AGENDA ITEM NO. 4 ACTION ITEMS

4A. CONSIDER MEMORANDUM OF UNDERSTANDING REGARDING PROPERTY IN COMMERCE INDUSTRIAL CENTER WITH THE U.S. DEPARTMENT OF AGRICULTURE

City Manager Mark Skiles explained that over two years ago a lot located in the Commerce Industrial Center had been deeded to the Custer County Conservation District to accommodate the consolidation of their offices. They ultimately moved to a location on U.S. Highway 183 and the deed was never filed on the transfer of the property. Later the lot was sold by the Clinton Industrial Authority to TAS Trucking. Representatives of the Custer County Conservation District are requesting a lot to accommodate the need for storage of equipment and future office space. A Memorandum of Understanding has been prepared for Lot 2 in Commerce Industrial Center to be transferred to the Custer County Conservation District. The life of this agreement is for a

two year term. He said the intent of Industrial Authority had been not to sell any of the lots until the infrastructure was in place but this understanding would give a two year period.

Doug Rose of the Custer County Conservation District said they are currently housed on South 19th and they are running out of room. They have a potential buyer for that property and that is the reason they are making the request at this time. He said the building would house the Custer County Conservation District and the Conservation Commission.

Trustee Rodolph said it is understood that no infrastructure is available at this time.

Motion was made by Trustee Rodolph and seconded by Trustee Lowry to approve the Memorandum of Understanding regarding property in Commerce Industrial Center with the Custer County Conservation District.

Chairman put the motion to a roll call vote:

Aye: Rodolph, Lowry, Sami, Adams
Nay: None

Chairman declared the motion carried.

4B. CONSIDER RESOLUTION NO. IA14-01 REGARDING COMMITMENT TO GRADING, DRAINAGE, BASE AND MAINTENANCE WORK FOR NEW INDUSTRIAL ACCESS ROAD

City Manager Mark Skiles reported that grant funds are available through the Oklahoma Department of Transportation for new industrial access roads. This resolution is a component of the grant documentation. The funding is on paving and asphalt. He stated that the estimate on the access road for Commerce Industrial Center is $349,000.00. He said this is separate funding from the EDA grant that has already been awarded to the City.

Motion was made by Trustee Rodolph and seconded by Trustee Lowry to approve Resolution No. IA14-01 regarding commitment to grading, drainage, base and maintenance work for a new industrial access road.

Chairman put the motion to a roll call vote:

Aye: Rodolph, Lowry, Sami, Adams
Nay: None

Chairman declared the motion carried.

4A. CONSIDER AND TAKE ACTION ON ENGINEERING SERVICE AGREEMENT WITH BURNS & MCDONNELL

City Manager Mark Skiles introduced Brian Meier of Burns & McDonnell.

Meier explained the details of the engineering service agreement as a Task Order for the water project to include wells and lines. He said it would include the same phase approach as discussed earlier. He explained that the Canute line is included in this agreement but the other elements are not changed. He said that dialog with the Department of Environment Quality and the Water Resource Board would continue.

City Manager Skiles said that a meeting had been held earlier today with John Mitchell, Brian Meier, Ben Oglesby and Rick Smith to discuss the project.

Brian Meier said he expects comments back with the next week regarding the Dixon well. He explained this is necessary before improvement to the Dixon well can move forward. He said a review is being made of contractors who could potentially bid on the project. He said that a Request for Proposal for difference pieces of the project would be prepared. He anticipated seeing activity by December. He said that activity on difference pieces could happen simultaneously. He said he has been working with Mr. Dixon to review the site layout.

Trustee Rodolph said the City would be doing part of the work and asked if that would slow the process.

Meier said the city working on the project would benefit the project and stated that the Burns & McDonnell agreement is based on an hourly cost for the project.

City Attorney Ryan Meacham said he had reviewed the task order and stated that the original service agreement has been signed off by previous City Manager Steve Hewitt.

Rick Smith reviewed the details regarding tax-exempt revenue bonds for a 30 year term. He explained the recommendation of implementing water rate increases in phases with the first increase effective January 1, 2015. A review of the water utility customers to include the consumption and percentage of total consumption was discussed. It was noted that the top ten water customers consume 34% of the water.

Smith recommended an increase to the current water surcharge of $.16 per month to $1.50 per month effective January 1, 2015 and January 1, 2016 increase to a total of $3.00 per month. He explained that this revenue would be restricted to pay for water costs.

Smith reviewed the rates increases for Phase 1 and explained that the use of the current rate structure was applied. He also recommended implementing Phase 2 rate increases effective January 1, 2016.

Smith said he is working with the City Attorney regarding a resolution that will be brought to the Authority for review regarding implementing the rate increases.

Chairman Adams asked about a sales tax option.

Smith explained that a sales tax option had been discussed and that is the reason the rates are being proposed in phases. He said that Phase I rates are needed now.

Subject: Condemnation of a Trailer House at 618 N. 17th owned by Crista Barnhill & Sallie Heatley

Staff Source: Toby Anders Code Enforcement Officer

History/Background Information: The trailer house is located at 618 N. 17th. Since April '07 I have had violations from grass, weeds and trash to vacated unsecured structure. Over the years there have been numerous people that have lived in and attempted to remodel the trailer. I have attempted to contact the owner two different times this year with violation notices with no response from the owner.

Recommendation: It is my recommendation to the City of Clinton City Council that this property be condemned and all contents on this property be removed.
