SERVICE SOLUTION

Terms
These terms cover the services and equipment provided by Johnson Controls. This Agreement includes the proposal, these terms and any referenced links. Conflicts are resolved in that order.

Scope of Work
We will provide the services or equipment described in the proposal. If the services include planned maintenance of equipment, only the equipment set forth in our proposal is covered by our services (**"Covered Equipment"**). Unless otherwise agreed in the proposal, services are performed during our normal working hours, excluding holidays. We reserve the right to modify or substitute materials.

Payment Terms
Services fees are paid annually in advance due 30 days from the invoice date via EFT/ACH, unless stated otherwise. Payment is required before services are performed or equipment is ordered or installed. Failure to pay on time is a breach that permits us to suspend or delay services until full payment is received, without liability, or to terminate this Agreement. Interest may also be charged on unpaid amounts at the lesser of 1.5% per month (19.56% annually) or the highest rate permitted by law. If you require a purchase order to process payments, you must send it to us at least 30 days before the end of a term but you must pay invoices even without a purchase order. No purchase order is required for any emergency services you request.

Prices
Prices do not cover taxes, fees, duties, tariffs, permits and levies or other charges imposed and/or enacted by a government. You are responsible for these items unless you provide an acceptable exemption certificate. If we need to pay any of these items or the exemption certificate is invalid or only covers some of these items, you must reimburse us on demand for the amounts owing. Prices may be adjusted at any time to reflect changes in costs, labor or market conditions. We will try to notify you of any changes in pricing in advance. Additional charges will be required for: (i) changes to these services or the Covered Equipment; (ii) additional services or equipment; (iii) unexpected site conditions or issues with the Covered Equipment; (iv) appointments that are cancelled less than 24 hours beforehand or for service, warranty or alarm calls caused by your error; (v) changes required to comply with laws, codes and regulations ("Laws"), including prevailing wage laws; and (vi) costs to notify and dispatch emergency personnel. We may change prices on equipment or parts prior to shipment or installation to reflect increases in costs from raw materials, third party products, any new or additional tariffs, duties, quotas, taxes, the withdrawal of trade agreement concessions or any unforeseen or other extra cost elements.

Limited Warranty
We warrant that services will be performed in a good and workmanlike manner for 90 days from the date of performance. Equipment we provide is also warranted to be free from defect in materials and workmanship for 90 days from installation. No warranty is provided for third-party equipment we install or furnish. Third-party HVAC and controls equipment is provided with the third-party manufacturer's warranty to the extent available. This limited warranty does not cover failures, defects, or damages caused in whole or in part by: (i) misuse, neglect, accident, Force Majeure, changes to your premises, or installation, maintenance or repairs not performed by us; (ii) environmental, electrical or other causes beyond our control; (iii) normal wear and tear or corrosion; (iv) use of unauthorized replacement parts or products or using the equipment for purposes not intended by the manufacturer;

© 2024 Johnson Controls. All rights reserved

or (vi) issues arising from your failure to comply with this Agreement or your obligations. To qualify for warranty consideration, you must notify us in writing of your warranty claim prior to the end of the warranty period, complete all instructions on warranty procedures and provide us with reasonable site access to inspect the equipment and/or perform any necessary warranty work. Your sole remedy is to have defective services re-performed or equipment repaired or replaced at our election.**THESE WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**You need to determine if our equipment are suitable for your use. You assume all risk and liability from their application and your use.

Warranty service does not cover: (i) system upgrades and replacing obsolete systems, equipment, or consumable parts and components ; (ii) reloading, updating, or maintaining software; (iii) additional costs for access, deinstallation, re-installation and transportation; and (iv) the exclusions set out in the Supplemental Terms. If you call us for warranty service and the problem is due to any of these reasons, we may charge you for the service call even if we do not work on the equipment. We may offer these services at an extra cost.

Customer Obligations

You must provide all relevant information about the equipment and premises, follow all applicable Laws and ensure us safe access. You must operate, test, maintain, and repair the equipment according to manufacturer and our recommendations and notify us immediately of any issues.

In addition, you agree to, (i) obtain necessary licenses and permits and pay related fees and taxes; (ii) provide a suitable environment for the equipment as recommended by us or the manufacturer including heat to avoid freezing; (iii) supply the necessary electrical service, power, heat, heat tracing, water and schematics ; (iv) provide proper water treatment for condensers, cooling towers, and boilers, and protect against environmental issues; (v) set and test alarm systems as recommended by us or the manufacturer; (vi) avoid causing false alarms and reimburse us for any fines or fees; (vii) notify all necessary parties, such as local authorities and monitoring providers, about system testing or repairs; (viii) keep accurate and up-to-date work logs for the equipment; and (ix) take precautions for Covered Equipment failure to prevent injury or property damage. If you do not meet any of these obligations, we are not responsible for equipment breakdowns, repairs, or replacements. We can suspend services until these issues are fixed and charge for any corrective work needed.

For equipment connected to your computer network, we provide and install the software to run the equipment and connect to it based on the network settings you provide. You must provide us with secure access to your computer network as required in our specifications. If we cannot connect to the network or need extra equipment for connectivity, additional charges may apply.Our services do not include changes to the network, security, or firewall settings.You are solely responsible to protect your data, computer network, and products networked or connected to the Internet; and we are not responsible for any loss or damage, as allowed by Law. You should back up data and software before services are performed. You must promptly remove any devices that interfere with the operation of the Covered Equipment.

Insurance

© 2024 Johnson Controls. All rights reserved

We do not guarantee that services or equipment will prevent risk of loss at your premises or detect all events. You are responsible for any losses and need to rely on your own insurance. You release and waive for yourself and your insurer all subrogation and other rights to recover from us.

Limitations on Liability

Neither we or our suppliers or vendors ("JCI Parties") are liable for special, incidental, consequential, punitive or indirect damages, or for lost profits, revenue, data or business interruption. The total liability of the JCI Parties is limited to $250,000 or 12 months of fees paid to Johnson Controls under this Agreement, whichever is less.

Claims Limitation; Forum; Choice of Law

Disputes may be resolved in court or through arbitration, as determined exclusively by us. Delaware law governs any agreement performed in the U.S., with disputes resolved in Milwaukee, Wisconsin. Ontario law governs any agreement performed in Canada, with disputes resolved in Ontario. Any claims by you must be brought within one year. The parties waive their right to a jury trial.

Term and Termination

The term of this Agreement is set out in the proposal and renews automatically for successive terms equal to the length of the original term unless either party gives 60 days' prior written notice of termination to the other party before the end of a term or the parties agree in writing on a different length of renewal term. Either party can terminate for cause with 10 days' notice, but only after written notice the defaulting party has 30 days to cure any alleged default. We can terminate immediately if we can no longer service the Covered Equipment for whatever reason including if we stop selling the Covered Equipment, providing the services or if we cannot obtain equipment, parts or support the technologies. We can terminate this Agreement without cause with 60 days' written notice. Upon termination, you must pay all amounts owed and provide access for us to remove any of our property at your premises and reprogram systems. You are responsible for our costs to enforce this. If you end this Agreement early for any reason, you must also pay us 50% of the service charges for the remaining term of this Agreement. You are responsible for our costs to enforce this.

Access and Hazardous Materials

You must provide us with reasonable and safe access to the Covered Equipment. We will follow our health and safety policies and applicable Laws. You must inform us of any hazardous conditions or materials (e.g., mold, asbestos containing materials, biohazards) and you are responsible for resolving, removing and disposal. If we encounter hazardous conditions or materials, we may stop work without liability and you are required to provide us reasonable evidence of abatement before we will restart work. Additional charges will apply if access to a confined space is required.

You must allow us additional time to perform the services and reimburse us for increased costs due to such events.

SERVICE SOLUTION

Terms

These terms cover the services and equipment provided by Johnson Controls. This Agreement includes the proposal, these terms and any referenced links. Conflicts are resolved in that order.

Scope of Work

We will provide the services or equipment described in the proposal. If the services include planned maintenance of equipment, only the equipment set forth in our proposal is covered by our services (**"Covered Equipment"**). Unless otherwise agreed in the proposal, services are performed during our normal working hours, excluding holidays. We reserve the right to modify or substitute materials.

Payment Terms

Services fees are paid annually in advance due 30 days from the invoice date via EFT/ACH, unless stated otherwise. Payment is required before services are performed or equipment is ordered or installed. Failure to pay on time is a breach that permits us to suspend or delay services until full payment is received, without liability, or to terminate this Agreement. Interest may also be charged on unpaid amounts at the lesser of 1.5% per month (19.56% annually) or the highest rate permitted by law. If you require a purchase order to process payments, you must send it to us at least 30 days before the end of a term but you must pay invoices even without a purchase order. No purchase order is required for any emergency services you request.

Prices

Prices do not cover taxes, fees, duties, tariffs, permits and levies or other charges imposed and/or enacted by a government. You are responsible for these items unless you provide an acceptable exemption certificate. If we need to pay any of these items or the exemption certificate is invalid or only covers some of these items, you must reimburse us on demand for the amounts owing. Prices may be adjusted at any time to reflect changes in costs, labor or market conditions. We will try to notify you of any changes in pricing in advance. Additional charges will be required for: (i) changes to these services or the Covered Equipment; (ii) additional services or equipment; (iii) unexpected site conditions or issues with the Covered Equipment; (iv) appointments that are cancelled less than 24 hours beforehand or for service, warranty or alarm calls caused by your error; (v) changes required to comply with laws, codes and regulations ("Laws"), including prevailing wage laws; and (vi) costs to notify and dispatch emergency personnel. We may change prices on equipment or parts prior to shipment or installation to reflect increases in costs from raw materials, third party products, any new or additional tariffs, duties, quotas, taxes, the withdrawal of trade agreement concessions or any unforeseen or other extra cost elements.

Limited Warranty

We warrant that services will be performed in a good and workmanlike manner for 90 days from the date of performance. Equipment we provide is also warranted to be free from defect in materials and workmanship for 90 days from installation. No warranty is provided for third-party equipment we install or furnish. Third-party HVAC and controls equipment is provided with the third-party manufacturer's warranty to the extent available. This limited warranty does not cover failures, defects, or damages caused in whole or in part by: (i) misuse, neglect, accident, Force Majeure, changes to your premises, or installation, maintenance or repairs not performed by us; (ii) environmental, electrical or other causes beyond our control; (iii) normal wear and tear or corrosion; (iv) use of unauthorized replacement parts or products or using the equipment for purposes not intended by the manufacturer;

or (vi) issues arising from your failure to comply with this Agreement or your obligations. To qualify for warranty consideration, you must notify us in writing of your warranty claim prior to the end of the warranty period, complete all instructions on warranty procedures and provide us with reasonable site access to inspect the equipment and/or perform any necessary warranty work. Your sole remedy is to have defective services re-performed or equipment repaired or replaced at our election.**THESE WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**You need to determine if our equipment are suitable for your use. You assume all risk and liability from their application and your use.
Warranty service does not cover: (i) system upgrades and replacing obsolete systems, equipment, or consumable parts and components ; (ii) reloading, updating, or maintaining software; (iii) additional costs for access, deinstallation, re-installation and transportation; and (iv) the exclusions set out in the Supplemental Terms. If you call us for warranty service and the problem is due to any of these reasons, we may charge you for the service call even if we do not work on the equipment. We may offer these services at an extra cost.

Customer Obligations

You must provide all relevant information about the equipment and premises, follow all applicable Laws and ensure us safe access. You must operate, test, maintain, and repair the equipment according to manufacturer and our recommendations and notify us immediately of any issues.
In addition, you agree to, (i) obtain necessary licenses and permits and pay related fees and taxes; (ii) provide a suitable environment for the equipment as recommended by us or the manufacturer including heat to avoid freezing; (iii) supply the necessary electrical service, power, heat, heat tracing, water and schematics ; (iv) provide proper water treatment for condensers, cooling towers, and boilers, and protect against environmental issues; (v) set and test alarm systems as recommended by us or the manufacturer; (vi) avoid causing false alarms and reimburse us for any fines or fees; (vii) notify all necessary parties, such as local authorities and monitoring providers, about system testing or repairs; (viii) keep accurate and up-to-date work logs for the equipment; and (ix) take precautions for Covered Equipment failure to prevent injury or property damage. If you do not meet any of these obligations, we are not responsible for equipment breakdowns, repairs, or replacements. We can suspend services until these issues are fixed and charge for any corrective work needed.
For equipment connected to your computer network, we provide and install the software to run the equipment and connect to it based on the network settings you provide. You must provide us with secure access to your computer network as required in our specifications. If we cannot connect to the network or need extra equipment for connectivity, additional charges may apply.Our services do not include changes to the network, security, or firewall settings.You are solely responsible to protect your data, computer network, and products networked or connected to the Internet; and we are not responsible for any loss or damage, as allowed by Law. Insurance

We do not guarantee that services or equipment will prevent risk of loss at your premises or detect all events. You are responsible for any losses and need to rely on your own insurance. You release and waive for yourself and your insurer all subrogation and other rights to recover from us.

Limitations on Liability

Neither we or our suppliers or vendors ("JCI Parties") are liable for special, incidental, consequential, punitive or indirect damages, or for lost profits, revenue, data or business interruption. The total liability of the JCI Parties is limited to $250,000 or 12 months of fees paid to Johnson Controls under this Agreement, whichever is less.

Claims Limitation; Forum; Choice of Law

Ontario law governs any agreement performed in Canada, with disputes resolved in Ontario. Any claims by you must be brought within one year. The parties waive their right to a jury trial.

Term and Termination

The term of this Agreement is set out in the proposal and renews automatically for successive terms equal to the length of the original term unless either party gives 60 days' prior written notice of termination to the other party before the end of a term or the parties agree in writing on a different length of renewal term. Either party can terminate for cause with 10 days' notice, but only after written notice the defaulting party has 30 days to cure any alleged default. We can terminate immediately if we can no longer service the Covered Equipment for whatever reason including if we stop selling the Covered Equipment, providing the services or if we cannot obtain equipment, parts or support the technologies. We can terminate this Agreement without cause with 60 days' written notice. Upon termination, you must pay all amounts owed and provide access for us to remove any of our property at your premises and reprogram systems. You are responsible for our costs to enforce this. If you end this Agreement early for any reason, you must also pay us 50% of the service charges for the remaining term of this Agreement. You are responsible for our costs to enforce this.

Access and Hazardous Materials

You must provide us with reasonable and safe access to the Covered Equipment. We will follow our health and safety policies and applicable Laws. You must inform us of any hazardous conditions or materials (e.g., mold, asbestos containing materials, biohazards) and you are responsible for resolving, removing and disposal. If we encounter hazardous conditions or materials, we may stop work without liability and you are required to provide us reasonable evidence of abatement before we will restart work. Additional charges will apply if access to a confined space is required.

Settlement Agreement and Release of Claims

This SETTLEMENT AGREEMENT AND RELEASE OF CLAIMS ("Agreement") is made and effective on the date of the last Party's signature (the "Effective Date"), by and between CareFusion Solutions, LLC, a Delaware limited liability company with a place of business at 3750 Torrey View Court, San Diego, California 92130 ("CareFusion") and Clinton Regional Hospital ("Customer"). CareFusion and Customer are each a "Party" and, collectively, the "Parties" to this Agreement

Customer and CareFusion entered into a Customer Order 1000253037 ("the Customer Orders") pursuant to the Standard Agreement in effect between the Parties, (collectively, the "Transaction Documents") for the products and services set forth therein. On or about November 10, 2025, Customer notified CareFusion of its intent to exercise its Footprint Modification Option ("FMO") as allowed under the Standard Agreement to cancel and return four (4) assets ("FMO Products"). Due to a delay, Customer was unable to exercise its FMO until May 2026, which resulted in a return of two (2) FMO Products through the FMO process and two (2) FMO Products through a buyout agreement, rather than all four (4) FMO products being returned through the FMO process. The Parties currently dispute their respective obligations related to the Transaction Documents (collectively, the "Disputes"). Pursuant to the terms and conditions of this Agreement, the Parties desire to resolve all disputes, claims, etc. of any nature related to the Disputes.

Accordingly, the Parties agree as follows:

1. **Payment.** *Within thirty (30) business days of the Effective Date, CareFusion shall provide a credit memo to Customer for the sum of fifty-two thousand, eight hundred forty-eight dollars ($52,848); which Customer may use toward any obligation for CareFusion products and/or associated services rendered to Customer by CareFusion. Notwithstanding the foregoing, CareFusion shall have no obligation to issue the credit hereunder if Customer is in default or breach or subject to a CareFusion credit hold or accounts payable escalation process in relation to any agreement between the Parties.*

2. **Release by Customer.** *Customer and each of its predecessors, successors, alter egos, assigns, employees, former employees, shareholders, officers, directors, agents, subsidiaries, divisions, parent companies, holding companies or affiliated corporations or organizations and all persons acting by, through, under or in concert with them, or any of them (collectively, the "Customer Releasing Parties"), shall and do hereby forever relieve, release, and discharge CareFusion, and each of its predecessors, successors, alter egos, assigns, employees, former employees, shareholders, officers, directors, agents, attorneys, heirs, customers, subsidiaries, divisions, parent companies, holding companies or affiliated corporations or organizations, and all persons acting by, through, under or in concert with them, or any of them (collectively, the "CareFusion Released Parties"), from any and all claims, demands, causes of action, obligations, damages, attorneys' fees, costs, and liabilities of any nature whatsoever, whether or not now known, suspected or claimed, which the Customer Releasing Parties ever had, now have, or may claim to have as of the Effective Date, against any of the CareFusion Released Parties, including, without limitation, any claim related to the Disputes, Transaction Documents, and the products and/or support services provided thereunder.*

3. **Release by CareFusion.** *CareFusion and each of its predecessors, successors, alter egos, assigns, employees, former employees, shareholders, officers, directors, agents, subsidiaries, divisions, parent companies, holding companies or affiliated corporations or organizations and all persons acting by, through, under or in concert with them, or any of them (collectively, the "CareFusion Releasing Parties"), shall and do hereby forever relieve, release, and discharge Customer, and each of its predecessors, successors, alter egos, assigns, employees, former employees, shareholders, officers, directors, agents, attorneys, heirs, customers, subsidiaries, divisions, parent companies, holding companies or affiliated corporations or organizations, and all persons acting by, through, under or in concert with them, or any of them (collectively, the "Customer Released Parties"), from any and all claims, demands, causes of action, obligations, damages, attorneys' fees, costs, and liabilities of any nature whatsoever, whether or not now known, suspected or claimed, which the CareFusion Releasing Parties ever had, now have, or may claim to have as of the Effective Date, against any of the Customer Released Parties, related to the Dispute.*

4. **Choice of law; Waiver.** *The Parties intend for this Agreement to be governed by the laws of the State identified in Customer's notice address below. Customer acknowledges that it is aware that it or its attorney may hereafter discover facts different from or in addition to the facts which it or its attorney now knows or believes to be true with respect to the subject matter of this Agreement, but that it is Customer's intention to settle fully, finally, absolutely, and forever any and all claims which do now exist or heretofore have existed between the Parties in connection with the Dispute. In furtherance of this intention, the releases herein given shall be and remain in effect as full and complete releases except as expressly set forth herein notwithstanding discovery of any such different or additional facts.*

5. **Complete Release of Known and Unknown Claims.** *The releases stated in Section 2, Section 3, and Section 4 of this Agreement (collectively, the "Releases") are collectively a general release of all claims, demands, causes of action, obligations, damages, and liabilities of any nature whatsoever that are described in the Releases and are intended to encompass all known and unknown, foreseen and unforeseen claims that the Customer Releasing Parties might have against the CareFusion Released Parties, except for any claims which might arise from the terms of this Agreement.*

6. **Voluntary Settlement.** *Each Party is entering into this Agreement freely and voluntarily and not acting under any misapprehension as to the effect hereof, and has acted and does hereby act freely and voluntarily and not under any coercion or duress, and acknowledges that good and valuable consideration was and has been received for this Agreement.*

7. **Customer Exclusively Liable For Any Taxes.** *As between CareFusion and Customer, Customer shall be exclusively liable for the payment of all taxes, if any, that become due as a result of Customer's receipt of any payment required by this Agreement.*

8. **Mutual Representations and Warranties.** *The Parties represent and warrant to each other the following:*

   (a) *This Agreement is a valid and binding obligation of each Party and is enforceable against each Party in accordance with its terms.*

   (b) *No further consent or approval is required by any person, board, or entity for CareFusion and Customer to satisfy the obligations created by this Agreement.*

   (c) *Each Party has relied upon its own investigation and analysis of the facts and not on any statement or representation made by any other party in choosing to enter into this Agreement and the transactions contemplated herein.*

9. **No Admission of Liability.** *The Parties acknowledge that the payment described in Section 1 of this Agreement was agreed upon as a compromise and final settlement of disputed claims and that payment thereof is not, and may not be construed as, an admission of liability by CareFusion and is not to be construed as an admission that CareFusion engaged in any wrongful, tortious or unlawful activity. CareFusion specifically disclaims and denies (a) any liability to Customer and (b) engaging in any wrongful, tortious or unlawful activity.*

10. **Confidentiality of Agreement.** *The Parties expressly understand and agree that this Agreement and its contents (including, but not limited to, the fact of payment and the amounts to be paid hereunder) shall remain strictly confidential and shall not be disclosed to any third party whatsoever, except the Parties' counsel, accountants, financial advisors, tax professionals retained by them, any federal, state, or local governmental taxing or regulatory authority, and the Parties' management, officers and Board of Directors, and except as required by law or order of court. In such case, the subpoenaed Party shall: (a) make available as soon as practicable (and in any event prior to disclosure), for inspection and copying, a copy of the Agreement it intends to produce pursuant to the Document Request unless such disclosure is otherwise prohibited by law; and (b) to the extent possible, not produce anything in response to the Document Request for at least ten (10) business days following such notice. If necessary, the subpoenaed Party shall take appropriate actions to resist production, as permitted by law, so as to allow the Parties to try to reach agreement on what shall be produced. The Parties understand and agree that this Section is a material part of this Agreement and a key inducement for each other Party to enter into this Agreement.*

11. **Non-Disparagement.** *Each Party agrees that it will not, and will cause its employees, agents, officers, directors and representatives to not, make any disparaging statements or representations, either directly or indirectly, whether orally or in writing, by word or gesture, to any third party whatsoever, about the other Party(or any of its subsidiaries or affiliates) or any of its directors, officers, employees, attorneys, agents or representatives. For purposes of this paragraph, a disparaging statement or representation is any communication which, if publicized to another, would cause or tend to cause the recipient of the communication to question the business condition, integrity, competence, good character or product quality of CareFusion or any of its parents, subsidiaries or affiliates, or any of its or their directors, officers, employees, attorneys, agents or representatives.*

12. **Miscellaneous.**

(a) The Parties shall have a continuing obligation to execute and deliver such instruments and perform such acts as may be appropriate or necessary from time to time to effectuate the obligations contained in this Agreement.

(b) This Agreement is the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, between the Parties with respect thereto. No claim of waiver, modification, consent or acquiescence with respect to any provision of this Agreement shall be made against any Party, except on the basis of a written instrument executed by or on behalf of such Party.

(c) This Agreement shall inure to the benefit of and shall be binding upon the successors and assigns of the Parties.

(d) To the extent that performance is to be governed by time, time shall be deemed to be of the essence.

(e) This Agreement shall be governed by and construed in accordance with the laws of the state identified in Customer's Notice Address, below, without regard to that state's conflicts of law provisions.

(f) This Agreement must be signed by Customer and returned to CareFusion within one hundred eighty (180) days from date of receipt, and may be executed and delivered in any number of counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. This Agreement may also be executed by facsimile followed by delivery of the original executed Agreement. If this Agreement is not signed and returned to CareFusion within the timeframe specified above, CareFusion will consider this Agreement rescinded and void.

(g) If a court or other body of competent jurisdiction declares any term of this Agreement invalid or unenforceable, then the remaining terms shall continue in full force and effect.

(h) If any action at law or equity is brought to enforce or apply any provision of this Agreement, then the prevailing Party shall be entitled to recover from the other Party to the action its reasonable attorney fees and all other reasonable costs and expenses of litigation, which amounts may be set by the court in the trial of such action or may be enforced in a separate action brought for that purpose, which amount shall be paid in addition to any other relief that might be awarded.

ADDITIONAL TERMS AND CONDITIONS

The following Additional Terms and Conditions are incorporated by reference into the Triage Purchase Agreement (the "**Agreement**"). Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Agreement. With respect to any purchase orders for Products issued by a Customer to a Distributor (a) the terms and conditions contained in Customer's agreement with the Distributor with respect to purchasing terms such as payment, freight, delivery, risk of loss, and returned goods will govern the relationship between Customer and Distributor; and (b) for the avoidance of doubt, the remaining provisions herein, including pricing terms and purchase obligations for the Products set forth in the Agreement shall apply.

1. **ORDER PLACEMENT; DELIVERY AND SHIPMENT TERMS (Direct Orders).** Customer must submit firm written purchase orders for the Products. QuidelOrtho will not be bound by any order until confirmed by QuidelOrtho in writing. Customer may not revoke, reschedule, or cancel any purchase order after confirmation by QuidelOrtho without QuidelOrtho's prior written consent, which consent will not be unreasonably withheld, conditioned, or delayed. QuidelOrtho will use reasonable efforts to deliver confirmed orders in accordance with the delivery schedule stated in its order confirmation or similar document, and if no schedule is stated, then promptly. If the provisions of a purchase order or order confirmation conflict with this Agreement, this Agreement will control. QuidelOrtho will ship all Products FOB Origin QuidelOrtho's point of shipment. Customer will be liable for any charges for packing, transportation expenses, handling, freight, and insurance, and QuidelOrtho will charge Customer for those charges, costs, and expenses. QuidelOrtho may select the mode of shipment and carrier but does not assume any liability or responsibility in connection with the shipment and the carrier will not be considered QuidelOrtho's agent. Customer assumes title to the Consumables and any purchased Equipment, as well as all risk of loss, damage, or delay upon QuidelOrtho's tender of delivery to the shipping carrier. QuidelOrtho will not be obligated to procure additional insurance.
2. **CUSTOMER PRODUCT INSPECTION, ACCEPTANCE AND RETURNED GOODS POLICY (Direct Orders).** Within five (5) days of receipt of each order, Customer must provide a written notice of rejection to QuidelOrtho of any Product that (i) fails in a material way to meet the Limited Warranty set forth below, (ii) is damaged, (iii) has other visible defects, or (iv) is shipped in error. Before returning any Product, Customer must request a return goods authorization number ("**RGA Number**") from QuidelOrtho and delete all protected health information ("**PHI**") stored in the Equipment, including patient IDs and order numbers. Unless it has authorized a Product return in writing, QuidelOrtho will not be obligated to accept, make any exchange, replace, or provide credit or refund for any Product returned by Customer. At QuidelOrtho's request, Customer will return the rejected Product to QuidelOrtho freight prepaid as promptly as possible following receipt of QuidelOrtho's written confirmation of Customer's rejection.
3. **PAYMENT TERMS, AND PRICING.** For direct orders, terms of payment are net thirty (30) days from date of invoice and time is of the essence for the payments. QuidelOrtho may not increase the prices under this Agreement for one (1) year from the Effective Date. Thereafter, QuidelOrtho or Distributor, as applicable, may increase prices once per calendar year by the amount equivalent to any increase in the Producer Price Index ("**PPI**") during the immediately preceding twelve (12) months. For direct orders, Customer's obligation to pay outstanding invoices and all other amounts is absolute and unconditional and is not subject to any abatement, reduction, set-off, defense, counterclaim, interruption, deferment, or recoupment. All overdue amounts will bear interest at a rate of one and one-half percent (1.5%) per month or the maximum rate permitted by applicable law, whichever is lower, until all amounts are paid. Customer will (i) have no interest whatsoever in such Equipment other than the use rights granted in this Agreement, and (ii) keep such Equipment free and clear of all liens and encumbrances. Without limiting the other provisions of this Section, QuidelOrtho has the rights and remedies of a secured party under the Uniform Commercial Code ("**UCC**") with respect to all Products in Customer's possession for which Customer has not paid in full. Customer agrees to pay all costs of collection, including court costs, reasonable attorneys' fees, and fees for repossession, repair, storage, and sale of the Products.
4. **TAXES.** Except to the extent Customer is tax exempt and the applicable taxes are not payable, Customer will be responsible, and reimburse QuidelOrtho if paid by QuidelOrtho, for all applicable taxes or fees (including any interest or penalties) relating to this Agreement, including assessment or imposition of government personal property and use taxes, fees, duties, tariffs, and levies relating to the Equipment and Consumables, including the import or export of them or their raw materials or components, except those taxes on or measured by the gross income of QuidelOrtho (collectively, "**Taxes**"). Customer must pay any invoiced Taxes in accordance with Section 3, Payment Terms.
5. **EQUIPMENT AND CONSUMABLES.** Customer will use Equipment (i) if not purchased, only in the United States or any territory of the United States at the Customer's "ship to" address (unless QuidelOrtho consents in writing to Customer moving the Equipment); (ii) for its "own use" and not for resale purposes; (iii) in accordance with the user manual, applicable Product labeling, or according to QuidelOrtho's written instructions; and (iv) in accordance with all Applicable Laws (defined below). Customer will not disassemble, reverse engineer, make derivative works of, make any changes or alterations in, or modifications or add attachments to, the Products, or remove any labels, signs, symbols, trademarks, or serial numbers affixed to the Products. Customer may use QuidelOrtho Equipment only with QuidelOrtho Consumables. As between the parties, QuidelOrtho owns all right, title, and interest in and to the intellectual property rights in the Products.
6. **INSURANCE**. Customer will, at its own expense and for the duration of this Agreement and any period during which Customer retains possession of any Equipment owned by QuidelOrtho, maintain insurance coverage (i) to protect Customer in carrying out its duties and responsibilities under this Agreement, and (ii) for all QuidelOrtho-owned Equipment provided to Customer for its use under this Agreement. Such insurance will include coverage for risks of physical loss or damage to Quidel-owned Equipment, including but not limited to loss, theft, fire, vandalism, and other perils commonly covered under an "all risk" property insurance, and will name QuidelOrtho Sales Company, LLC as an additional insured with respect to such coverage. QuidelOrtho does not warrant, guarantee, or make any representation as to the results of any test performed using the Products and expressly disclaims any liability arising from reliance on the results by Customer or any third-party. QuidelOrtho's maximum, cumulative liability for any damages under or related to this Agreement will not exceed the net Product price paid by Customer during the Term for the Product giving rise to the liability. Except for liabilities arising out of (a) a party's breach of confidentiality obligations; (b) infringement or misappropriation by a party of the other party's intellectual property rights; or (c) a party's gross negligence or willful misconduct, in no event will either party or its affiliates be liable for any incidental, indirect, special, punitive, consequential or exemplary damages, including, but not limited to, damages for loss of use or revenue, or profits in connection with or arising out of QuidelOrtho's provision of any Products, or Customer's use of any Products or damage to systems, programs, or data, business interruption, cost of procurement of substitute goods, services, or technology, even if the parties have been advised of the possibility of such damages. 9. **COMPLIANCE WITH LAWS AND DISCOUNT REPORTING.** The parties will comply with applicable state and federal laws in the performance of this Agreement, including but not limited to the federal False Claims Act (31 U.S.C. §§ 3729 et seq.), the federal anti-kickback statute (42 U.S.C. § 1320a-7b(b)), the federal Physician Payment Sunshine Act (the "**AKS**", 42 U.S.C. § 1320a-7h), the Health Insurance Portability and Accountability Act of 1996 and the Health Information Technology for Economic and Clinical Health Act (collectively, "**HIPAA**"), and any regulations implementing such laws, the U.S. Foreign Corrupt Practices Act, export sanctions, applicable laws prohibiting bribery of public officials and private persons, influence peddling and money laundering, as well as all comparable state and local laws and regulations (collectively, "**Applicable Law(s)**". Any discounts provided in connection with the sale of Products are intended to comply with the AKS. Customer will fully and accurately report in applicable cost reports and other submissions to federal healthcare programs all discounts provided and, upon request of the Secretary of the U.S. Department of Health and Human Services or a state agency, will make available information provided to Customer by QuidelOrtho concerning the discounts. Customer acknowledges that compliance with the AKS exception or regulatory safe harbor for discounts, including the reporting obligations, is a condition precedent for the sale of the Products and that QuidelOrtho would not have agreed to sell the Products if Customer had not agreed to comply with these obligations. QuidelOrtho is not a HIPAA Business Associate of Customer. QuidelOrtho has the authority, in its sole and absolute discretion, to recall any Product to comply with Applicable Laws, and Customer agrees to fully cooperate with QuidelOrtho on any recall. If Customer is provided notice, correspondence, subpoena, or other contact that a governmental investigation has been initiated related to this Agreement, Customer must immediately notify QuidelOrtho in writing of the investigation or inquiry, and must provide QuidelOrtho with all assistance reasonably requested in relation to the investigation.

10. **NON-DEBARRMENT/EXCLUSION.** Each party represents and warrants that neither it, nor any of its directors, employees, or agents, has ever been barred or excluded from participating in any federal or state health care program, or convicted of a criminal offense with respect to health care reimbursement. Each party will immediately notify the other party if this representation becomes untrue, or if either party is notified by the Office of Inspector General of the Department of Health and Human Services or other enforcement agency that an investigation of it or any of its directors, employees, or agents has begun which could lead to such debarment, exclusion, or conviction. If either party or any of its directors, employees, or agents is debarred or excluded from participating in any federal or state health care program during the Term of this Agreement, or if at any time during the Term it is determined that either party is in breach of this section, this Agreement will, as of the date of any debarment or exclusion, be automatically terminated.

11. **TERMINATION**. Either party may terminate this Agreement following a breach by the other party of its material obligations if such breach is not capable of being cured or is not cured within thirty (30) days after delivery of written notice of the breach to the breaching party. Further, either party may terminate this Agreement immediately if the other party files a petition in bankruptcy, is adjudicated bankrupt, makes a general assignment for the benefit of creditors, or is voluntarily or involuntarily dissolved. Upon termination of this Agreement, if Equipment is not purchased, Customer will properly pack and ship the Equipment to QuidelOrtho in substantially the same condition as it originally was received (ordinary wear and tear excepted). If the Equipment is returned, Customer will be responsible and liable for: (i) deleting all PHI stored in the Equipment, including all patient IDs, and order numbers; (ii) the loss of or damage to the Equipment including while it is in return transit; and (iii) the transportation expenses for the Equipment return, and If QuidelOrtho terminates this Agreement for the reasons stated in this Section 11 or the Agreement is terminated in accordance with Section 3 (iv) of the Agreement, Customer shall, in addition to provisions (i) through (iii) in this Section, pay to QuidelOrtho the depreciated value of such Equipment, as set forth in Section 3 (iv) of the Agreement.

Customer acknowledges and consents to QuidelOrtho's delegation of such duties to Distributor. Any reference to QuidelOrtho in this Agreement that imposes any duty on QuidelOrtho that it has delegated to Distributor will be deemed to reference QuidelOrtho or Distributor. The terms and conditions contained in any invoice, sales acknowledgement, bill of lading, or other document supplied by Distributor to Customer will (a) govern the relationship between Distributor and the Customer and (b) supersede any inconsistent terms and conditions of this Agreement and any addenda or exhibits attached hereto, with respect to the terms of shipment and payment for Products delivered to the Customer by Distributor, which terms include acceptance, damage or loss in transit, credit terms, payment terms, and shipping terms, but exclude any warranty terms (which warranty terms will be solely as expressly set forth in this Agreement), indemnification terms, or liability terms. For the avoidance of doubt, pricing terms and purchase obligations for the Consumables and Equipment are as set forth in this Agreement.
13. **DISPUTE RESOLUTION; GOVERNING LAW; VENUE**. If the parties are unable to resolve any disputes amicably, then any controversy or claim arising out of or relating to this Agreement including any controversy or claim involving the parent company, subsidiaries, or affiliates under common control of either party (each a "**Claim**"), then either party may initiate arbitration by filing a Demand for Arbitration with the American Arbitration Association ("**AAA**"). The Commercial Arbitration Rules of the AAA in effect on the date a party files a Demand for Arbitration of the Claim to the AAA (the "**AAA Rules**") will apply to the arbitration, except for rule R-10 (Mediation). A party may not seek relief or litigation in court except for (a) Claims in which the requested relief includes injunctive or other non-monetary relief, or (b) Claims which are related to intellectual property, trade secrets, or confidentiality. Any Claim will be interpreted in accordance with the laws of Delaware, without giving effect to its choice of law principles. The Delaware Chancery and federal courts in Wilmington, Delaware will have exclusive jurisdiction over any dispute arising out of or relating to this Agreement, and the proceedings will be conducted in English. The parties irrevocably and unconditionally waive any right to a trial by jury in any litigation or legal proceedings. In any arbitration or litigation arising out of or related to this Agreement, the prevailing party will be entitled to recover the costs and expenses, including reasonable attorneys' fees, that it incurred in connection with such arbitration or litigation.
14. **MISCELLANEOUS.** QuidelOrtho will not be liable for nonperformance or delays caused by a shortage of raw materials, manufacturing problems, delivery, labor problems, priorities, acts of regulatory agencies or judicial bodies, discontinuation of a product line, acts of God or third parties, infringement claims, government actions, or other causes beyond its reasonable control (each a "**Force Majeure Event**"). Customer agrees that QuidelOrtho may delay or allocate Products among all purchasers as it deems reasonable during a Force Majeure Event, without liability, and QuidelOrtho will not be obligated to purchase substitute products for Customer. If Customer purchases a third-party replacement product during any period that QuidelOrtho cannot supply the Product(s) due to a Force Majeure Event, that purchase will not constitute a breach of the Annual Consumable Purchase Obligation so long as such third-party products are not purchased at any time that the Product(s) are available from QuidelOrtho. No amendment or modification of this Agreement will be effective unless it is in writing and signed by authorized representatives of both parties. No waiver of any provision of this Agreement will be valid unless expressly stated in writing and signed by an authorized representative of the waiving party that specifies the waived provision. Customer agrees not to disclose the terms and conditions of this Agreement or any purchase order to any person except as required by law or upon receipt of QuidelOrtho's prior written consent. Customer warrants that it will not and will not permit or assist any other person or entity to, divulge, disclose, or in any way distribute or make use of QuidelOrtho trade secrets or intellectual property. If any court or arbitrator holds part of this Agreement unenforceable, then the court or arbitrator will modify that part to the minimum extent necessary to make that part enforceable or, if necessary, sever that part; the rest of this Agreement remains fully enforceable. Any notice between the parties will be in writing and will be deemed given only if delivered personally, by registered or certified mail, return receipt requested, or by overnight delivery to the address set forth on the first page of this Agreement. Customer will not assign or transfer this Agreement, nor move, transfer, or assign the Equipment without QuidelOrtho's prior written consent and any attempted assignment, delegation, or transfer by Customer without consent will be void. QuidelOrtho may assign this Agreement without the prior written consent of Customer to an affiliate or in the event of a merger, consolidation, reorganization, acquisition, change in control, or sale of substantially all of its assets. Neither party will have any right, power, or authority to act or to create any obligation, express or implied, on behalf of the other. During the Term, QuidelOrtho will assess Customer's Consumable purchases hereunder to validate compliance with Customer's Annual Consumable Purchase Obligation, and Customer agrees QuidelOrtho may audit Customer's records at times mutually agreed by the parties, after receiving thirty (30) days prior written notice from QuidelOrtho ("**Audit**"). If an Audit reveals a shortfall in the Annual Consumable Purchase Obligation, QuidelOrtho may apply the remedies set forth in Section 3 of the Agreement. Customer shall bear the cost of the Audit if a shortfall of more than 10% is identified. No expiration or termination of this Agreement will relieve Customer of any payment or other obligations accrued at the time of such expiration or termination. All rights and obligations set forth in this Agreement which by their nature and context are intended to survive expiration or termination of this Agreement will survive any expiration or termination.
15. **ENTIRE AGREEMENT**. This Agreement, including its addenda or exhibits, contains the complete and exclusive agreement, and supersedes all prior and contemporaneous agreements, understandings, conditions, representations, warranties, and communications between the parties relating to this Agreement's subject matter.
