RESOLUTION NO. AA25-01

DECLARING THE OUT-OF-SERVICE FORMER BEACON TOWER AT THE CLINTON REGIONAL AIRPORT TO BE SURPLUS PROPERTY

WHEREAS, the Clinton Regional Airport is fortunate to have been awarded federal FAA and state grant funds to construct a new box hangar and a replacement t-hangar building which was heavily damaged by a tornado in October 2021; and

WHEREAS, as construction plans are being finalized for these new hangars it has become clear the out-of-service, former rotating beacon tower is situated too close to where new hangars are to be built and would impede aircraft access to the new box hangar; and

WHEREAS, pursuant to Section 4-3 of the *Clinton City Charter,* this old tower must be declared as surplus prior to it being disposed of; and

WHEREAS, ; in order to keep the grant funds intact, it is necessary to declare that the tower, more particularly described as a four-legged, welded metal tower approx. 51 feet in height and 9 feet x 9 feet at its base, with photo attached, be declared surplus at this time.

NOW, THEREFORE, BE IT RESOLVED by the Trustees of the Clinton Airport Authority to declare the above-described beacon tower surplus and authorize disposal by a competitive process as soon as practicable.

PASSED by the City Council, this 6th day of May 2025.

RE: Clinton Sewer Improvements

Mr. Helvick, At the request of the design engineer we are pricing C-900 in lieu of the DR-35 sewer pipe.

The following items will need to be deducted by Change Order:

Item 10 – 15" Polyvinyl Chloride (PVC) DR 35 Pipe Open Cut, deduct 275 LF @ $160.00/LF	($44,000.00)

The following items will need to be added by change Order:

Item CO 1.1 – 16" Polyvinyl Chloride (PVC)(Green) C-900 DR 25 Pipe Open Cut, add 275 LF @ $178.00/LF	$48,950.00

Total Deductions to Quantities	($44,000.00)
Total Additions to Quantities	$48,950.00
Net Addition to Contract	$4,950.00

JUSTIFICATION - Line 1, STA 10+00 to STA 12+75, sheet 06, Drawing number 05-C301 and the bid quantities call for the sanitary sewer line to be DR-35. However, ODEQ regulations require pressure rated sewer pipe when the sewer line is within 10' lateral separation of a water line.

Respectfully,

Wade Vakulick,
Project Manager,

Volume 2, Drawing Number 99-C504, Sheet 17, Detail 1. The detail provided is for bell joint pipe in casing. Since we are using butt fusion welded HDPE on the sewer lines in the casing with no bells, common practice is to lay the seamless poly on the bottom of the casing because spacers are not needed. If we eliminate the casing spacers, we can return that cost to the City.

Please advise.

RESPONSE:

The contractor's request to omit casing spacers within the steel encasement for the sanitary sewer lines is acceptable. Additionally, reducing the steel casing diameter for the 8-inch and 15-inch HDPE mains is acceptable, provided the contractor's means and methods allow for the installation.

DEFERRING FOR THE FINAL TIME THE ADJUSTMENT OF WATER RATES AUTHORIZED BY RESOLUTION PW14-04

WHEREAS, the Trustees of the Clinton Public Works Authority previously deemed it necessary to pass Resolution PW14-04 to increase water rates in two phases, in order to defer the impact of single rate increases and diminish capitalized interest; and

Re: Your Support Matters Re-Elect Vickie Patterson to the OMAG Board.

Dear Mayor, Council Members, City Manager and City Clerk:

I am honored to have served on the (OMAG) Oklahoma Municipal Assurance Group's Board of Trustees since August 2018, and I am asking for your support as I seek re-election.

I began my career with the City of Broken Bow in 1997. I worked my way up the ladder over the past 27 plus years, starting out as the Landfill Secretary, the Public Works Billing Clerk, City Clerk for 6 years, and for the past 13 1/2 years as City Manager. It has been an honor to get to know and work with OMAG's team over the years for our city's insurance needs. Broken Bow participates in OMAG's general liability, property, and workers compensation plans.

My experience as City Manager and as City Clerk has taught me that municipal budgets are tight. That is why I fully support OMAG's grant programs that help purchase much needed equipment, such as police body worn cameras and public works safety equipment. OMAG also provides scholarships to many conferences and educational opportunities allowing our municipal employees access to education that city and town budgets might not permit.

I would greatly appreciate your vote and support in this election. If you have any questions please don't hesitate to reach out.

Thank you for your time and consideration.

Respectfully,

Vickie Patterson

Candidate Letter – Daniel McClure Jr.

Dear Municipal Members of the Oklahoma Municipal Assurance Group (OMAG),

I am writing to respectfully request the City/Town's support for my candidacy for election to the OMAG Board. With a deep-rooted passion for strengthening local communities and extensive experience in municipal governance, I believe I am well-suited to contribute to the mission of OMAG.

Presently I live in McLoud with my wife Stormy and three small kiddos. I love what living in a close knit community and small town atmosphere brings to our family and I want to help other communities across the State to continue to have strong communities that we all love and are proud of!

Over the past decade, I have devoted myself to advocating for robust and responsive local governments. My journey began on the local parks board and progressed through various elected and appointed positions, including serving as Mayor of McLoud as well as the Vice-Mayor and City Councilman in Midwest City. Previously, I have also served as the General Counsel for the Oklahoma Municipal League as well as a municipal attorney for numerous local governments statewide. I have focused my efforts with the aim of fostering strong and resilient communities.

My educational background includes a Juris Doctorate from Oklahoma City University School of Law, where I graduated Cum Laude as a Hatton W. Sumners Scholar, a Masters in Public Administration from the University of Oklahoma, and dual Bachelors degrees in Economics and Political Science from the University of Central Oklahoma.

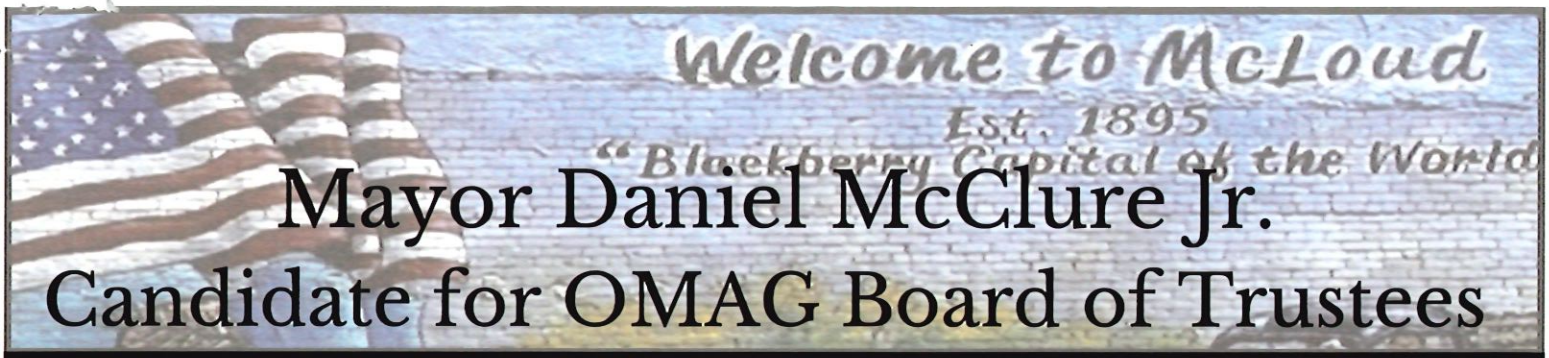

I am committed to the belief that the government closest to the people is the most responsive and effective. My experience working on successful economic development projects, serving as legal counsel on numerous complex legal municipal issues, as well as chairing various special projects has equipped me with the skills and insights necessary to support the varied needs of Oklahoma municipalities. I am eager to bring my experience and vision to the OMAG Board.

I respectfully ask for your support and vote in this upcoming election. Together, we can continue to build strong municipalities throughout the State of Oklahoma. Thank you for your consideration!

Sincerely,

Daniel McClure Jr.

Dear Mayors, Council Members, City Managers, and City Clerks of OMAG Member Cities and Towns:

I would like to take the opportunity to reintroduce myself. My name is Lindsey Grigg-Moak, City Clerk for the City of El Reno and I am a candidate for the OMAG Board of Trustees.

I began my career with the City of El Reno in April of 2008 as the Deputy City Clerk and became City Clerk in 2011. I am a member of the state and national clerk and treasurer associations having the mastered/advanced accreditations that the national Association of Public Treasurers and International Institute of Municipal Clerks offer. I have a Master of Science in Management from Southwestern Oklahoma State University.

I was selected as City Employee of the Year in 2015, the OMCTFOA Member of the Year in 2018, nominated as Woman of the Year through OML in 2021 and received Woman of the Year in 2024. I married my best friend Chris Moak in December of 2021 and am now able to call his twin daughters, Kylie and Shelby, my own.

I have been on two state boards serving Clerks and Treasurers since 2016. I volunteer at each OML conference and am currently the OMAG board vice-chairman, serving on the board since August, 2021. I would be honored to continue serving as your advocate on the OMAG Board of Trustees. The opportunity to represent cities and towns across the State of Oklahoma is a dream and I would greatly appreciate your vote of support.

Respectfully,

Lindsey Grigg-Moak

Dear Municipal Official,

I am reaching out to seek your support for my candidacy for the Oklahoma Municipal Assurance Group (OMAG) Board of Trustees, representing local municipalities.

As the City Manager of Coweta, I bring over 18 years of diverse experience in local government, having served in various roles across Oklahoma and Wisconsin. My career has included positions such as Licensing Specialist, Accountant Analyst, Budget Manager, Finance Director, City Clerk, HR Director, and Assistant City Manager. These roles have provided me with a comprehensive understanding of municipal operations and leadership.

I am a native of Oklahoma and I hold a Bachelor of Science degree in Biology and a Master of Business Administration with a focus on Finance and Marketing. My combined experience in private industry and nearly two decades of public service gives me a unique perspective on the intersection of government and business.

Over the years, I have gained a deep appreciation for the challenges faced by medium and small communities. If elected, I am committed to advocating for the needs of our municipalities and ensuring their voices are heard.

One significant issue many of our communities face is sewer overflows. OMAG provides critical resources, including funding and technical assistance, to address and mitigate this costly problem. If elected, I will champion these and other essential programs that benefit our municipalities.

Thank you for considering my candidacy. It would be an honor to represent our cities on the OMAG Board of Trustees and work to address the needs of our communities effectively.

Best regards,

Julie Casteen
