4C. CONSIDER PURCHASING CARD PROGRAM

City Treasurer Debra Blanchard explained the proposed purchasing card program. She stated that cards would be issued to city employees to use for purchases with vendors who accept credit card purchases. She said this process would eliminate manual posting and would work with the City's current software Incode. She reported the benefits to the program were: rebates, no transaction fees, internal controls set by administration.

Blanchard said that reviews of the Policy and Procedures along with a Card Holder Agreement are being conducted.

Councilman Hulin asked if there would be tiers of spending authority to different card holders.

City Manager Mark Skiles said this would be a process of trial and error but does provide the City with flexibility and eliminates some risks. He said this is not a new concept and is currently used in several communities.

Councilman Hulin asked if there are any disadvantages to the program.

Treasurer Blanchard said she has not seen the program in action yet but warned that Department Heads will have a great amount of responsibility and must work within the time requirements.

Councilman Hulin said that vendors will get paid quicker with this program.

Treasurer Blanchard said that purchase orders would still be used as not everyone accepts credit cards. She said the current purchasing policy will need to be amended. She said that two claims lists will be generated. The list of purchases using the purchasing card and the current purchase order claim list will both be prepared. She said this program is no cost to the City.

City Manager Mark Skiles said this is an introduction to the program. He said following the review of the policies, the documents will be brought back to the Council for action.

RESOLUTION NO. 846

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLINTON APPROVING AN AMENDED AND RESTATED TRUST INDENTURE FOR THE OKLAHOMA MUNICIPAL RETIREMENT FUND; PROVIDING AMENDMENTS TO THE TRUST TO AUTHORIZE DAILY VALUATIONS AND DAILY ACCOUNTING FOR ASSETS WITHIN THE MASTER DEFINED CONTRIBUTION PLANS ADMINISTERED BY OKLAHOMA MUNICIPAL RETIREMENT FUND; PROVIDING FOR DAILY VALUATION OF PARTICIPANT ACCOUNTS IN THE DEFINED CONTRIBUTION PLANS ADMINSTERED BY OKLAHOMA MUNICIPAL RETIREMENT FUND AND PROVIDING PROCEDURES AND RULES FOR ACCOUNTING OF SUCH ASSETS; PROVIDING FOR EFFECTIVE DATE OF AMENDED AND RESTATED TRUST INDENTURE AND CONTINUING EXISTING TRUST AS AMENDED IN FULL FORCE AND EFFECT.

Proposed
Amendment, Restatement and Continuation
Trust Indenture explanation

Each Oklahoma Municipal Retirement Fund (OkMRF) member operates under two documents – the *Master Plan Document with Joinder Agreement* and the *Trust Indenture*. The Trust Indenture provides for the organization and administrative procedures of the OkMRF **trust**. In order for any changes to be made to the Trust Indenture, two-thirds of the OkMRF membership must approve the change.

Before you is a request from the OkMRF trustees to approve an Amended and Restated Trust Indenture. The change does not directly impact the Defined Benefit (DB) plans or any pension benefits. It does impact members with Defined Contribution (DC) and related Customized Manager Option (CMO) plan(s). Yet, it requires each of you to consider a **resolution ballot** to secure the two-thirds vote.

Up until this proposed amendment, the applicable rules for DB, DC and CMO members were identical. With the amendment before you, OkMRF is suggesting separate accounting rules for the Defined Contribution Systems. This would be a favorable and welcomed change to enable DC/CMO participants to obtain their individual balances on a daily basis rather than monthly.

DB Members action required:
After voting and returning the enclosed resolution on the Trust Indenture amendment, there will be no further action needed.

DC and CMO Members further action required:
After voting and returning the enclosed resolution on the Trust Indenture amendment, provided amendment passes, the trust Administrator will then forward a related Master Plan Document with Joinder Agreement that will need to be presented to your governing body for approval and signature. The revised Master Plan with Joinder Agreement will include the updated IRS approved plan document along with necessary changes to implement daily recordkeeping.

The affected sections as outlined and explained on the attached **MEMORANDUM** are also highlighted for your convenience on the Trust Indenture attached to the Resolution as **Exhibit "1"** and will go into effect at a later date which will be certified by the OkMRF Trustees after:

- Two-third majority vote is secured;
- Contracts for daily recordkeeping with related vendors are properly in place; and
- Individual DC and CMO Master Plans with Joinder Agreements are signed and received.

Enclosed please find a resolution which should be submitted to your Retirement Committee (governing body) for approval o**n your next available Council/Board meeting date**. A certified copy of the resolution needs to be returned to the OkMRF offices on or by May 15, 2015. When necessary votes are received and effective date certified, we will forward the updated Trust Indenture document for your files.

Thank-you for taking the time to have your governing body address this simple but important change. OkMRF is super excited to effect this type of change for DC/CMO plan participants to have account balances, distributions, loans, etc. updated and processed more frequently.

Please call Jodi Cox, Chris Whatley or Kari Baser with any questions you might have at ext. 102, 103 and 104, respectively.

Agenda Commentary

Item Title/ Subject: Street Sweeper

Staff Source: Donald Webb, Public Works Director

History/Background Information: The current Sweeper is a 2002 Freightliner Chassis with 45,480 miles on it. The Sweeper is a Johnson with 8,815 hours, that is currently in need of a pony motor and a shuttle drive. The estimated cost to repair is around $30,000.00.

Item/Subject Summary: Due to the extensive damage to the current Sweeper we asked vendors for quotes on replacing the Sweeper unit on our chassis as well as on new Sweepers. We also asked the vendors for quotes on rental units. The quoted price for putting a Sweeper unit on our chassis was around $140,000.00 with an 8 week lead time. The price of a rental unit is $8,500.00/ month.

Price/Cost: We had 3 quotes returned to us on different Sweepers ranging in the price from $199,403.00 to $171,500.00.

Recommendation: The City needs a Street Sweeper in operation to help keep the City's appearance neat. I recommend we choose the Tymco Sweeper and the Lease Purchase Agreement.

OKLAHOMA LEASE-PURCHASE AGREEMENT

THIS OKLAHOMA LEASE-PURCHASE AGREEMENT **No.6976** (hereafter referred to as "Agreement") dated as of **April 7, 2015,** by and between **Government Capital Corporation**, a Texas corporation (herein referred to as "Lessor"), and **City of Clinton**, a political subdivision or agency of the State of Oklahoma (hereinafter referred to as "Lessee").

WITNESSETH: In consideration of the mutual covenants and conditions hereinafter set forth, the parties hereto agree as follows:

1. Term and Payments. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the property described in Exhibit A hereto (hereinafter, with all replacement parts, substitutions, proceeds, increases, additions, accessions, repairs and accessories incorporated therein or affixed thereto, referred to as the "Property") for the amounts to be paid in the sums (the "Lease Payments") and on the dates (the "Lease Payment Dates") set forth in Exhibit B hereto. Except as specifically provided herein, the obligation of the Lessee to make the Lease Payments called for in Exhibit B hereto shall be absolute and unconditional in all events and shall not be subject to any set-off, defense, counterclaim or recoupment for any reason. This Agreement will become effective upon the execution hereof by Lessee and Lessor and upon approval of the Agreement by the Board of the Lessee. The term of this Agreement will extend for the Lessee's 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, and 2020-2021 fiscal years only if mutually ratified by Lessee and Lessor for each of those fiscal years. In accordance with 62 O. S. Section 430.1, continuation of this Agreement past the current 2014-15 fiscal year is dependent upon mutual ratification by Lessee and Lessor. All rights afforded under title 62 O. S. Section 430.1 of Oklahoma law are incorporated in this agreement by reference. The Lessee agrees the Board of Lessee will take action to ratify or not ratify this Agreement for the next ensuing fiscal year at its regular July meeting and to notify Lessor as to whether the Agreement is ratified or not ratified for the next ensuing fiscal year. The Lessor hereby ratifies the continuation of the Agreement through the fiscal year ending June 30, 2021. The Lessor and Lessee agree that under no circumstances will the Agreement be extended beyond the fiscal year ending June 30, 2021. Lessee will evidence its acceptance of the Property by executing and delivering to Lessor a Certificate of Acceptance (hereinafter so called) in the form provided by Lessor.

2. Non-Appropriation and Right of Termination. The obligations of Lessee to make Lease Payments (called for in Exhibit B) and to make any other payments to Lessor (or to any other person) pursuant to this Agreement are subject to appropriation by the Lessee of funds that are lawfully available to be applied for such purpose. If Lessee fails to make such an appropriation prior to a fiscal period of Lessee, for the Lease Payments scheduled in such fiscal period, Lessor may terminate this Agreement. Lessee may terminate this Agreement by providing written notice of such termination to Lessor following its regular July Board meeting. Upon any such termination of this Agreement, all of Lessee's rights, title and interest in and its obligation under this Agreement and to the Property shall terminate effective on the last day of the last fiscal period of Lessee for which such an appropriation was made. If Lessee ratifies and renews this Agreement for a subsequent fiscal year, Lessee agrees to encumber the required funds to make the Lease Payments due hereunder at the first meeting of Lessee's Board in July of the then current fiscal year by approving an appropriate purchase order for this Agreement.

3. Taxes. Lessee shall keep the Property free and clear of all levies, liens and encumbrances except those created under this Agreement. Lessee shall pay, when due, all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Property, excluding, however, all taxes on or measured by Lessor's income. If Lessee fails to pay said charges and taxes when due, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. If Lessor pays any charges or taxes for which Lessee is responsible or liable under this Agreement, Lessee shall promptly reimburse Lessor therefor.

4. Lessee's Covenants and Representations. Lessee covenants and represents as follows:

(a) Lessee represents, and will provide an opinion of its counsel to the effect that, it has full power and authority to enter into this Agreement which has been duly authorized, executed, and delivered by Lessee and is a valid and binding obligation of Lessee enforceable in accordance with its terms, and all requirements for execution, delivery and performance of this Agreement have been, or will be, complied with in a timely manner;

(b) All Payments hereunder have been, and will be, duly authorized and paid when due out of funds then on hand and legally available for such purposes; Lessee will, to the extent permitted by State law and other terms and conditions of this Agreement, include in its budget for each successive fiscal period during the term of this Agreement a sufficient amount to permit Lessee to discharge all of its obligations hereunder, and Lessee has budgeted and available for the current fiscal period sufficient funds to comply with its obligations hereunder;

(c) There are no pending or threatened lawsuits or administrative or other proceedings contesting the authority for, authorization of performance of, or expenditure of funds pursuant to, this Agreement;

(d) Information supplied and statements made by Lessee in any financial statement or current budget prior to or contemporaneously with the Agreement are true and correct;

(e) Lessee has an immediate need for, and expects to make immediate use of, substantially all the Property, which need is not temporary or expected to diminish in the foreseeable future; specifically Lessee will not give priority or parity in the appropriation of funds for the acquisition or use of any additional property for purposes or functions similar to those of the Property.

(f) There are no circumstances presently affecting the Lessee that could reasonably be expected to alter its foreseeable need for the Property or adversely affect its ability or willingness to budget funds for the payment of sums due hereunder; and

(g) Lessee's right to terminate this Agreement as specified in Sections 1 and 2 hereof was not an independently bargained for consideration, but was included solely for the purpose of complying with the requirements of the laws of the State in which Lessee is located.

(h) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time during the past ten (10) years has been terminated by Lessee as a result of insufficient funds being appropriated in any Fiscal Year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.

(i) Lessee will pay the Lease Payment Due by check, wire transfer, or ACH only.

5. Use and Licenses. Lessee shall pay and discharge all operating expenses and shall cause the Property to be operated by competent persons only. Lessee shall use the Property only for its proper purposes and will not install, use, operate or maintain the Property improperly, carelessly, or in violation of any applicable law, ordinance, rule or regulation of any governmental authority, or in a manner contrary to the nature of the Property or the use contemplated by its manufacturer. Lessee shall keep the property at the location stated on the Certificate of Acceptance executed by Lessee upon delivery of the Property until Lessor, in writing, permits its removal, and the Property shall be used solely in the conduct of the Lessee's operations. Lessee shall obtain, at its expense, all registrations, permits and licenses, if any, required by law for the installation and operation of the Property. If applicable, any license plates used on the Property shall be issued in the name of the Lessee. If a certificate of title is issuable with respect to the Property, it shall be delivered to the Lessor showing the interest of the Lessor.

6. Maintenance. Lessor shall not be obligated to make any repairs or replacements. At its own expense, Lessee shall service, repair and maintain the Property in as good condition, repair, appearance and working order as when delivered to Lessee hereunder, ordinary wear and tear from proper use alone excepted, and shall replace any and all parts thereof which may from time to time become worn out, lost, stolen, destroyed, or damaged beyond repair or rendered unfit for intended use, for any reason whatsoever, all of which replacements shall be free and clear of all liens, encumbrances and claims of others and shall become part of the Property and subject to this Agreement. Lessor may, at its option, discharge such costs, expenses and insurance premiums necessary for the repair, maintenance and preservation of the Property, and all sums so expended shall be due from Lessee in addition to rental payments hereunder.

7. Alterations.

(a) Lessee may, at its own expense, install or place in or on, or attach or affix to, the Property such equipment or accessories as may be necessary or convenient to use the Property for its intended purposes provided that such equipment or accessories do not impair the value or utility of the Property. All such equipment and accessories shall be removed by Lessee upon termination of this Agreement, provided that any resulting damage shall be repaired at Lessee's expense. Any such equipment or accessories not removed shall become the property of Lessor.

(b) Without the written consent of Lessor, Lessee shall not make any other alterations, modifications or improvements to the Property except as required or permitted hereunder. Any other alterations, modifications or improvements to the Property shall immediately become part of the Property, subject to the provisions hereof. Without the prior written consent of Lessor, Lessee shall not affix or attach any of the Property to any real property. The Property shall remain personal property regardless of whether it becomes affixed or attached to real property or permanently rests upon any real property or any improvement thereon.

8. Liens. Lessee shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, security interest, pledge, lien, charge, encumbrance or claim on or with respect to the Property, title thereto or any interest therein, except the respective rights of Lessor and Lessee hereunder.

9. Damage to or Destruction of Property. Lessee shall bear the entire risk of loss, damage, theft or destruction of the Property from any and every cause whatsoever, and no loss, damage, destruction or other event shall release Lessee from the obligation to pay the full amount of the rental payments or from any other obligation under this Agreement. In the event of damage to any item of the Property, Lessee will immediately place the same in good repair, with the proceeds of any insurance recovery applied to the cost of such repair. If Lessor determines that any item of Property is lost, stolen, destroyed or damaged beyond repair, Lessee, at the option of Lessee, will either **(a)** replace the same with like property in good repair or **(b)** on the next Lease Payment Date, pay Lessor ***(i)*** all amounts then owed by Lessee to Lessor under this Agreement, including the Lease Payment due on such date, and ***(ii)*** an amount equal to the applicable Option to Purchase Value set forth in Exhibit B.

10. Insurance. Lessee shall either be self-insured with regard to the Property or shall purchase and maintain insurance with regard to the Property. Lessee shall indicate on each Certificate of Acceptance executed in relation to this Agreement its election to be self-insured or company insured with regard to the Property listed on that Certificate of Acceptance. Whether Lessee is self-insured or company insured, Lessee shall, for the term of this Agreement, at its own expense, provide comprehensive liability insurance with respect to the Property, insuring against such risks, and such amounts as are customary for lessees of property of a character similar to the Property. In addition, Lessee shall, for the term of this Agreement, at its own expense, provide casualty insurance with respect to the Property, insuring against customary risks, coverage at all times not less than the amount of the unpaid principal portion of the Lease Payments required to be made pursuant to Section 1 as of the last preceding Payment Date specified in Exhibit B on which a Lease Payment was made. If insurance policies are provided with respect to the Property, all insurance policies shall be with insurers authorized to do business in the State where the Property is located and shall name both Lessor and Lessee as insureds as their respective interest may appear. Insurance proceeds from casualty losses shall be payable solely to the Lessor, subject to the provisions of Section 9. Lessee shall, upon request, deliver to Lessor evidence of the required coverages together with premium receipts, and each insurer shall agree to give Lessor written notice of non-payment of any premium due and ten (10) days notice prior to cancellation or alteration of any such policy. Lessee shall also carry and require any other person or entity working on, in or about the Property to carry workmen's compensation insurance covering employees on, in or about the Property.

11. No Warranty. EXCEPT FOR REPRESENTATIONS, WARRANTIES, AND SERVICE AGREEMENTS RELATING TO THE PROPERTY MADE OR ENTERED INTO BY THE MANUFACTURERS OR SUPPLIERS OF THE PROPERTY, ALL OF WHICH ARE HEREBY ASSIGNED TO LESSEE, LESSOR HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AND ASSUMES NO OBLIGATION WITH RESPECT TO THE TITLE, MERCHANTABILITY, CONDITION, QUALITY OR FITNESS OF THE PROPERTY DESCRIBED IN EXHIBIT A FOR ANY PARTICULAR PURPOSE OR THE CONFORMITY OF THE PROPERTY TO SPECIFICATION OR PURCHASE ORDER, ITS DESIGN, DELIVERY, INSTALLATION OR OPERATION. All such risks shall be borne by Lessee without in any way excusing Lessee from its obligations under this Agreement, and Lessor shall not be liable to Lessee for any damages on account of such risks. All claims or actions on any warranty so assigned shall be made or prosecuted by Lessee, at its sole expense, upon prior written notice to Lessor. Lessor may, but shall have no obligation whatsoever to, participate in such claim or action on such warranty, at Lessor's expense. Any recovery under such a warranty shall be made payable jointly to Lessee and Lessor.

12. Purchase Option/Payment. Upon payment of the purchase price, plus interest as provided on Exhibit B, the Property shall belong to the Lessee and the Lessor shall execute and deliver a Quit Claim Bill of Sale to the Lessee conveying the Property "as is", but free and clear of any lien, encumbrance, or security interest created or permitted and not discharged by Lessor. The Lessee shall have an option to purchase the Property in whole but not in part, upon sixty (60) days written notice to Lessor by payment of the then applicable purchase price, plus interest, according to the attached Exhibit B. However, should Lessee have no purchase option or right to prepay the Lease according to the Option to Purchase column of the attached Exhibit B, any attempt to do so shall constitute an Event of Default.

13. Default and Lessor's Remedies.

(a) The occurrence of one or more of the following events shall constitute an Event of Default, whether occurring voluntarily or involuntarily, by operation of law or pursuant to any order of any court or governmental agency:

(1) Lessee fails to make any payment hereunder when due or within ten (10) days thereafter;

(2) Lessee fails to comply with any other covenant, condition or agreement of Lessee hereunder for a period of the ten (10) days after notice thereof;

(3) Any representation or warranty made by Lessee hereunder shall be untrue in any material respect as of the date made;

(4) Lessee makes, permits or suffers any unauthorized assignment, transfer or other disposition of this Agreement or any interest herein, or any part of the Property or any interest therein; or

(5) Lessee becomes insolvent; or admits in writing its inability to pay its debts as they mature; or applies for, consents to or acquiesces in the appointment of a trustee, receiver or custodian for the Lessee or a substantial part of its property; or, in the absence of such application, consent or acquiescence, a trustee, receiver or custodian is appointed for Lessee or a substantial part of its property and is not discharged within sixty (60) days; or any bankruptcy, reorganization, debt arrangement, moratorium, or any proceeding under any bankruptcy or insolvency law, or any dissolution or liquidation proceeding is instituted by or against Lessee and, if instituted against Lessee, is consented to or acquiesced in by Lessee or is not dismissed within sixty (60) days.

(b) Upon the occurrence of any Event of Default specified herein, Lessor may, at its sole discretion, exercise any or all of the following remedies:

(1) Enforce this Agreement by appropriate action to collect amounts due or to become due hereunder, by acceleration or otherwise, or to cause Lessee to perform its other obligations hereunder in which event Lessee shall be liable for all costs and expenses incurred by Lessor;

(2) Take possession of the Property, without demand or notice and without court order or any process of law, and remove and relet the same for Lessee's account, in which event Lessee waives any and all damages resulting therefrom and shall be liable for all costs and expenses incurred by Lessor in connection therewith and the difference, if any, between the amounts to be paid pursuant to Section 1 hereof and the amounts received and to be received by Lessor in connection with any such reletting;

(3) Terminate this Agreement and repossess the Property, in which event Lessee shall be liable for any amounts payable hereunder through the date of such termination and all costs and expenses incurred by Lessor in connection therewith;

(4) Sell the Property or any portion thereof for Lessor's account at public or private sale, for cash or credit, without demand on notice to Lessee of Lessor's intention to do so, or relet the Property for a term and a rental which may be equal to, greater than or less than the rental and term provided herein. If the proceeds from any such sale or rental payments received under a new agreement made for the periods prior to the expiration of this Agreement are less than the sum of ***(i)*** the costs of such repossession, sale, relocation, storage, reconditioning, reletting and reinstallation (including but not limited to reasonable attorneys' fees), ***(ii)*** the unpaid principal balance derived from Exhibit B as of the last preceding Lease Payment Date specified in Exhibit B, and ***(iii)*** any past due amounts hereunder (plus interest on such unpaid principal balance at the rate specified in Section 19 hereof, prorated to the date of such sale), all of which shall be paid to Lessor, Lessor shall retain all such proceeds and Lessee shall remain liable for any deficiency; or

(5) Pursue and exercise any other remedy available at law or in equity, in which event Lessee shall be liable for any and all costs and expenses incurred by Lessor in connection therewith. "Costs and expenses," as that term is used in this Section, shall mean, to the extent allowed by law: ***(i)*** reasonable attorneys' fees if this Agreement is referred for collection to an attorney not a salaried employee of Lessor or the holder of this Agreement; ***(ii)*** court costs and disbursements including such costs in the event of any action necessary to secure possession of the Property; and ***(iii)*** actual and reasonable out-of-pocket expenses incurred in connection with any repossession or foreclosure, including costs of storing, reconditioning and reselling the Property, subject to the standards of good faith and commercial reasonableness set by the applicable Uniform Commercial Code.

(6) Under no circumstances shall Lessee be liable under this subsection (b) for any amount in excess of the sum appropriated pursuant to Section 1 hereof for the previous and current fiscal years, less all amounts previously due and paid during such previous and current fiscal years from amounts so appropriated.

14. Termination. Unless Lessee has properly exercised its option to purchase pursuant to Section 12 hereof, Lessee shall, upon any earlier termination hereof pursuant to the terms of this Agreement, surrender the Property to Lessor unencumbered and in at least as good condition and repair as when delivered to Lessee, ordinary wear and tear resulting from proper use alone excepted.

15. Assignment. Without Lessor's prior written consent, Lessee will not either ***(i)*** assign, transfer, pledge, hypothecate, grant any security interest in or otherwise dispose of this Agreement or the Property or any interest in this Agreement or the Property; or ***(ii)*** sublet or lend the Property or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor may assign its rights, title and interest in and to this Agreement, the Property and any other documents executed with respect to this Agreement and/or grant or assign a security interest in this Agreement and the Property, in whole or in part. Any such assignees shall have all of the rights of Lessor under this Agreement. Subject to the foregoing, this Agreement inures to the benefit of and is binding upon the heirs, executors, administrators, successors and assigns of the parties hereto. No assignment or reassignment of any of Lessor's rights, title or interest in this Agreement or the Property shall be effective with regard to Lessee unless and until Lessee shall have received a copy of the document by which the assignment or reassignment is made, disclosing the name and address of such assignee. No further action will be required by Lessor or by Lessee to evidence the assignment. During the term of this Agreement, Lessee shall keep a complete and accurate record of all such assignments in form necessary to comply with the United States Internal Revenue Code of 1986, Section 149 (a), and the regulations, proposed or existing, from time to time promulgated thereunder.

16. Personal Property. The Property is and shall at all times be and remain personal property.

17. Title. Lessor or its assignee will retain title to the Property during the lease term. Title to the Property will pass to Lessee upon (and only upon) Lessee's exercise of the purchase option provided in Section 12 hereof and the complete payment and performance by Lessee of all of Lessee's obligations under this Agreement, and in such case Lessor agrees to execute such instruments and do such things as Lessee reasonably requests in order to effectuate the passage of title to Lessee.

18. Lessor's Right to Perform for Lessee. If Lessee fails to make any payment or perform or comply with any of its covenants or obligations hereunder, Lessor may, but shall not be required to, make such payment or perform or comply with such covenants and obligations on behalf of Lessee, and the amount of any such payment and the expenses (including but not limited to reasonable attorneys' fees) incurred by Lessor in performing or complying with such covenants and obligations, as the case may be, together with interest thereon at the highest lawful rate, shall be payable by Lessee upon demand.

19. Interest on Default. If Lessee fails to pay any Lease Payment specified in Section 1 hereof within ten (10) days after the due date thereof, Lessee shall pay to Lessor interest on such delinquent payment from the due date until paid at the highest lawful rate.

20. Notices. Any notices to be given or to be served upon any party hereto in connection with this Agreement must be in writing and may be given by certified or registered mail, and shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail, and if given otherwise shall be deemed to have been given when delivered to and received by the party to whom it is addressed. Such notice shall be given to the parties at their respective addresses designated on the signature page of this Agreement or at such other address as either party may hereafter designate.

21. Tax Exemption. Lessee certifies that it does reasonably anticipate that not more than $10,000,000 of "qualified tax-exempt obligations," as that term is defined in Section 265 (b) 3 (D) of the Internal Revenue Code of 1986 ("the Code"), will be issued by it and any subordinate entities during 2015. Further, Lessee designates this issue as comprising a portion of the $10 million in aggregate issues to be designated as "qualified tax exempt obligations" eligible for the exception contained in Section 265 (b) 3 (D) of the Code allowing for an exception to the general rule of the Code which provides for a total disallowance of a deduction for interest expense allocable to the carrying of tax exempt obligations.

22. Continuing Disclosure. Specifically and without limitation, Lessee agrees to provide audited financial statements, prepared by a certified public accountant not later than six (6) months after and as of the end of each fiscal year. Periodic financial statements shall include a combined balance sheet as of the end of each such period, and a combined statement of revenues, expenditures and changes in fund balances, from the beginning of the then fiscal year to the end of such period. These reports must be certified as correct by one of Lessee's authorized agents. If Lessee has subsidiaries, the financial statements required will be provided on a consolidated and consolidation basis.

23. Miscellaneous.

(a) Lessee shall, whenever requested, advise Lessor of the exact location and condition of the Property and shall give the Lessor immediate notice of any attachment or other judicial process affecting the Property. Lessor may, for the purpose of inspection, at any reasonable time during regular business hours enter upon any job, building or place where the Property and the books and records of the Lessee with respect thereto are located.

(b) Lessee agrees to equitably adjust the payments payable under this Agreement if there is a determination for any reason that the interest payable pursuant to this Agreement (as incorporated within the schedule of payments) is not excludable from income in accordance with the Internal Revenue Code of 1986, as amended, such as to make Lessor and its assigns whole.

(c) Time is of the essence. No covenant or obligations hereunder to be performed by Lessee may be waived except by the written consent of Lessor, and a waiver of any such covenant or obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation as to any other occasion and shall not preclude Lessor from invoking such remedy at any later time prior to Lessee's cure of the condition giving rise to such remedy. Lessor's rights hereunder are cumulative and not alternative.

(d) This Agreement shall be construed in accordance with, and governed by, the laws of the State in which the Property is located.

(e) This Agreement constitutes the entire agreement between the parties and shall not be modified, waived, discharged, terminated, amended, altered or changed in any respect except by a written document signed by both Lessor and Lessee.

(f) Any term or provision of this Agreement found to be prohibited by law or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without, to the extent reasonably possible, invalidating the remainder of this Agreement.

(g) The Lessor hereunder shall have the right at any time or times, by notice to Lessee, to designate or appoint any person or entity to act as agent or trustee for Lessor for any purposes hereunder.

(h) All transportation charges shall be borne by Lessor. Lessee will immediately notify Lessor of any change occurring in or to the Property, of a change in Lessee's address, or in any fact or circumstance warranted or represented by Lessee to Lessor, or if any Event of Default occurs.

(i) Use of the neutral gender herein is for purposes of convenience only and shall be deemed to mean and include the masculine or feminine gender whenever and wherever appropriate.

(j) The captions set forth herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

(k) Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, where permitted by this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the_____day of_____in 2015.

THIS OBLIGATION IS A PRESENT OBLIGATION OF THE LESSEE TO MAKE PAYMENTS AS DESCRIBED ON EXHIBIT B WITHOUT REGARD INCLUDING, BUT NOT LIMITED TO, FEDERAL, STATE AND OTHER GRANTS, GIFTS, ETC.

RE: Oklahoma Lease Purchase Agreement No.6976

Dear Lessor,

I have acted as Counsel to City of Clinton with respect to that certain Oklahoma Lease Purchase Agreement No.6976, by and between Government Capital Corporation as Lessor and City of Clinton as Lessee. I have reviewed the Agreement and such other documents, records and certificates of Lessee and appropriate public officials as I have deemed relevant and am of the opinion that:

1. The Lessee is a political subdivision or agency of the State of Oklahoma with the requisite power and authority to incur obligations, the interest on which is exempt from taxation by virtue of Section 103(a) of the Internal Revenue Code of 1986;

2. The execution, delivery and performance by the Lessee of the Agreement have been duly authorized by all necessary action on the part of the Lessee; and

3. The Agreement constitutes a legal, valid and binding obligation of the Lessee enforceable in accordance with its terms.

4. The above opinions may be relied upon by the Lessee, Lessor, or its Assigns.

Sincerely,

Attorney at Law

[AN ORDINACE TO IMPLIMENT WATER CONSERVATION PROCEDURES DURING PERIODS OF DROUGHT THROUGH EFFICIENT LANDSCAPE IRRIGATION; AND ESTABLISHING PENALTIES FOR VILOATINONS THEREOF]

BE IT ORDAINED BY THE COUNCIL OF CITY OF CLINTON, OKLAHOMA: Code of Ordinances, are hereby created to read:

WATER CONSERVATION ORDINANCE FOR LANDSCAPE IRRIGATION

Section 1. INTENT AND PURPOSE. It is the intent and purpose of this Ordinance to implement procedures that promote water conservation through more efficient landscape irrigation, during our drought conditions.

Section 2. DEFINITIONS.

For the purpose of this Article, the following terms, phrases, words and their derivatives shall have the meaning given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural include the singular, and words in the singular include the plural.

(a) "Address" means the house number of a physical location of a specific property. If a lot number in a mobile home park or similar community is used by the U.S. Postal Service to determine a delivery location, the lot number shall be the property's address. An "even numbered address" means an address ending in the numbers 0, 2, 4, 6, 8 or the letters A-M. An "odd numbered address" means an address ending in the numbers 1, 3, 5, 7, 9 or the letters N-Z.

(b) "City" means the City of Clinton.

(c) "Person" means any person, firm, partnership, association, corporation, company, or organization of any kind.

(d) "Landscape irrigation" means the outside watering of plants in a landscape such as shrubbery, trees, lawns, grass, ground covers, plants, vines, gardens and other such flora that are situated in such diverse locations as residential areas, public, commercial, and industrial establishments, and public medians and rights-of-way. "Landscape irrigation" does not include agricultural crops, nursery plants, cemeteries, golf course greens, tees, fairways, primary roughs, and vegetation associated with recreational areas such as playgrounds, football, baseball and soccer fields.

Section 3. LANDSCAPE IRRIGATION SCHEDULES.

1. The City Manager shall have the authority, with the advice and consent of the Council, to institute water conservation procedures in the following form. Landscape irrigation shall occur only in accordance with the following irrigation schedule:

a. Landscape irrigation at odd numbered addresses or no address may occur only on odd numbered days and shall not occur between 9:00 a.m. and 7:00 p.m.; and

b. Landscape irrigation at even numbered addresses may occur only on even numbered days and shall not occur between 9:00 a.m. and 7:00 p.m.; and

c.. No more than ¾ inch of water may be applied per irrigation zone on each day that irrigation occurs, and in no event shall irrigation occur for more than 1 hour per irrigation zone on each day that irrigation occurs.

d. There shall be no runoff or direct spray on hard surfaces.

Section 4. EXCEPTIONS TO THE LANDSCAPE IRRIGATION SCHEDULES.

Landscape irrigation shall be subject to the following irrigation schedule exceptions:

1. Irrigation of new landscape is allowed at any time of day on any day for the initial 30 days and every other day for the next 30 days for a total of one 60-day period, provided that the irrigation is limited to the minimum amount necessary for such landscape establishment.

2. Watering in of chemicals, including insecticides, pesticides, fertilizers, fungicides, and herbicides, when required by law, the manufacturer, or best management practices, is allowed at any time of day on any day within 24 hours of application. Watering in of chemicals shall not exceed ¼ inch of water per application except as otherwise required by law, the manufacturer, or best management practices.

4. Irrigation systems may be operated at any time of day on any day for maintenance and repair purposes not to exceed 5 minutes per hour per zone.

5. Irrigation using a hand-held hose equipped with an automatic shut-off nozzle is allowed at any time of day on any day.

Section 5. VARIANCE FROM SPECIFIC DAY OF THE WEEK LIMITATIONS. A variance from the specific landscape irrigation days or day set forth in Section 3 may be granted if strict application of the scheduled days or day would lead to unreasonable or unfair results in particular instances, provided that the applicant demonstrates with particularity that compliance with the scheduled days or day will result in a substantial economic, health or other hardship on the applicant requesting the variance or those served by the applicant. Where a contiguous property is divided into different zones, a variance may be granted hereunder so that each zone may be irrigated on different days or day than other zones of the property. However, in no event shall a variance allow a single zone to be irrigated more than two days per week. A petition must be filed with the City Clerk requesting a variance. The City Manager shall hear all applications within ten (10) days of the application being filed. An adverse decision of the City Manager may be appealed, in writing within ten (10) days, to be heard by the Council.

Section 6. APPLICATION OF ORDINANCE. The provisions of this Ordinance shall apply to each person located within the City of Clinton.

Section 7. ENFORCEMENT OFFICIALS. The Police Department is hereby authorized to enforce the provisions of this Ordinance. In addition, the City Manager may also delegate enforcement responsibility for this ordinance to agencies and department of city government.

Each day in violation of this Ordinance shall constitute a separate offense. Enforcement officials shall provide violators with no more than one written warning. In addition to the civil sanctions contained herein, the City may take any other appropriate legal action, including, but not limited to, injunctive action to enforce the provisions of this Article.

Section 9. CODIFICATION. This Ordinance shall be codified as described in 2-16 of the City Code.

Section 10. SEVERABILITY. If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any Court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this Ordinance.

WHEREAS, implementation of Ordinance No. 935, 935A and 935B have failed to properly address water shortage issues.

I. Section 3 of Ordinance 935B (Codified as 9-5-3), of the Clinton City Code of Ordinances, shall be amended as follows:

Section 3. WATER USE RESTRICTION

(2) Extraordinary Use Restrictions: Whenever an Emergency exists by reason of a shortage of water due to an inadequate supply; limited treatment or distribution capacity; failure of equipment or material; or mandatory reductions or rationing imposed by a State, Federal or Regulatory Agency or the Foss Master Conservancy District, the Authority is hereby authorized to impose, by restriction, additional restrictions or prohibitions on the use of water from the water system, including, but not limited to:

A. A total ban on the outdoor use of water for non-essential use, excluding watering by soaker hoses during the hours identified in 9-3-5(1). This shall include the possible removal or locking of all irrigation meters from residences and businesses.
