AGENDA ITEM NO. 3: DISCUSSION, CONSIDERATION, AND POSSIBLE ACTION ITEMS

A. PW25-01 – Deferring for the Final Time the Adjustment of Water Rates Authorized by Resolution PW 14-04;

The Resolution PW25-01 was presented for review and approval. Manager Johnston stated that this would be the last time to present this for deferral.

Motion was made by Trustee Hill and seconded by Trustee Lloyd to approve the resolution PW25-01 – Deferring for the final time the adjustment of Water Rates Authorized by Resolution PW 14-04.

Chairman put the motion to a roll call vote:

Aye: Hill, Lloyd, Villanueva, Berrong
Nay: None

Chairman declared the motion carried.

B. Line of Credit No. 5 in the amount of up to $1 million to Clinton Hospital Authority.

Manager Johnston stated that the election on June 10, 2025, will be a final piece of the puzzle for the public to approve the sale of the hospital. With the irregular receipt of funds to operate the hospital until the sale is completed no later than July 31, 2025, and the need to keep the hospital open until then, interim funding has been researched. Recent discussions with Rural Health Solutions, Third Avenue West and Clinton Hospital Authority members have resulted in the conclusion that the relatively better option was to request another line of credit of $1 million each from the Public Works Authority and City. Johnston said that in the conversations that he participated in regarding this matter, it was unfortunately clear that interim funding was essential to diminish the risk of the hospital running out of money before the sale was closed. Any funds drawn from the new line of credit will be included as loans included in the Asset Purchase Agreement to be repaid by Rural Health Solutions.

Trustee Stormie Hill asked several questions regarding the current hospital financial situation and the risk the PWA/City would be taking in approving additional lines of credit.

Jennifer Sethre, CRH Chief Operating Officer, responded regarding the current financial needs and that RHS and 3rd Avenue are very excited about acquiring the hospital. In addition, she stated that the staff are working hard to overcome issues that have been identified during the due diligence and continue to work to improve reimbursements to stabilize finances. It is very hard to operate a hospital only on income from the lab and emergency room, and as new services are rolled out it is anticipated that revenues will

improve. Chairman Berrong encouraged support of the process to continue moving forward with the sale of the hospital.

Motion was made by Trustee Villanueva and seconded by Trustee Art Lloyd to approve Line of Credit No. 5 in the amount of up to $1 Million to the Clinton Hospital Authority as requested.

Chairman put the motion to a roll call vote:

Aye: Lloyd, Villanueva, Berrong
Nay: Hill

Chairman declared the motion carried.

Hey Gene,

Some of the line items are higher and others lower than what we've seen for other projects but in general I would agree this comes in around or below the top end of what we would budget ~80K. The bid does not follow the bid form and I noticed it does not include a step rate pumping test, but I think we could iron that out with them in a meeting to vet qualifications and approach.

Doing some quick googling it looks like the proposal is from a couple of folks that transitioned from Layne when they shuttered the Guthrie offices. None of our team have had project experience with them so I think it would be good to have a quick call with the DC folks to confirm if they plan to use their own rig, subcontract, etc and to make sure they are on the same page about approach/scope schedule and contract terms. If that meeting goes good we could proceed and save the hassle and costs of re-formatting the bid to incorporate the municipal well.

Do you want us to reach out to them to set up a call?

We've received the attached proposal from DC Wells. It looks to be inline with what was spec'd and budgeted.

Any thoughts?

Subject: Dixon Well No. 2 - Test Drilling Bids

Hey Gene,

We've been reaching out to the well drilling contractors on the list. The consensus from multiple drillers is that they are busy with current backlog and that a mobilization of a test rig unless it is already in the area would be time/cost prohibitive. I double checked, and they did not have any issue with the specifications, just simply a busy drilling market right now.

They all expressed interest in bidding if the municipal well was potentially in the same contract. Not sure that is the correct move without exploring some other alternatives first. We have a couple of other calls to make to drillers in north Texas and around Oklahoma to see if we can find an interested company.

We'll keep working the issue with a few other drilling companies and let you know what we find out.

Agenda Commentary

Item Title/ Subject: **Lake Treatment Plant Filter Media Renewal**

Staff Source: Gene McCullough, Public Works Director

Robert Stewart, Project Manager, Inframark – Plant Operators

Date: 5/16/2025

History/Background Information: The media at the surface water treatment plant filters needs to be replaced periodically to continue to be efficient. We are past time to replace the current batch of media.

The PWA had budgeted $500,000 for this project, in anticipation of possible repairs needed to the under drain system of the filters. We have found them to be in incredible condition, and so we are able to purchase this media well under budget.

The current budget contains $150,000 for this action. The proposal will cover all 4 filters.

Recommendation: Approve the recommended vendor proposal.

Price/Cost: $74,630.20

Reason for Selected Vendor: Water Tech is the only vendor that will ship the media in 2,000lb container bags vs 4,000lb. This mitigates risk when emptying and filling filters. WT also offered to tag the media bags to ensure the amount for each filter is separated properly.

Robert,

Total for the filter media is $18,657.55. I added a line for pallets if you'd like to add those to the quote. I don't know if it's necessary.

There might be a typo in the quote I received regarding the sand size. I'll check with Dewey tomorrow.

F. Report on the Planned Construction of a New Animal Welfare Facility.

Mayor Berrong asked City Manager Johnston to give a report on the planned construction of a new animal welfare facility. City Manager Johnston stated that it is budget season for the City of Clinton, and that the inadequacies of the current animal welfare shelter – it is 40 years old, too small, in poor condition and located at a now relatively remote location at the former landfill. He met Kelly Burley of Best Friends Animal Society, who will speak in a moment, at last fall's OML conference in Tulsa and obtained useful information from him via several communications. He has also met several times with the Police Chief De La Torre and Justine Caler who has an active interest in animal welfare. For several months he has continued to seek information and by visiting other communities with newer animal welfare facilities. He stated that so far, we have acquired 3 floor plans from other community's shelters which we may utilize. The idea will be to decide what is the best plan moving forward for the City of Clinton within budgetary possibilities. Budget approval is scheduled for June 17, 2025; in the meantime, additional research and planning will take place.

Manager Johnston then introduced Chris Roland, who presented a summary of a community group that is currently raising funds to help with the city animal shelter. Mr. Roland then introduced Kelly Burley, who represents Best Friends Animal Society. Mr. Burley spoke regarding animal welfare statistics and statewide planning information. He stated that Animal Control Officer Heather Estrada provides our community with excellent care of the animals.

Mayor Berrong thanked Mr. Burley for the coming to Clinton and presenting the information regarding animal welfare.

Information only.

Re: May 20, 2025, City of Clinton Council meeting

The property that I will bring to City of Clinton City Council for the May 20th meeting is 420 N. 16th. This property is owned by Will George & Steven George in C/o Justine George.

Over the years the property has slowly deteriorated due to the lack of maintenance of the structure. The City of Clinton has over the last few years has had to mow the property due to the owner or owners failing to keep it mowed. This property has not had active water service October 2012.

OKMRF™ OKLAHOMA MUNICIPAL RETIREMENT FUND

OFFICIAL NOTICE

May 5, 2025

TO: District 7 Members

FROM: Jodi S. Cox, Executive Director & CEO
Oklahoma Municipal Retirement Fund (OkMRF)

SUBJECT: Trustee Nomination for District 7

This is to notify you of the nomination and election process for the OkMRF District 7 Trustee position. The term is for five years and begins October 1, 2025. Jim Luckett, Jr., City of Thomas Retiree, currently holds the trustee position.

As a member of District 7, your governing body shall have the right to nominate through its Authorized Agent one person to fill the expiring office in your district. Such nominations shall be by Resolution (resolution sample on back) and shall be mailed and filed with the OkMRF office no earlier than May 20, 2025, but no later than June 30, 2025. Nominations received after the close of business on June 30, 2025, will not be considered.

After we have received the nominations, OkMRF will then prepare a ballot listing the names and a brief statement of the background and experience of the nominees. We will then forward on or before, July 20, 2025, a certified copy of this ballot to each Authorized Agent in District 7. The governing body of each employer in District 7 shall be entitled to cast by resolution one vote. The ballot that will be furnished to you must be returned to OkMRF between July 20 and August 30, 2025.

According to the Plan's Trust Indenture, Article III, Paragraph 3.15, qualifications for such office are:

> *Each person nominated, elected or appointed to serve as Trustee of this Trust shall be at the time he is to take office, an officer of the employer, member of the governing body of the employer, or an active or retired participant in the system. (Active or retired participant shall mean an employee with an account balance or benefit remaining in the system). For the district offices the Trustee shall be an officer or member of the governing body of an employer located in the district represented by the Trustee, and in case of a retired or active participant the Trustee's participation must be with an employer located in the district for which the Trustee serves. Any Trustee shall immediately be disqualified upon failing to meet any criteria for qualification as set forth above.*

If you have any questions concerning the nomination or election process, please feel free to call us at 1-888-394-6673, Ext. 102. Forward your nominations on or by June 30, 2025, to:

Oklahoma Municipal Retirement Fund
1001 NW 63rd Street, Suite 260
Oklahoma City, Oklahoma 73116

To ensure your nomination was received, it is best to call the OkMRF offices and confirm delivery.
