportunity to provide the OWRB guidance as to how you would like any savings that may be realized by the OWRB to be applied to your loan. The OWRB expects any debt service savings realized may ascend over time and will not be level savings. There are three options for your entity to consider in realizing your share of OWRB's savings, as outlined below:

Option 1: Keep your entity's debt service payments the same and pay off your entity's loan sooner. The new final maturity will be subject to the amount of savings realized.

Or

Option 2: Have the final loan maturity remain the same with reduced debt service payments and annual debt service savings from the OWRB applied proportionally to your entity's loan based on the annual loan principal outstanding.

Or

Option 3: Pay off the remaining balance of the loan.

If your entity would like any other option besides these three options described above, your entity will need to describe your desired option and request it in writing to Joe Freeman, Chief, Financial Assistance Division. We request this be done as soon as possible. The OWRB cannot guarantee alternate structures will be permitted, since all structures must be viewed within the context of the OWRB refinancing structure and all the other borrowers' requested savings allocation.

While the timing of any refinancing cannot be currently determined with certainty, the OWRB is targeting closing the refinancing issue on or before October 1, 2013. Because of the time required to work through all the Series 2003 borrower loan requests, we respectfully request the attached form indicating a savings option preference be completed and returned by mail to Joe Freeman no later than Thursday, June 27, 2013. The OWRB appreciates your assistance in meeting this deadline. Should a response not be received by the deadline, OWRB shall assume Option 2 above, with annual savings applied proportionally.

Upon review of this letter, should you have any questions, we suggest that you contact your financial advisor and bond counsel, or Joe Freeman at 405-530-8800.

Sincerely,

Joe Freeman, Chief
Financial Assistance Division

Dear Joe,

We have reviewed the Oklahoma Water Resources Board (the "OWRB") letter dated June 3, 2013 and understand a refinancing of the outstanding OWRB Series 2003 Bonds is being considered to produce net present value savings. We understand that the refinancing is subject to market conditions and any savings are not guaranteed. However, if savings are realized, we have checked the box next to the savings option we request for our loan and understand the refunding savings will be determined by the OWRB.

☐ Option 1: Keep your entity's debt service payments the same and pay off your entity's loan sooner. The new final maturity will be subject to the amount of savings realized.

Or

☐ Option 2: Have the final loan maturity remain the same with reduced debt service payments and annual debt service savings from the OWRB applied proportionally to your entity's loan based on the annual loan principal outstanding.

Or

☐ Option 3: Pay off the remaining balance of the loan.

Item Title/ Subject: **Clarifier Rehab**

Staff Source: **Public Works Director, Stephen Jones**

Date: June 13, 2013

History/Background Information: The two original clarifiers that were built 1976 have only been sand blasted and recoated twice in 37 years of service. The clarifiers should have been coated every five years, but due to the lack of maintenance the steel had deteriorated to the point that it had to be replaced which was bid out earlier this year. The original bids were to sand blast and coat the new steel that we are replacing.

Subject Summary: We have found a different coating that will last 15 years, the clarifiers need to be sand blasted and recoated every 5 years. The typical labor cost is $70,000.00 per clarifier to disassemble, sand blast, and repaint. By using this coating there is savings by only having to do one application over fifteen years instead of three.

Recommendation: Option 3 in attached spreadsheet.

Price/Cost: Application per clarifier is $39,999.70; bulk unit of Belzona 5811 is $37,700.00. Total cost is $77,699.00.

Clinton Waste Water Treatment Plant Clarifier Rehab

Current Rehab Plan (Standard Painting)

Original bid amount for replacement, sand blast, and repaint		$ 188,300.00
Option 1- Cost to sandblast and repaint clarifiers every 5 years		$ 70,000.00
Maintenance cost over 15 years		$ 210,000.00
Estimated cost over 15 years per clarifier	**option 1**	**$ 398,300.00**

Belzona Coating instead of Paint

Original bid amount for replacement, sand blast, and repaint		$ 188,300.00
Less original bid labor + materials for painting $10,949.00		$ 177,351.00
Option 2- Cost per clarifier to coat steel with Belzona 5811 epoxy coating with 15 year warranty via contactor (they purchase the Belzona material)		$ 80,400.00
15 year warranty (no maintenance cost)		
Estimated cost over 15 years per clarifier	**option 2**	**$ 257,751.00**

Original bid amount for replacement, sand blast, and repaint		$ 188,300.00
Less original bid labor + materials for painting $10,949.00		$ 177,351.00
Option 3- Cost per clarifier to coat steel in Belzona 5811 epoxy coating via contactor (City purchases Belzona material in bulk unit) (roughly 10000ft^2 of coverage/clarifier)		$ 39,999.70
City's cost for a bulk unit of Belzona 5811 (coverage = 32000 ft^2)	Total cost	$ 37,700.00
	cost/clarifier	$ 18,850.00
15 year warranty (no maintenance cost)		
Estimated cost over 15 years per clarifier	**option 3**	**$ 236,200.70**

Option 3 requires the city purchase the bulk unit of Belzona 5811 at a cost of $37,750.00. In the cost comparison the cost is split in half because the bulk unit will coat both clarifiers.

15 Year Savings

	Savings per clarifier	Total savings
Option 2 instead of option 1	**$ 140,549.00**	**$ 281,098.00**
Option 3 instead of option 1	**$ 162,099.30**	**$ 324,198.60**
Option 3 VS. Option 2	**$ 21,550.30**	**$ 43,100.60**

PROFESSIONAL SERVICES AGREEMENT WITH COMMITTEE OF CONCERN, INC. dba MULTI-COUNTY YOUTH SERVICES FOR USE OF COMMUNITY INTERVENTION CENTER SERVICES

This agreement is made and entered into this _____ day of _____, 2013 by and between the City of Clinton, a municipal corporation, hereinafter referred to as "City" and Committee of Concern, Inc., dba Multi-County Youth Services hereinafter referred to as "MCYS". When references are made to both the City and MCYS, they will be referred to as "Parties."

WITNESSETH:

Whereas, 10A Okla. Stat.2-7-305 provides for Interlocal Agreements with the district courts allowing a municipality to assume jurisdiction for certain enumerated violations of municipal ordinances, including: vandalism, shoplifting, trespassing, assault, battery, assault and battery, truancy, curfew, possession of non intoxicating beverages, possession of alcoholic beverages, disorderly conduct, public intoxication, failure to appear for court appearance, or comply with a court order, and any other municipal ordinances as agreed by the district court, the district attorney and the municipality.

Whereas the City has executed a interlocal agreement with Custer County District Court and

Whereas, 10A Okla. Stat.2-7-305 further authorizes the City of Clinton to contract with an independent entity, public or private, certified by the Oklahoma Office of Juvenile Affairs, for purposes of assessment and processing of juveniles who are taken into custody for one or more of the alleged violations of a municipal ordinance or state statute.

Whereas, MCYS has secured the necessary certification required by 10A Okla. Stat.2-7-305 and the Parties are desirous of entering into an Agreement for the temporary holding, assessment, and processing of juveniles who are in police custody for all of the enumerated municipal or state violations allowed by law.

Now, therefore, the Parties, in consideration of the premises and the mutual covenants set forth below, do hereby agree as follows:

ARTICLE I: TERM/RENEWAL

A. The term of the Agreement shall be effective the 1st day of July, 2013 at 12:01 a.m. through June 30, 2014. Thereafter, this agreement shall be automatically renewed for the successive one-year periods corresponding with the City's fiscal year.
B. This Agreement may be terminated by mutual consent or by either party, with our without cause, by giving thirty (30) days' written notice to the other Party.
C. Either party may request a modification of the Agreement by making a written request identifying the desired amendments, or the subject matter thereof, at least forty-five (45) days in advance of the negotiations concerning such amendment.

ARTICLE II: COMPENSATION

Under the terms of the Agreement, the City shall pay MCYS an amount of _____.

ARTICLE III: SCOPE OF SERVICES

A. The purpose of this Agreement is to obtain the services of the Multi-County Youth Services Community Intervention Center, which has received the proper approval and certification by the Office of Juvenile Affairs as required by 10A Okla. Stat.2-7-305. The Community Intervention Center located in Clinton may serve additional communities in Western Oklahoma.

B. MCYS agrees that it shall take all necessary steps to comply with all requirements of 10A Okla. Stat.2-7-305 and all standards promulgated by the Oklahoma Office of Juvenile Affairs including:
   1. Once the juvenile is in custody of the city and taken to the CIC, MCYS shall take all reasonable steps to locate the child's parent, legal guardian, legal custodian, attorney, or other responsible adult. Once contact as been made, the juvenile shall be released to the personal custody of his or her parent, legal guardian, legal custodian, attorney, or other responsible adult as soon as practical and upon the written promise of such person to return said juvenile to the appropriate court of jurisdiction to answer the charges.
   2. The juvenile shall be held for no longer than is required for processing and assessment up to a maximum twenty-four (24) hours. If no parent, legal guardian, legal custodian, attorney, or other responsible adult appear for the release then custody of juvenile shall be handled pursuant to 10A Okla. Stat.2-7-305.
   3. MCYS shall provide adequate fresh drinking water, adequate food not less than three (3) times in a twenty-four-- (24) hour period, adequate bathroom facilities and bedding. The child's parent, legal guardian, legal custodian, or attorney shall be responsible for any health care costs incurred.
   4. MCYS shall not provide transportation for juveniles held at the CIC.

C. MCYS further agrees to:
   1. Communicate with the Municipal Court and the Police Department in order to ensure effective use of services.
   2. Conduct a brief assessment on each youth, collecting the following information:
      a) youth's current living situation and who has responsibility for meeting his/her basic needs
      b) youth's current education status (enrolled, attending, suspended, expelled, dropped out)
      c) indications that the youth is involved with illegal substances.
      d) signs that the youth is a victim of violence
      e) the initial assessment may result in a referral to another agency for more in-depth assessments.
   3. Collect demographic information and enter it into JOLTS (Juvenile On-Line Tracking System) when the system is capable of accepting the data. .
   4. Track the youth through the municipal court system and enter appropriate information into JOLTS.
   5. Maintain records in accordance with State Law and provide the municipality with monthly reports that include but are not limited to the following information:
      a) Number of juveniles handled from the City
      b) Operational issues of concern

D. MCYS agrees to comply with all Local, State and/or Federal requirements concerning operation of a Community Intervention Center for juveniles for the City of Clinton.

E. The City of Clinton agrees to:
   1. The City shall maintain an interlocal agreement with the District Court.
   2. The City shall enact an ordinance to fine parents who fail to have the juvenile appear in court or assume custody from the CIC in a timely manner according to 10A Okla. Stat.2-

7-305 To have all ordinances in place for the municipal court to handle 10A Okla. Stat.2-7-305 juvenile offenses.

3. Assure police department compliance with the criteria established for admission of juveniles to the Community Intervention Center.
4. Provide all necessary transportation of the juvenile while at the CIC.
5. Shall provide for any health care and treatment. The child's parent, legal guardian, legal custodian or attorney shall be responsible for any health care costs incurred.
6. Assist CIC staff in contacting parents who do not have a telephone.

ARTICLE IV: INDEPENDENT CONTRACTOR AND INSURANCE

This agreement shall not be construed as creating any agency or third party beneficiary agreements or liability in any form or manner whatsoever.

MCYS is an independent contractor and not an employee of the City of Clinton, and agrees to furnish the following certificate of insurance acceptable to the City, which shall be attached to this agreement.

1. Adequate Worker's Compensation coverage to comply with State laws and Employer's Liability Coverage in a minimum amount of $100,000.
2. Comprehensive Liability Coverage sufficient to meet the City's maximum liability under the Governmental Tort Claims Act, 51 Okla.Stat. 151 et seq. The Current minimum General Liability Coverage is $100,000 per person for bodily injury or death and $25,000 for property damage and $1,000,000 for any number of claims arising out of a single incident or occurrence.

ARTICLE V. INDEMNITY

MCYS hereby agrees to release, defend, indemnify and save harmless the City of Clinton its officers, agents, and employees from and against any and all loss or of damage to property, injury or death of any person or persons, and from and against any and all claims, damages, suits, costs, etc., in connection with any negligent acts of MCYS in connection with this Agreement. However, MCYS shall not be liable hereunder for any loss occurred by the negligent acts of the City of Clinton, its agents, or employees.

ARTICLE VI.

The Parties agree that MCYS may not assign its interest in this Agreement without prior written consent of the City.

In Witness Whereof, the Parties have executed this, Agreement by the signatures of the authorized persons listed as below set forth on the dates therein set out.

Re: Surplus property

Following the City Council meeting of May 21st when the auction for the surplus property was held, a gentleman came to my office to ask what would be done with the property that was not sold. He has submitted a written bid for the property at 503 North 16th and the property at 224 South 2nd and 209 Hayes.

It was schedule to be placed on the June 18th agenda for Council consideration. Since that time another individual has expressed interest in the property at 503 North 16th.

Please advise how to dispose of these properties.
