RESOLUTION NO. 1009

APPROVING FUNDING FOR THE PRODUCTION OF "OKLAHOMA" AS THE CENTERPIECE OF CLINTON'S ROUTE 66 CENTENNIAL CELEBRATION

WHEREAS, U.S. Route 66, the "Mother Road", which passes through Clinton in its 400-mile path through Oklahoma will be celebrate its centennial in 2026; and

WHEREAS, through the years Clinton has been, and is still very proud to be a "Route 66" community; and

WHEREAS, in partnership with the South West Play House (SWPH) and other community groups, the City of Clinton supports the SWPH's plan to present nine performances over three weekends next fall of the extremely well known musical "Oklahoma" at the historic Dick Lloyd Amphitheater in McLain Rogers Park situated on Route 66 in Clinton; and

WHEREAS, the production of "Oklahoma" will be the center piece of Clinton's celebration of the Route 66 Centennial Celebration; and

WHEREAS, the costs associated with presenting this historic production are well beyond the financial means of the SWPH to fund independently; and

WHEREAS, financial support from the City of Clinton and the Clinton community will therefor need to occur, with some pledges already being made.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Clinton to pledge $50,000.00 cash in FYE 26 towards the production costs of "Oklahoma".

PASSED by the City Council this 18th day of November 2025.

Oklahoma unveils plans for Route 66 centennial celebration in 2026

The Journal Record 11/13/2025

Lieutenant Governor Matt Pinnell and the Oklahoma Route 66 Centennial Commission announced early plans for a yearlong celebration honoring the 100th anniversary of America's most iconic highway in 2026. The announcement, made as Route 66 marks its 99th anniversary, launches a multi-year effort to spotlight Oklahoma's leadership in preserving and promoting the Mother Road.

The celebration will showcase Oklahoma's more than 400 miles of Route 66, the most drivable miles of any state, and invite travelers worldwide to experience the historic highway that helped define the American story.

"Nothing gives the authentic American experience better than Route 66, and in Oklahoma, we're thrilled to celebrate its centennial with an exciting lineup of events," Pinnell said in a news release. He chairs both the Oklahoma Tourism Commission and Oklahoma Route 66 Centennial Commission. "As we prepare for the 100th anniversary, we are showcasing our communities and leaning into the incredible economic impact that Route 66 brings to our state."

The Route 66 Centennial Commission will oversee projects and events leading to 2026, including several major celebrations.

On May 30, 2026, Tulsa will host a Route 66 Capital Cruise, featuring the largest classic car parade ever assembled and what organizers are calling the biggest birthday bash the Mother Road has ever seen. That same day, Oklahoma City will present a Route 66 "Kickin' It" Centennial Birthday Bash, a full-day experience blending nostalgia with modern flair.

An Oklahoma Route 66 Muralfest will take place July 18, 2026, in conjunction with Oklahoma's Independent Shopkeepers Association's "Weekend of Local." The event will feature the unveiling of murals in communities along Route 66.

The yearlong celebration will conclude on November 11, 2026, with the Route 66 Tulsa Birthday Bash and Veterans Day Parade. The event will feature live music and performances at various downtown Tulsa locations, culminating with a concert at Cain's Ballroom.

Sterling Zearley, Executive Director of the Oklahoma Tourism and Recreation Department, emphasized the highway's enduring significance. "For nearly a century, Route 66 has embodied the spirit of exploration and optimism that defines Oklahoma," Zearley said in a news release. "As we look ahead to the centennial, we're not just celebrating our past, we're inviting a new generation of travelers to discover why bold truly belongs here. The Mother Road tells a story of progress, resilience, and connection, and Oklahoma will continue to lead that story into its next hundred years."

Trait Thompson, executive director of the Oklahoma Historical Society, noted the highway's role in connecting communities. "The creation of the Mother Road in 1926 connected Oklahoma to the rest of the country and became a thread that wove together countless lives and communities. The centennial is not just a moment to look back—it's an opportunity to look forward," Thompson said. "We're working to ensure Route 66 remains a living, breathing experience for generations to come."

The statewide celebrations will bring together travelers, historians, and road trippers from around the world. Details on individual events, partnerships, and promotional campaigns will be announced throughout 2026.

Mr. Robert Johnston, Manager
City of Clinton
P.O. Box 1177
Clinton, Oklahoma 73601

Dear Mr. Johnston:

Subject: J/P 31842(04) Construction, J3-1842(004)
J/P 31842(06) Utilities, NHPPI-4000(140)UT
Custer County, I-40
Amended Inspection Approval

We have a letter of November 7, 2025 requesting an increase to the Inspection "cost-not-to-exceed" amount for **Garver** to perform additional Inspection for the rearrangement of your existing facilities within the limits of this highway project. This project is on I-40 at Exit 65, I-40B West JCT in Clinton.

We approve your request for additional funds in the amount of **$95,520.00** which would increase the original cost-not-to-exceed amount of **$156,151.50** to **$251,671.50**. The amount paid for inspection will be computed on actual time expended for services rendered, at the rates presented in the engineer's schedule.

Unless there is a change in the scope of the project or unforeseen aspects concerning the rearrangement of the facilities, adjustment of the cost-not-to-exceed amount for Inspection services will not be considered.

When submitting a claim for payment, the claim must be accompanied by a detailed employee time record. The employee time record must include the following information: employee name, job title, day/time of work performed. Please forward a copy of this Engineering Approval letter to Garver, LLC.

If we can be of further assistance, please call me at 405-388-6608.

Thank you.

Christopher Owens,
District 5 Utility Manager

image003.png

Good afternoon,

Due to the delays in construction, we have spent more effort on this project for construction observation than originally anticipated and have exceeded our observation budget for this phase of the project. I wanted to see if it would be possible for us to get an amendment to the contract to extend the observation services through the end of the project. If we estimate that construction will take an additional 12 weeks, we would like to have the amendment be for $95,520 (12 Weeks x 40 hr/Week x $199/hr).

Please let me know if this is acceptable or if you have any questions.

Best,

GARVER

RE: Clinton Water Improvements

Mr. Helvick, We are writing this letter to provide accounting for the change from bore to open cut on Water Line 3 North of the cross tee.

The following items will need to be amended by change order to the quantities:

Item 5 – 20" Casing Installed via Trenchless Construction, deduct 115 LF @ $440.00/LF	($50,600.00)
Item 6 – 20" Casing Installed via Open Cut, add 115 LF @ $120.00/LF	$13,800.00
Item 18 – Combined Curb & Gutter, add 12 LF @ $125.00/LF	$1,500.00
Item 19 – Removal of Curb & Gutter, add 12 LF @ $10.00/LF	$120.00
Item 20 – Standard Bedding Material or Select Backfill, add 111 CY @ $60.00/CY	$6,660.00

The following items will need to be added by change order:

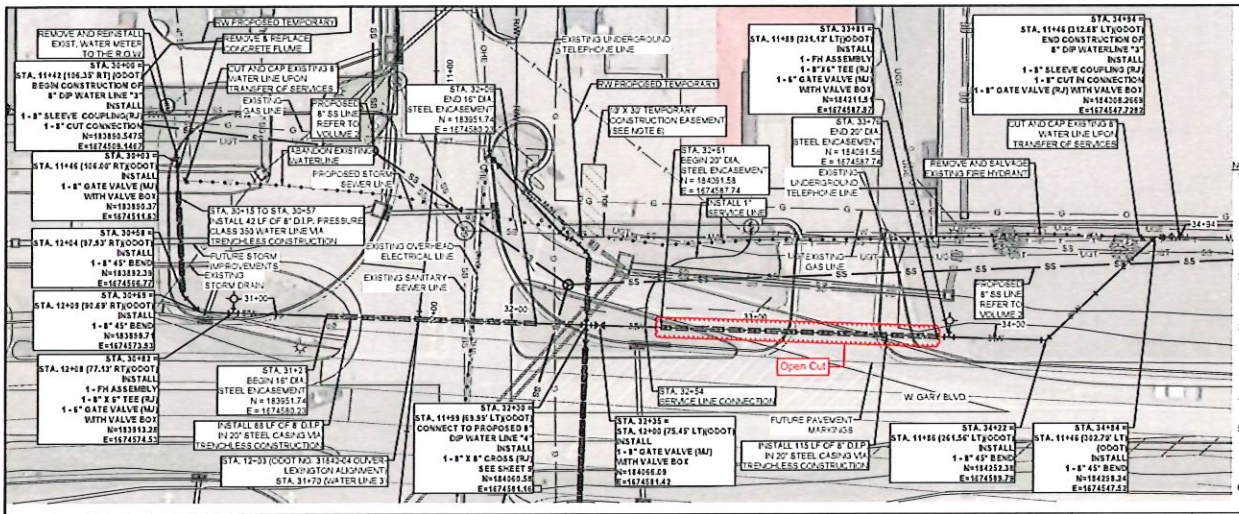

Item CO 3.1 – Removal of Concrete Pavement, add 77 SY @ $10.00/SY	$770.00
Item CO 3.2 – Concrete Pavement Placement, add 77 SY @ $200.00/SY	$15,400.00

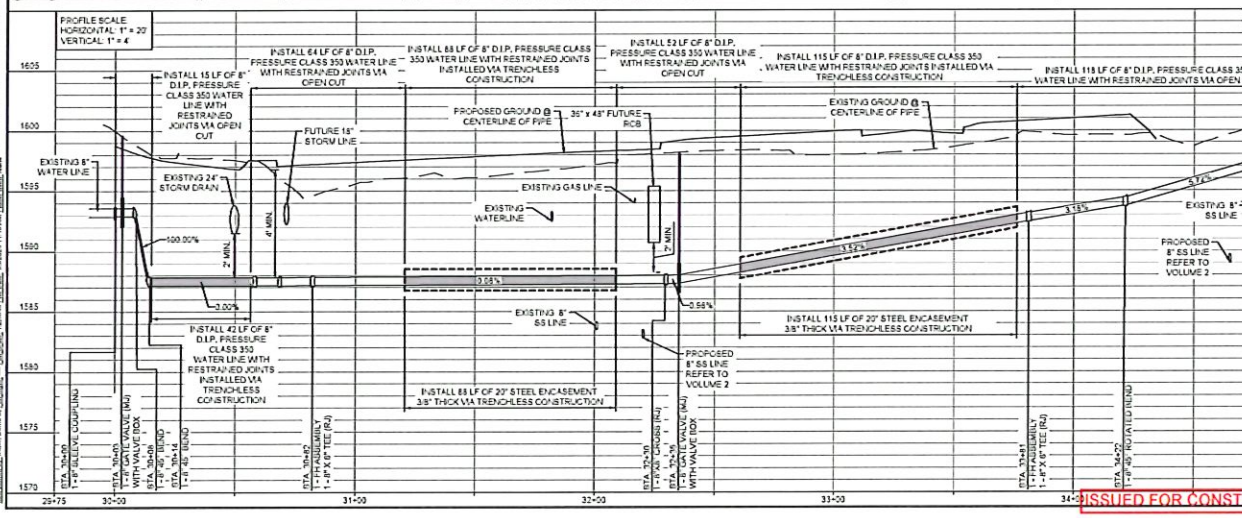

Total Deductions by Amendment to Quantities	($50,600.00)
Total Additions by Amendment to Quantities	$22,080.00
Total Additions by Change Order to Quantities	$16,170.00
Net Deduction to Contract	($12,350.00)

JUSTIFICATION – Because the turn lane is already shut down as a result of prior work, we can save the City money and expedite the installation of the water line in this area by installing the required casing by open cut method in lieu of trenchless boring. Because the water line contract did not originally have quantities for concrete pavement removal and replacement, those quantities will need to be added by change order.

Respectfully,

Wade Vakulick,
Project Manager,
Krapff Reynolds Const. Co.
