Arrangements have been made for Kelly Somner, the previous Superintendent, to come out to inspect the greens and provide some insight to the golf course's condition to the Golf Advisory Board and maintenance personnel.

He then referred to Attorney Meacham regarding the lawsuit pending with Littke's Lawncare and Spraying, LLC. Attorney Meacham stated that he would advise engagement with outside counsel for this lawsuit regarding the negligence resulting in damage to the greens. After review and a delay in filing suit, he believes that this would be the best decision for the City/Authority to obtain reimbursement for the costs of greens' repairs. He will provide Johnston with some names of potential outside counsel to be utilized in this matter.

RE: Resignation from Golf Advisory Board

Dear Robert:

It has been an honor and a great pleasure to serve the City of Clinton these past many years as a member of the Golf Advisory Board. However, my time to serve has come to an end as I must make room for my dad to better serve the City of Clinton and the Clinton community as the head pro of Riverside Golf Course.

I hereby resign from my position as a member of the Golf Advisory Board of the City of Clinton effective immediately.

Thank you for allowing me the opportunity to serve.

Sincerely,

Robert I was going to give you an update on the S. 10th property that was formally owned by Don Lacy and now is owned by Johnnie Dixon. I have attached pictures to the email showing the before and after pictures of the house, and as you can see Mr. Dixon has made huge improvements on the exterior of the house. I would estimate that 90% of the exterior work has been completed and they are nearing the completion of the demo on the interior of the house. With the amount of progress that has been made to the house and property I'm recommending that the Condemnation be removed on this property. I know Johnnie as more work to do on the interior but with the amount of work and money that he has already invested the property I have no doubt that he will finish the project.
