All items on this agenda, including but not limited to any agenda item concerning the adoption of any ordinance, resolution, contract, agreement, or any other item of business, are subject to amendment, including additions and/or deletions. This rule will apply to every individual agenda item without exception, and without providing this same amendment language with respect to each individual agenda item. Such amendments should be rationally related to the topic of the agenda item, or the governing body will be advised to continue the item.

The governing body may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item. When more information is needed to act on an item, the governing body may refer the matter to its City/Trust Manager, staff, attorney or to the recommending board, commission, or committee.

(This item is placed on the agenda so the Public Works Authority Trustees, by unanimous consent, can designate those routine items they wish to be approved by one motion. If an item does not meet the approval of all members, that item(s) will be heard in regular order.)

BEFORE THE OKLAHOMA WATER RESOURCES BOARD
STATE OF OKLAHOMA

IN THE MATTER OF LOAN APPLICATION)
NO. FAP-26-0008-L IN THE NAME OF)
THE CLINTON PUBLIC WORKS AUTHORITY)
CUSTER COUNTY, OKLAHOMA)

ORDER APPROVING LOAN APPLICATION

This matter came on for consideration before the Oklahoma Water Resources Board (the "Board") on the 18th day of November, 2025.

WHEREAS, The Clinton Public Works Authority (the "Applicant") has made its Application for Funding No. FAP-26-0008-L (the "Loan Application") to the Board for a loan from the proceeds of the Board's State Loan Program Revenue Bonds issued pursuant to the 2016 General Bond Resolution dated as of November 1, 2016, as supplemented and amended (the "Bond Resolution"), and authorized by Title 82 Oklahoma Statutes 2021, Sections 1085.31 *et seq*, as amended; and

WHEREAS, the Applicant intends to use the loan to provide for acquisition, development, and utilization of storage and control facilities for water and sewage systems for the use and benefit of the public and for the conservation and distribution of water for beneficial purposes in or from reservoirs or other storage facilities and/or refinancing indebtedness originally incurred for such purposes; and

WHEREAS, the Board has completed its review of the Loan Application and related information, and finds that the Loan Application should be approved according to the terms and conditions set forth below.

NOW, THEREFORE, LET IT BE RESOLVED AND ORDERED BY THE OKLAHOMA WATER RESOURCES BOARD:

Application for Funding No. FAP-26-0008-L in the name of The Clinton Public Works Authority be and the same is hereby approved. Subject to and contingent upon the Board's receipt of sufficient funds, a loan shall be made to the Applicant for the following purpose and subject to the following terms and conditions:

Purpose

The loan proceeds, along with other funds of the Applicant, if any, will be used to (i) construct a lift station with bar screen facilities, a force main, a bar screen access stairwell pit, a splitter box, and a manhole, all related appurtenances (the "Project"), (ii) satisfy the Local Reserve Requirement, if necessary and (iii) pay related costs of issuance, all as more specifically set forth in the Application.

Terms and Conditions

1. A loan shall be made out of proceeds of the Board's State Loan Program Revenue Bonds to the Applicant to provide funds for the Project described in the Loan Application in an aggregate principal amount not to exceed $5,390,000.00. The Applicant shall pay interest on the loan at a fixed or variable rate to be established periodically by the Board. Principal and interest payments shall be made on a semi-annual basis or as otherwise provided for under the Bond Resolution. The term of the loan shall be no longer than thirty (30) years.

2. The loan shall be secured with a lien on the revenues of the Applicant's water and sewer systems, a 3 cent sales tax and may include a mortgage on the Applicant's water and sewer systems and other real property.

3. The funds shall be reserved for the Applicant for a period of one (1) year from the date of this Order. In the event the loan is not closed on or before such date, the Board reserves the right to (i) approve, at the Applicant's request, a reasonable extension of time to close the loan, or (ii) de-obligate all or a portion of the loan funds in order to be used by the Board to make other loans, as the Board determines shall permit the best use of the funds. Funds shall be provided to the Applicant from proceeds of the Board's State Loan Program Revenue Bonds in accordance with the requirements of the Bond Resolution.

4. The Board's Staff is authorized to determine what additional conditions or requirements shall be necessary in order to assure the soundness of the loan and compliance with applicable financial, legal, and Bond Resolution requirements. The Board's Staff is further authorized to approve future modifications or additions to the project purposes and uses of funds approved herein, provided such modifications or additions will not materially and adversely affect the loan.

5. The loan shall be subject in all respects to the provisions of the Applicant's promissory note(s), loan agreement(s), and other loan documents which shall be executed by proper officials of the Applicant and a Board Member at or prior to loan closing as appropriate.

6. Additional loans may be made at such times, for such projects of the Applicant, at such repayment periods and interest rates, and upon such other terms and conditions as may be agreed to and approved by the Board and the Applicant.

So ordered this 18th day of November, 2025, in regular and open meeting of the Oklahoma Water Resources Board.

LETTER OF BINDING COMMITMENT

November 20, 2025

Mr. David Berrong, Chairman
The Clinton Public Works Authority
Post Office Box 1177
Clinton, OK 73601

Re: Notice of Approval and Commitment of Funds FAP-26-0008-L, The Clinton Public Works Authority, Custer County

Dear Mr. Berrong:

We are pleased to formally notify you that on November 18, 2025 the Oklahoma Water Resources Board (OWRB) approved The Clinton Public Works Authority's (the "Authority") request for a loan. With this approval, and upon The Clinton Public Works Authority's written acceptance of this "Letter of Binding Commitment," limitations, requirements, and points of understanding set out below, the Board has committed funds to be made available to The Clinton Public Works Authority for purposes detailed in the enclosed Board Order.

The terms and conditions set forth in the Promissory Note, Loan Agreement, and other loan documents shall be mutually agreed to and approved by the Authority and OWRB or their authorized agents as appropriate before said documents are executed and binding upon respective parties. The Promissory Note, Series 2025, shall not exceed the aggregate principal amount of $5,390,000.00. It is our understanding that funding of this project, estimated at $5,176,436.00, is being secured as follows:

Sources of Funds (Est.)		**Uses of Funds (Est.)**	
Loan Proceeds	$5,176,436.00	Project	$5,004,632.50
		Bond Counsel	67,205.45
		Financial Advisor	67,205.45
		OWRB Costs of Issuance	21,113.29
		Local Counsel	15,529.31
		Trustee Bank	750.00
Total	$5,176,436.00	**Total**	$5,176,436.00

In acceptance of this "Letter of Binding Commitment," The Clinton Public Works Authority acknowledges that it must agree to the following terms before the loan funds for construction will be advanced:

1. A copy of the project's construction plans and specifications needs to be provided for our review and comments.

2. A copy of the construction permit, when issued by the Department of Environmental Quality, should be furnished.

3. After project bid opening, the engineer should submit a complete tabulation of all bids with a revised project budget to the Authority. The Authority should then submit copies of the bid tabulation, project budget, engineer's recommendation and the Authority's recommendation to the OWRB. After the contracts are awarded, the Authority must provide one set of signed contract documents with the required insurance and bonds to the OWRB for approval.

4. a. The Authority's bond counsel, Mr. Allan Brooks, will need to prepare drafts of the necessary loan documents, including the Loan Agreement, Promissory Note, Trust Agreement, Mortgage, Financing Statements, Arbitrage and Use of Proceeds Certificate, Applicant Questionnaire, and Opinion of Bond Counsel. Mr. Brooks will seek the assistance of the Authority's local counsel in furnishing easement descriptions, if applicable, property title opinion, and the local counsel's legal opinion concerning this loan. These must be submitted for our staff's review and approval before we will order the money to close the loan.

   b. The OWRB must receive, within 15 days after closing, file-stamped copies of each Financing Statement (separate and apart from the copies that will be bound in the transcript we will receive later).

5. The Authority has chosen to fulfill the Local Reserve Fund Requirement by meeting and maintaining a Super Debt Coverage Requirement. If the Authority at a later time fails to maintain the Super Debt Coverage Requirement then the Authority must within 90 days of written notification by the OWRB either 1) provide written proof of official action taken by the Authority to increase utility rates in an amount sufficient to meet the Super Debt Coverage Requirement, 2) provide written proof that the Authority currently meets the Minimum Rating Requirement, 3) provide a certificate of insurance from a Qualified Bond Insurer evidencing that the Authority meets the Surety Requirement, or 4) provide written proof to the OWRB that the Authority has made an initial deposit into the Local Reserve Account in the amount of $1/24^{th}$ of the Cash Reserve Requirement and will continue to make monthly deposits in a like manner for a period of not more than 24 months until the Cash Reserve Requirement is fully funded.

6. A local trustee bank shall be selected by the borrower and approved by the OWRB. For a bank to qualify to serve as a local trustee, it must: (a) have a trust department; (b) have at least $100,000,000.00 in assets; (c) have capital, surplus and undivided profits of at least $10,000,000.00; and (d) have previously acted or currently be acting as trustee on similar municipal bond issues. The role of the trustee includes but is not limited to, disbursing

loan funds upon requisitions by the borrower, collecting monthly payments from the borrower and making semi-annual loan payments to the OWRB's trustee bank.

7. The Authority is required to obtain and furnish proof of the following insurance and bonds prior to loan closing and throughout the term of the loan upon policy expiration dates:

   a. The treasurer or other official entrusted with handling the funds for the Authority will be covered by a Position Fidelity bond. The amount of the bond must be at least equal to the maximum amount of money that the Authority may have on hand at any one time. The bond shall also have a power-of-attorney attached.

   b. The Authority must carry extended insurance coverage on the utility system sufficient to cover all mortgage indebtedness with standard mortgage clause in favor of the mortgagee or mortgagees as their interests may appear.

   c. The Authority must carry liability insurance.

   d. Worker's compensation insurance must be carried on the person or persons operating the utility system. The policy must be in effect at loan closing or start of construction, whichever occurs first.

8. The Authority shall employ a licensed operator to operate the utility system as required by the Department of Environmental Quality. A copy of the operator's license(s) should be submitted.

9. The Authority must complete and submit to OWRB the "Insurance Certification" form to verify that sufficient insurance coverage is carried on the Authority's system and personnel. This form will be sent to the Authority upon project completion and must be returned to OWRB within 30 days of receipt.

As stated in the attached OWRB Order, upon applicant's acceptance of this "Letter of Binding Commitment," the funds will be reserved for the Authority for one year, until November 18, 2026. Accordingly, the Authority must accept this letter of commitment as soon as possible in order to proceed in a timely fashion with loan closing. Please return one original executed copy of the acceptance, page 5. Should you have any questions regarding this notification and letter of commitment, please feel free to contact me at (405) 530-8800.

ACCEPTANCE:

On behalf of The Clinton Public Works Authority, I, the undersigned, being duly authorized to take such action, do hereby accept and agree to the terms and conditions of this "Letter of Binding Commitment." The applicant understands that the State's purpose for this "Letter of Binding Commitment" is to inform the applicant that the loan has been approved and that the funds for the loan will be reserved for a limited time upon applicant's acceptance of the terms of the "Letter of Binding Commitment." This "Letter of Binding Commitment" also acts as the written loan commitment from the borrower that is required under the Internal Revenue Code section 149(f)(4). Following applicant's acceptance of the "Letter of Binding Commitment," the parties will proceed to close the loan in a timely manner consistent with the proposed bond closing date.

Mayor declared the motion carried.

AGENDA ITEM 3. DISCUSSION, CONSIDERATION, AND POSSIBLE ACTION(S) REGARDING:

A. Resolution 1009 – Approving Funding for the Production of "Oklahoma" as the Centerpiece of Clinton's Route 66 Centennial Celebration.

Mayor Berrong asked City Manager Johnston to provide background information regarding Resolution 1009. Johnston reported that that the plan is for a collaboration between the City of Clinton, Southwest Playhouse and private donors/sponsors from the community for 9 performances in the Fall of 2026. This would be the centerpiece of the City's Route 66 Centennial Celebration. The SWPH has secured the production rights but could do no advertising until October 2025. With an anticipated budget of $200,000, funding commitments are needed now. This Resolution provides that the City of Clinton will pledge $50,000.00 towards the production costs.

Mayor Berrong gave a history of the live performances at the McLain Rogers Park - Dick Lloyd Amphitheater. Based upon that history, this production is anticipated to draw 500-700 per night. Fund raising has already commenced.

Re: December 2, 2025, City of Clinton Council meeting

The property that I will be bringing to the City of Clinton, City Council meeting on December 2nd is 211 S. 11th and is owned by Luis F. Caro-Delapena.

On March 7, 2025, the City of Clinton sent the owner per the most recent tax record a violation notice of the dilapidated and unsecure structure. The owner failed to make repairs or secure the structure within the 10 days after receiving the violation notice. On May 20, 2025, the City of Clinton held an abatement hearing with the City Manager which the property owner attended to discuss the condition of the property and the improvements that needed to happen. The property owner thought that the exterior repairs would be made over the summer and as of November 17th very minimal repairs to the exterior and the house is still unsecure.

ORDINANCE NO. 1037

AN ORDINANCE CHANGING THE ZONING FROM R-1 (RESIDENTIAL SINGLE-FAMILY DISTRICT) TO R-3 (RESIDENTIAL MULTIPLE- FAMLY DISTRICT), LOTS 1-3 AND 13- 16 BLOCK 2, SHOEBOY ADDITION ALSO KNOWN AS THE 300 S. 7th and 301 S. 8th, CLINTON, CUSTER COUNTY, OKLAHOMA AND DECLARING AN EMERGENCY

WHEREAS, The Mission House, Inc. owner, requested that the described property be changed from R-1 (Residential Single-Family District) to R-3 (Residential Multiple Family District); and

WHEREAS, the Planning and Zoning Board of said City of Clinton, Oklahoma, meet on October 21, 2025, after due legal notice was given, reviewed the said request and there being no protest or objection as described in 11 Okla. Stat. SS43-102; the Planning and Zoning Board has recommended to this Council that the zoning of such property be approved as requested;

WHEREAS, the matter was discussed in open forum at a Public Hearing before and by the members of the Council, and the Council being fully informed in the premises, does find that the interest of the City of Clinton will be served best by establishing the subject zoning district as requested in the subject request and as recommended by the Clinton Planning and Zoning Board; and

NOW, THEREFORE, be it ordained by the City Council of the City of Clinton that the following described property, to wit:

Lots 1-3 and Lots 13-16 Block 2, Shoeboy Addition, Clinton, Oklahoma also known as 300 S. 7th and 301 S. 8th, Clinton, Custer County, Oklahoma

be and the same is hereby zoned R-3 (Residential Multiple Family District).

WHEREFORE, an emergency is hereby declared to exist, and this ordinance shall be in full force and effect immediately from and after its passage and proof of publication.

Passed and approved this 2nd day of December 2025.

September 24, 2025

Dear City Official:

Re: Letter of Choice for City Bridge Inspection Contracts

The Oklahoma Department of Transportation (ODOT) has prequalified seven consulting firms to perform Local Government bridge safety inspections based on our established qualifications-based selection process and the requirements of the National Bridge Inspection Standards (NBIS). It is anticipated the new routine Local Government bridge inspection contracts will start April 1, 2026 and extend to March 31, 2028. A list of the prequalified inspection firms is attached.

(1) Select one of the ODOT prequalified consulting firms from the attached "Qualified Bridge Inspectors" list. You are encouraged to evaluate the Consultant's Letter of Interest (LOI) and the Consultant's response packet to determine which firm best suits your needs. *Interviews are not required to finalize your selection.* Please refer to the following web site:
https://www.odot.org/projmgmt/off-system-bridge-inspection-consultants-2025-2026/

(2) You may elect to perform bridge safety inspections with your own forces provided the bridge inspection teams and program manager are fully qualified in accordance with the NBIS. For your information we have attached a copy of the latest NBIS qualification requirements. Payment would be based on actual rates including applicable payroll additives for benefits, etc. and vehicle mileage rates. Provide ODOT the qualifications of your team leader, assistant team leader, and program manager for approval prior to performing inspections.

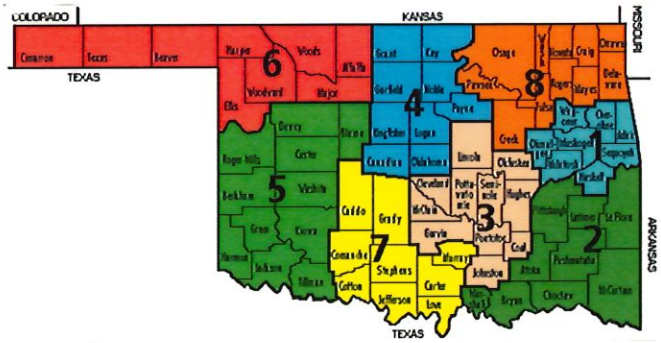

(3) Use the same firm that the County selects.

(4) Let ODOT select for you.

You are respectfully requested to make your choice before ***November 28, 2025, by Resolution stating your choice of 1, 2, 3, or 4 above.*** *It is critical that we receive your resolution in a timely manner to obtain ODOT Transportation Commission approval prior to April 2026. Only one (1) engineering firm per city.* ***If your resolution is not received by November 28, 2025, ODOT will make the selection for you. Please note that, once you select your bridge inspection team, no changes can be made until the next contractual period.***

Please send one copy of your resolution to the appropriate field district office and one copy to the contract administrator (see following page), electronic copies via e-mail are preferred.

Per ODOT policy, the city is responsible for bridge inspections in the cities under their jurisdiction that have less than five (5) bridges. Per Oklahoma statute (69 O.S. § 316) the county is responsible for bridge inspections in cities with a population less than 2,500. Exceptions to the statute may exist where cities with populations between 2,500 and 5,000 have existing maintenance agreements with the county in place, and on file at ODOT, directing responsibility of bridge inspection on the county. For your information, attached is a list of the cities and their populations per the 2020 census.

Once we receive your choice as noted above, the Department will contract with the consultant to perform bridge inspections. Please feel free to contact any of the following with questions you may have:

- ODOT District Office in your area — Ask for the County Bridge Coordinator.
- Steven Gauthe — sgauthe@odot.org — 405-521-2553 — Local Government Division
- Walt Peters — wpeters@odot.org — 405-521-2606 — Bridge Division

National Bridge Inspection Standards (NBIS) Requirements:

Program Manager: Reference is made to 23 CFR Part 650 National Bridge Inspection Standards (NBIS): NBIS require that the program manager be a registered professional engineer, registered in Oklahoma. The program manager is responsible for oversight of the Local Government bridge safety inspection program. He or she must be qualified and approved by the ODOT Bridge Division to review inspection forms, calculate load ratings for posting and closing bridges, do scour studies and assessments, and make repair recommendations to the bridge owner. If the Local Government does not employ a qualified Professional Engineer, you may select a consulting engineer under similar terms covered in choice (2) above for the Program Manager or when there is a qualified Circuit Engineering District in your area, you may use the Program Manager from the Circuit Engineering District – choice (1) above. Program Managers must participate in the Department's QC/QA training.

Inspection Team: The NBIS, FHWA, and / or ODOT require the following: The bridge inspection team consists of a Team Leader and an assistant, with the Team Leader having successfully completed a two-week FHWA approved comprehensive bridge inspection class plus one of the following:
(1) Be a registered Professional Engineer registered in the State of Oklahoma with a minimum of 6 months bridge inspection experience.
(2) Have a full five-year bridge safety inspection experience.
(3) Have a NICET level III or IV in bridge safety inspection.
(4) Have a bachelor's degree in engineering from accredited college or university, pass the National Council of Examiners for Engineering and Surveying Fundamentals of Engineering examination, and have a minimum of two years of bridge inspection experience.
(5) Have an associate's degree in engineering or engineering technology from an accredited college or university and four years of bridge inspection experience.
The Team Leader must participate in the Department's QC/QA training.

Assistant Team Leader: The assistant team leader must have completed two-week FHWA approved comprehensive bridge inspection class **and/or** attend QC / QA bridge inspection training provided by the Department.
