City Manager Mark Skiles said Boulevard of Champions is a dedicated street as it was accepted by the City Council from Mr. Schumacher. He explained that Treasurer Blanchard did not feel that the usage of TIF funds falls in the realms of acceptable expenditures for the TIF funds.

Schumacher said it is his understanding that the funds can only be spent in the TIF district and currently the payback is way ahead of the funding. He said this is not a large amount and it needs to be done right. He said he had bids from Circle S and Everett Musick for the job so there will be no overage charges.

Councilman Lowry said the businesses on Boulevard of Champions are a bid draw to the City and the work need to be done on the road.

Blanchard said that a claims list would still be presented to Council for approval but purchases made with a purchasing card would be paid prior to the Council approval. She said that a rebate would be calculated on the percentage based on the volume spent.

2. CONSIDER AND ADOPT RESOLUTION NO. 853 APPROVING THE PROPOSED FISCAL YEAR 2015-2016 BUDGET BEGINNING JULY 1, 2015 AND ENDING JUNE 30, 2016

City Manager Mark Skiles said the application for the CDBG grant for funding of police units had been denied so the revenue from the grant has been removed from the budget. He said the numbers presented in the proposed budget were pre-flood numbers and the Foss overage is monitored weekly and has been removed from the budget.

Councilman/Trustee Hulin asked about the number of police units to be purchased.

City Treasurer Blanchard said three units are included in the budget. She explained that one unit had been requested in 2014/2015 budget and two units were requested in the 2015-2016 budget for a total of three. She said that Chief Crabtree is ready to take out three units from service to be replaced.

Councilman/Trustee Hulin asked if the budget included anything additional for employees.

Councilman/Trustee Rodolph said that could be looked at in 4-5 months.

Councilman/Trustee Lowry asked about the funding for Robinson Addition,.

Councilman/Trustee Hulin asked why the Robinson Addition funding couldn't be used for employees.

Treasurer Blanchard said the funding for Robinson Addition comes from the Economic Development Fund and those funds can't be used for operational costs.

City Manager Mark Skiles said that the cost of employee increases would exceed the $141,000 declared for Robinson Addition.

Motion was made by Councilman/Trustee Rodolph and seconded by Councilman/Trustee Martinez to approve Resolution No. 853 approving the proposed Fiscal Year 2015-2016 budget beginning July 1, 2015 and ending June 30, 2016.
