Dear Mr. Skiles:

Subject: Memorandum of Agreement (MOA)
DTFACN-15-L-00135
Runway 35 (VASI) Clinton Regional Airport
Clinton, Oklahoma

To improve administrative efficiency, the Federal Aviation Administration (FAA) has made a national policy determination to use the new format of a Memorandum of Agreement (MOA) to cover required land sites and easements for existing navigational aid (NAVAID) facilities operated by this agency. The MOA contains similar terms and conditions provided under the current no-cost land leases. There are many practical reasons for this decision. It is very labor intensive for both the airport and the FAA to attempt to maintain the paperwork. Also, the current lease process requires legal description of the property the Government is leasing. The new MOA process eliminates the use of legal descriptions and utilizes a listing of identified facilities.

The Federal Aviation Administration's Lease No. DTFA07-01-L-01560 providing FAA the necessary land site for the Runway 35 visual approach slope indicator (VASI) located at the Regional Airport, Clinton, Oklahoma expires by its terms on September 30, 2015.

It is our belief that the airport sponsor and the FAA will benefit from the new process. It will no longer be necessary for the airport sponsor to ensure that the legal descriptions are accurate, thus saving time and money. Many airports are currently under the new system and the necessary approvals go through much quicker.

Our FAA national legal counsel has reviewed and approved the MOA document and has assured us that this document is legal and binding. Also, this document will give you the same protection as when using a land lease.

Please be aware that this document will only apply to navigational aid facilities that are currently addressed under an on airport, no-cost land lease. It is not affecting any other lease with rental compensation that you may have with the FAA.

Enclosed are two copies of MOA No. DTFACN-15-L-00135. If this document is satisfactory, please have an authorized official sign all copies, insert date, and return one copy to the Department of Transportation, Federal Aviation Administration, Real Estate and Utilities, ALO-720, 2601 Meacham Blvd., Fort Worth, Texas 76137. The remaining copy is to be retained for your records.

We want to express our appreciation for your cooperation in implementing this new process. If you have any questions, please feel free to contact me at 817-222-5466 or Ms. Martha Turner at her direct line: 817-222-4458 or via email transmission at martha.turner@faa.gov.

NO COST LAND ON AIRPORT MEMORANDUM OF AGREEMENT

MOA No: DTFACN-15-L-00135

Geographical Location: Clinton Oklahoma 73601

This agreement is made and entered into by the Clinton Municipal Airport. hereinafter referred to as Lessor for itself, its successors and assigns, and the Federal Aviation Administration, hereinafter referred to as the FAA.

WITNESSETH

WHEREAS, the parties listed above have entered into an Airport Improvement Grant Agreement; and

WHEREAS, the parties listed above have entered into an agreement providing for the construction, operation, and maintenance of FAA owned navigation, communication and weather aids for the support of Air Traffic Operations; and

WHEREAS, the parties consider it desirable to work in cooperation with each other in the technical installation and operation of air navigational aids; and

WHEREAS, both parties agreed the establishment, operation, and maintenance of systems for air traffic control, navigation, communication, and weather reporting is in the primary interest of safety and direct support of the ongoing operation of the Clinton Municipal Airport.

NOW, THEREFORE, the parties mutually agree as follows:

1. TERMS AND CONDITIONS (Jan 12): It is mutually understood and agreed that the Airport requires FAA navigation aid facilities in order to operate their business and that the FAA requires navigation, communication and weather aid facilities at the Airport in order to support Air Traffic Operations. Thus, in the interest of both parties it is hereby agreed that the Airport will allow the FAA to construct, operate, and maintain FAA owned navigation, communication and weather aid facilities in areas on the Airport that have been mutually determined and agreed upon for the term commencing on October 1, 2015 and continuing through September 30, 2035. The FAA can terminate this agreement, in whole or part at any time by giving at least (60) day's notice in writing. Said notice shall be sent by certified or registered mail.

A. Together with a right-of-way for ingress to and egress from the premises; a right-of-way for establishing and maintaining pole lines or under ground lines for extending electrical power and/or telecommunications lines to the premises; including a right-of-

way for subsurface power, communication and/or water lines to the premises; all rights-of-way to be over the area referred to as Clinton Municipal Airport, to be routed reasonably determined to be the most convenient to the FAA and as not to interfere with Airport operations. The Airport shall have the right to review and comment on plans covering access and utility rights-of-way under this paragraph.

B. And the right to grading, conditioning, and installing drainage facilities, seeding the soil of the premises, and removing all obstructions from the premises which may constitute a hindrance to the establishment and maintenance of navigational aid systems. The Airport shall have the right to review and comment on plans covering work permitted under this paragraph.

C. And the rights to make alterations, attach fixtures, and erect additions, structures or signs, in direct support of the Airport. The Airport shall have the right to review and comment on plans covering work permitted under this paragraph.

D. And the right to park, without cost, all official and privately owned vehicles used for the maintenance and operation of the air navigational facilities. Parking shall be provided adjacent to the navigational aid facility or as near as possible without interfering with the operation of the Airport.

2. CONSIDERATION (Aug- 02): The FAA shall pay the Airport no monetary consideration, it being mutually agreed that the rights extended to the FAA herein are in consideration of the obligations assumed by the FAA in its establishment, operation, and maintenance of navigational aid facilities upon the premises.

3. PURPOSE (Apr-05): It is understood and agreed that the use of the herein described premises, known as Clinton Municipal Airport, shall be related to the FAA's activities in support of Air Traffic operations.

4. FAA FACILITIES (Apr-05): The FAA facilities covered by this agreement are identified on the most current approved Airport Layout Plan (ALP) and/or other pertinent drawings that are made part of this agreement by reference and shown on the attached FAA "List of Facilities".

5. TITLE TO IMPROVEMENTS (Apr-05): Title to the improvements constructed for use by the FAA during the life of this agreement shall be in the name of the FAA.

6. HAZARDOUS SUBSTANCE CONTAMINATION (May-00): The FAA agrees to remediate, at its sole cost, all hazardous substance contamination on the FAA facility premises that is found to have occurred as a direct result of the installation, operation, relocation and/or maintenance of the FAA's facilities covered by this agreement. The

Airport agrees to remediate or have remediated at its sole cost, any and all other hazardous substance contamination found on the FAA facility premises. The Airport also agrees to save and hold the U. S. Government harmless for any and all costs, liabilities and/or claims by third parties that arise out of hazardous contamination found on the FAA facility premises that are not directly attributable to the installation, operation and/or maintenance of the facilities on the attached FAA "List of Facilities."

7. INTERFERENCE WITH FAA OPERATIONS (Oct-96): The Airport agrees not to erect or allow to be erected any structure or obstruction of whatsoever kind or nature within the Airport's boundaries that may interfere with the proper operation of the navigational aid facilities installed by the FAA, as it is not in the best interest of the Airport or the FAA.

8. FUNDING RESPONSIBILITY FOR FAA FACILITIES (Oct-96): The Airport agrees that any relocation, replacement, or modification of any existing or future FAA's navigational aid systems made necessary by Airport improvements or changes, which interferes with the technical and/or operational characteristics of the facility, will be at the expense of the Airport, with the exception of any such improvements or changes which are made at the request of the FAA. In the event such relocations, replacements, or modifications are necessary due to causes not attributable to either the Airport or the FAA, funding responsibility shall be determined by mutual agreement between the parties.

9. NON-RESTORATION (Oct-96): It is hereby agreed between the parties, that upon termination of its occupancy, the FAA shall have no obligation to restore and/or rehabilitate, either wholly or partially, the property which is the subject matter of this agreement. It is further agreed that the FAA may abandon in place any or all of the structures and equipment installed in or located upon said property by the FAA during its tenure. Such abandoned equipment shall become the property of the Airport.

10. NOTICES (Oct-96): All notices/correspondence shall be in writing, reference the Agreement number, and be addressed as follows:

Chairman declared the motion carried.

AGENDA ITEM NO. 4 ACTION ITEMS

4A. CONSIDER AND TAKE ACTION ON PURCHASE OF CHLORINE DIOXIDE GENERATOR FOR CLINTON WATER TREATMENT PLANT

Jeremy Brush of Severn Trent explained that quotes have been received on the purchase of a chlorine dioxide generator for the Clinton Water Treatment Plant. The current unit was damaged in the chlorine leak in August of 2011. He said it is a critical piece of equipment for the water plant to operate in compliance on a regular basis. The average life expectancy of this piece of equipment is 5 to 10 years and the current unit is 15 years old.

He explained that the quotes are for a two chemical unit and include a 12 month warranty. Severn Trent quoted $29,153.00; Haynes Equipment, $45,000.00; Evoqua $123,000.00 and a

lease option of $54,000.00 per year. Brush said Severn Trent was able to offer the low quote because they receive a distributor price which resulted in a $15,000.00 savings.

Motion was made by Trustee Rodolph and seconded by Trustee Hulin to authorize the purchase of a chlorine dioxide generator from Severn Trent for $29,153.00.00.

Chairman put the motion to a roll call vote:

Aye: Rodolph, Hulin, Lowry, Martinez, Adams
Nay: None

Chairman declared the motion carried.

Trustee Hulin asked about the status of the repairs to the Water Treatment Plant.

Jeremy Brush reported that the electrical repairs are 95% complete and Burns & McDonnell is working on the rehab of the chlorine room.

City Manager Mark Skiles said there has been discussion regarding the chlorine process comparing chlorine gas and comparing the cost. He said that retrofit would be less expensive.

Trustee Hulin asked how much money has been spent on repairs.

Brush said roughly $200,000 has been spent on repairs to the Water Treatment Plant.

AGENDA ITEM NO. 5 TRUSTEE REPORT

Trustee Rodolph commended the Public Works staff on their work on waterline repairs during the bitterly cold weather.

PWSID No. 1010828

Dear Mr. Hewitt:

Enclosed is Permit No. WW000020150007 for the construction of one (1) PWS water well (500 gpm, 60 ft), 40 linear ft of twenty (20) inch PVC contact segment and 949 linear feet of eight (8) inch PVC potable waterline, sodium hypochlorite injector, liquid ammounim sulfate feed system, and all appurtenances to serve the City of Clinton, Custer County, Oklahoma.

The project authorized by this permit should be constructed in accordance with the plans approved by this Department on February 02, 2015. Any deviations from the approved plans and specifications affecting capacity, flow or operation of units must be approved, in writing, by the Department before changes are made.

Receipt of this permit should be noted in the minutes of the next regular meeting of the City of Clinton, after which it should be made a matter of permanent record.

We are returning one (1) set of the approved plans to you, one (1) set to your engineer and retaining one (1) set for our files.

WATER WELL

PWSID No. 1010828

PERMIT TO CONSTRUCT

February 02, 2015

Pursuant to O.S. 27A 2-6-401, the City of Clinton is hereby granted this Tier I Permit to construct one (1) PWS water well (500 gpm, 60 ft), 40 linear ft of twenty (20) inch PVC contact segment and 949 linear feet of eight (8) inch PVC potable waterline sodium hypochlorite injector, liquid ammounim sulfate feed system, and all appurtenances to serve the City of Clinton, located in NW/4, SW/4, NW/4, Section 30, T-12-N, R-6-W, Custer, Oklahoma, in accordance with the plans approved on February 02, 2015

By acceptance of this permit, the permittee agrees to operate and maintain the facility in accordance with the Public Water Supply Operation rules (OAC 252:631) and to comply with the State Certification laws, Title 59, Section 1101-1116 O.S. and the rules and regulations adopted thereunder regarding the requirements for certified operators.

VARIANCES

Variances have been granted from the following requirements of OAC 252:626

i. OAC 252:626-7-4(C) (i) do not locate wells within 300 feet horizontally from any existing or potential source of pollution including water bodies

ii. OAC 252:626-7-4(C) (iii) do not locate wells within one hundred feet (100') of a private property line

iii. OAC 252:626-7-4(C)(iv) do not locate wells within fifty (50') feet of a publicly owned property line

The well will be located 45 feet from the nearest private property line, 30 feet from the nearest publicly owned property line/right of way and 45 feet from a permanent easement outside of which farming practices including application of herbicides and pesticides may occur.

SPECIAL PROVISIONS

1. Upon completion of the well, representative samples shall be collected and sent to a DEQ certified laboratory for primary drinking water contaminants (new well test kit).
2. The City of Clinton shall also submit samples from the well to a laboratory equipped to perform Microscopic Particulate Analysis (MPA) and submit the results to DEQ for consideration.
3. A determination of future water quality testing requirements for this well will be made after DEQ reviews the initial test results. Additional treatment may be required.
4. The City of Clinton shall not use water from the well as a public water supply source without prior authorization from DEQ.

This permit is issued subject to the following provisions and conditions.

1) That the recipient of the permit is responsible that the project receive supervision and inspection by competent and qualified personnel.

2) That construction of all phases of the project will be started within one year of the date of approval or the phases not under construction will be resubmitted for approval as a new project.

3) That no significant information necessary for a proper evaluation of the project has been omitted or no invalid information has been presented in applying for the permit.

4) That the Oklahoma Department of Environmental Quality shall be kept informed of occurrences which may affect the eventual performance of the works or that will unduly delay the progress of the project.

5) That the issuing of this permit does not relieve the responsible parties from any damage which may occur as the result of the location and operation of the well(s) in this area.

6) That chemical and radiological analyses of the water will be furnished to this Department before the water is served to the public, to assure that it meets the requirements of the Federal Safe Drinking Water Act and Oklahoma Department of Environmental Quality Rules.

7) That before placing this facility into service, at least two samples of the water, taken on two (2) consecutive days, shall be tested for bacteria to show that it is safe for drinking purposes.

8) That the permittee will retain permanent control of an area at least 50 feet in all directions from the well, in order to preclude any construction or action which will subject the well to the danger of pollution.

9) That any deviations from approved plans or specifications affecting capacity, flow or operation of units must be approved by the Department before any such deviations are made in the construction of this project.

10) That the water well(s) not be placed in operation until written approval is granted by this Department.

11) That the recipient of the permit is responsible for the continued operation and maintenance of these facilities in accordance with rules and regulations adopted by the Environmental Quality Board, and that this Department will be notified in writing of any sale or transfer of ownership of these facilities.

OKLAHOMA DEPARTMENT OF ENVIRONMENTAL QUALITY

MARY FALLIN
Governor

PERMIT No. WW000020150007

WATER WELL

PWSID No. 1010828

PERMIT TO CONSTRUCT

12) That the water leaving the well will be non-corrosive as determined by a calcium carbonate saturation index (Langelier index), and if full time chlorination is required, the water shall contain at least 1.0 mg/l free chlorine or 2.0 mg/l combined.

13) The issuance of this permit does not relieve the responsible parties of any obligations or liabilities which the permittee may be under pursuant to prior enforcement action taken by the Department.

14) That this well shall not be placed in service until a permit to take water is obtained from the Oklahoma Water Resources Board.

15) That any notations or changes recorded on the official set of plans and specifications in the Oklahoma Department of Environmental Quality files shall be part of the plans as approved.

16) That water lines shall be located at least fifteen (15) feet from all parts of septic tanks and absorption fields, or other sewage treatment and disposal systems.

17) That whenever plastic pipe is approved and used for potable water, it shall bear the seal of the National Sanitation Foundation and meet the appropriate commercial standards.

18) That the gravel used in packing the well shall be properly washed and disinfected in accordance with Public Water Supply Construction Standards OAC 252:626-7-4(d).

19) That when it is impossible to obtain proper horizontal and vertical separation as stipulated in Public Water Supply Construction Standards OAC 252:626-19-2(8)(A) and OAC 252:626-19-2(8)(B), respectively, the sewer shall be designed and constructed equal to water pipe, and shall be pressure tested using the ASTM air test procedure with no detectable leakage prior to backfilling, in accordance with the standards for Water Pollution Control Facility Construction OAC 252:656-5-4(c)(3).

Failure to appeal the conditions of this permit in writing within 30 days from the date of issue will constitute acceptance of the permit and all conditions and provisions.

4M. CONSIDER AND DISCUSS AMENDMENT TO ORDINANCE 954 AND ORDINANCE 955

City Attorney Ryan Meacham said at the previous meeting Ordinance 954 and Ordinance 955 were adopted whereby implementing a sales tax. The ordinance was circulated for review and Bond Counsel suggested changing the language of the ordinance due to limiting the debt in the long term. He explained that in the event bonds were refinanced in the long term, the proceeds would be limited to the 2014 Bonds.

Meacham explained that Ordinance 955 is effective for a 30 year tax and it would be beneficial to future Councils to not have to take this issue back to the people. The amendment would be to remove the text regarding the 2014 Bond and replace with continue debt service of constructing a water treatment plant and assorted facilities and infrastructure. He said with the adoption of Ordinance No 955A, it would have to be republished but it would not stop the election scheduled for April 7, 2015.

Motion was made by Councilman Rodolph and seconded by Councilman Lowry to amend Ordinance No. 955 and adopt Ordinance No. 955A with the deletion of the wording regarding the 2014 Bond Issue as prepared by the City Attorney.

Nay: None

Mayor declared the motion carried.

4N. CONSIDER BUDGET TRANSFER WITHIN THE CAPITAL IMPROVEMENT FUND

City Treasurer Debra Blanchard explained funds in the Capital Improvement Fund need to be moved between line items. She said this does not increase the budget but moves $550,000.00 from one line item to another within the Capital Improvement Fund.

Motion was made by Councilman Rodolph and seconded by Councilman Lowry to approve the transfer of funds within the Capital Improvement Fund,

Mayor put the motion to a roll call vote:

Aye: Rodolph, Lowry, Hulin, Martinez, Adams
Nay: None

Mayor declared the motion carried.

4O. CONSIDER SUPPLEMENTAL BUDGET AMENDMENT FOR CAPITAL IMPROVEMENT FUND

City Treasurer Debra Blanchard explained the supplemental budget amendment would change the budget. She said it had originally been thought that the billing for the City's portion of the Chapman Road project would have been paid earlier. She said the fund for the projects were originally approved by Council but were not paid out until this fiscal year. The payment of $113,631 is for the original Oklahoma Department of Transportation contract and Alternate #1.

RESOLUTION NO. 839

A RESOLUTION CALLING FOR ELECTION FOR PROPOSED CHARTER AMENDMENT ALTERING THE FILING PERIOD FOR MUNICIPAL ELECTIONS AND THE TIMING OF THE PRIMARY ELECTION FOR MUNICIPAL ELECTIONS AND THE TIMING OF THE GENERAL MUNICIPAL ELECTIONS AND ALTERING THE DATE THAT NEWLY ELECTED COUNCILMEN SHALL BE SWORN IN; PROVIDING AN EFFECTIVE DATE; PROVIDING THE PROVISIONS ARE CUMULATIVE AND PROVIDING FOR SEVERABILITY.

WHEREAS, in 2005 the electors of the City of Clinton voted to amend the Charter to conform to State Law requirements;

WHEREAS, the language of Resolution 731 required specific and rigid conformance to State Election filing periods and elections;

WHEREAS, there are alternatives to the dates identified in 2005, which are better reflective of the norms of elections in Clinton, Oklahoma;

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CLINTON, OKLAHOMA:

SECTION 1: That an election shall be called on April 7, 2015, for the purpose of submitting to the qualified electors of the City of Clinton a proposition for their acceptance or rejection of an amendment to the Charter of the City of Clinton, Oklahoma, as follows:

SECTION 2: Article 6, Section 6-1 of the Charter shall be amended to read as follows:

> At the elections in every even-numbered year, the mayor, the councilman from ward two, and the councilman from ward four shall be elected. At the elections in every odd-numbered year, the councilman from ward one and the councilman from ward three shall be elected. The mayor and other councilmen shall serve for terms of two years beginning at 5:30 o'clock P.M. at the first regular meeting following their election. If the mayor-elect or a councilman-elect fails to qualify within one month thereafter, his office shall become vacant, and the vacancy shall be filled as other vacancies in the council are filled.
>
> The candidates for mayor shall be nominated, and the mayor shall be elected, at large, by the qualified electors of the entire city. Candidates for councilmen from the wards must be qualified electors of their respective wards. Candidates for

councilmen from the wards shall be nominated, and councilmen from the wards shall be elected, by the qualified electors of their respective wards.

Both the primary and the general election shall be nonpartisan; and no party designation or emblem shall be placed on the ballots.

SECTION 3: Article 6, Section 6-2 of the Charter shall be amended to read as follows:

Any qualified candidate shall have his or her name placed on the ballot for the primary election as a candidate for mayor or councilman by filing a sworn declaration of candidacy with the county election board during the filing period set by resolution of the council. The filing period shall conform as nearly as practical to state law and shall not begin less than fifteen (15) days from the date the resolution is submitted to the county election board and end no less than seventy-five (75) days from the date of the primary election.

SECTION 4: The provisions of the Charter Amendment shall be effective immediately upon approval of the Governor.

SECTION 5: The provisions of this Amendment shall be cumulative and in addition to any and all other taxing provisions of the City Charter.

SECTION 6: The provisions of these Charter Amendments are severable and if any part or provision thereof shall be determined invalid, such determination shall not affect or impair any of the remaining parts or provisions hereof.

PASSED AND APPROVED this 3 day of February, 2015.

ORDINANCE NO. 955A

AN ORDINANCE AMENDING SECTION 3-2-7 OF THE "CITY OF CLINTON SALES TAX CODE", OF THE CITY OF CLINTON, OKLAHOMA, AS AMENDED, BY PROVIDING FOR CONTINUING THE LEVY AND COLLECTION OF A NINETY-FIVE HUNDREDTHS PERCENT (0.95%) SALES TAX; PROVIDING FOR THE PURPOSE THEREOF; PROVIDING EFFECTIVE DATE; PROVIDING THE PROVISIONS ARE CUMULATIVE; AND PROVIDING FOR SEVERABILITY

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLINTON, OKLAHOMA:

SECTION 1. Subsection B of 3-2-7 of the City of Clinton Sales Tax Code levied an additional one percent (1%) Sales tax, effective April 1, 2005; which is set to cease collection on March 31, 2011, except for five hundredths percent (0.05%) which is perpetually dedicated to the operation and maintenance of Acme Brick Park; and was amended on September 15, 2011 to recapture the .95% which had lapsed and took effect on October 1, 2011.

Subsection B of 3-2-7 of the City of Clinton Sales Tax Code is hereby amended, effective September 1, 2019, by replacing "October 1, 2011" with "October 1, 2019" anywhere it appears in Subsection B and by replacing "August 31, 2019" with "December 31, 2044".

Subsection (B)(2) of 3-2-7 of the City of Clinton Sales Tax Code is hereby amended, effective October 1, 2019 by replacing "Fifty two percent (52%) for the purpose of repairs and rehabilitation of the city of Clinton police department and fire department facilities, including potential expansion, demolition, and construction; Forty percent (40%) for the continued debt service at Acme Brick Park; Eight percent (8%) for future economic development within the city" with "Eighty-five percent (85%) of the proceeds shall be applied to the continued debt service of constructing a water treatment plant and assorted facilities and infrastructure and Fifteen percent (15%) shall be paid into the City's Economic Development Fund; unless the Bond issue pays off prior to termination of this Sales tax, at which time proceeds shall be allocated 25% to repair, maintenance and refurbishment of the water treatment plant and 75% to the general fund."

SECTION 2. It hereby is declared to be the purpose of the revenues provided by the ninety-five hundredths percent (0.95%) Sales tax extended by this Ordinance to provide revenues for the following purposes:

1. Eighty-five percent (85%) of the proceeds shall be applied to the continued debt service of constructing a water treatment plant and assorted facilities and infrastructure and Fifteen percent (15%) shall be paid into the City's Economic Development Fund; unless the Bond issue pays off prior to termination of this sales tax, at which time proceeds shall be allocated 25% to repair, maintenance and refurbishment of the water treatment plant and 75% to the general fund.

SECTION 3. This Ordinance shall become and be effective only after approval by a majority of the qualified electors of the City of Clinton, Oklahoma, voting on the proposition of approving the same in the manner prescribed by law. The levy of the aforesaid sales tax shall continue on and after October 1, 2019 until December 31, 2044.

SECTION 4. The provisions hereof shall be cumulative and in addition to any and all other taxing provisions of City Ordinances.

SECTION 5. The provisions of this Ordinance are severable, and if any part or provision hereof shall be adjudged invalid by any court of competent jurisdiction, such adjudication shall not affect or impair any of the remaining parts or provisions hereof.

COMMUNITY DEVELOPMENT BLOCK GRANT
COMMUNITY REVITALIZATION

CITY OF CLINTON CITIZEN PARTICIPATION PLAN

The City of Clinton intends to implement a citizen participation program for its Community Development Block Grant (CDBG) application process to accomplish the following objectives:

A. Provide for and encourage citizen participation, particularly by low and moderate income persons who reside in areas where CDBG funds are proposed to be used. This will be accomplished by:

1. Providing frequent and timely public notice of CDBG program activities in the local newspaper and by posting at City Hall/County Courthouse.

2. Adopting a comprehensive CDBG Statement of Needs.

3. Conducting a Special Public Hearing to inform citizens of the proposed CDBG project and authorizing the Mayor to sign a CDBG application in a formal Council meeting.

B. Ensure that citizens will be given reasonable and timely access to local meetings, information, and records relating to proposed and actual use of funds, including, but not be limited to:

1. The amount of CDBG funds to be made available for the current fiscal year, if the proposed project is approved.

2. The range of activities that may be undertaken with those funds.

3. The estimated amount of those funds proposed to be used for activities that will benefit low and moderate income persons.

4. The proposed CDBG activities likely to result in displacement and any anti-displacement and relocation plans developed by City of Clinton in accordance with Section 104(d)(1) and (2) of the Act.

5. The basis on which City of Clinton may provide technical assistance to groups representative of persons of low and moderate income that may request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of City of Clinton and does not necessarily include providing funding to such groups.

6. This requirement will be accomplished by discussing the CDBG proposal during regular Council meetings and in one formal public hearing prior to the submittal of the Cityof Clinton CDBG application. During the hearing the five (5) items listed above will be explained to the public. Records of the CDBG process will be maintained in the City Hall/County Courthouse of City of Clinton by the Clerk and will be available upon request for review by the public. A brief summary of the proposed CDBG project will be available for public review after the Council has made its final selection.

COMMUNITY DEVELOPMENT BLOCK GRANT
COMMUNITY REVITALIZATION

C. Provide for a minimum of two (2) public hearings; one (1) prior to submission of the application for funding of the project for the purpose of obtaining citizen views and formulating or responding to proposals and questions, and the other end of the grant period if City of Clinton receives funding, that discusses City of Clinton accomplishments in relation to initial plans. The application stage hearing will include discussion of CDBG needs, and the development of activities being proposed for CDBG funding. There will be reasonable notice of all hearings, which will be scheduled for times and locations convenient to the potential and actual beneficiaries and which will accommodate the handicapped. Regularly scheduled Council meetings will not be used for this purpose.

1. This requirement will be met through scheduling a Special Public Hearing to discuss City of Clinton CDBG proposal. At this hearing, the proposed project will be reviewed for the public and further citizen input will be solicited. Notice will be given seven (7) to ten (10) days in advance of this hearing in the City of Clinton and by posting at the City Hall/County Courthouse. The hearing will be held in the early evening so those citizens who work may attend. A second hearing will be held at the end of the grant period if City of Clinton is funded in the CDBG process.

D. Meet the needs of non-English speaking residents in those instances where a significant number of non-English speaking residents can reasonably be expected to participate in the CDBG process. For example: City of Clinton does not currently have a significant population of non-English speaking citizens. However, every effort will be made to accommodate the needs of any non-English speaking citizens who wish to participate.

E. Provide citizens with reasonable advance notice of, and opportunity to comment on, proposed activities not previously described in City of Clinton funding request and on activities which are proposed to be deleted or substantially changed in terms of purpose, scope, location or beneficiaries.

The proposed seven (7) to ten (10) day notice for all public meetings and hearings in connection with City of Clinton CDBG application process is believed by City of Clinton to afford citizens with reasonable advance notice. In addition, if any change is proposed to the purpose, scope, location, or beneficiaries of the proposed project or if the CDBG project budget changes by more than 25%, the public will be notified and afforded an opportunity for additional input.

F. Provide the place, telephone number, and times when citizens are able to submit written complaints or grievances and the process City of Clinton will use to provide a timely, written response to such complaints or grievances. For example: Citizens with comments or grievances on the CDBG process may submit them in writing or in person at the City Hall/County Courthouse during regular business hours or may call (phone number). The City of Clinton will respond to such comments or grievances within fifteen (15) working days, where practicable.

By formally adopting this Citizen Participation Plan, the Clinton City Council/Board of Commissioners accepts the responsibility for implementing its provisions. The Council further charges all employees and contractors with the responsibility of implementing this plan and living up to the spirit of the citizen participation requirements of the CDBG program.
