AGENDA ITEM NO. 3: DISCUSSION, CONSIDERATION, AND POSSIBLE ACTION ITEMS

A. Approval of Line of Credit Agreement with the Clinton Hospital Authority Doing Business as the Clinton Regional Hospital.

City Manager Johnston stated that the Clinton Hospital Authority is requesting another Line of Credit Agreement in the amount of $750,000.00. Rachel Owens, IHT, Revenue Cycle Consultant for Clinton Regional Hospital reported that she is still navigating through the billing process and getting the payors credentialed properly. Many claims have been rebilled to the appropriate payor and awaiting payment or denial. She stated she is waiting for access to the Medicare Portal that will let her look at the pending claims and status for payment. Mr. Chris Hickerson stated that the previous company that was supposed to providing this service has been terminated for the billing procedures and the clean up of the past billing has begun. The Authority would like to ask for a Line of Credit to help with expenditures over the next ninety days as the revenues start coming in on a regular basis.

Motion was made by Trustee Dowdell and seconded by Trustee Hill to approve the request Line of Credit Agreement with the Clinton Hospital Authority Doing Business as the Clinton Regional Hospital in the amount of $750,000 with the first draw of $250,000

Chairman put the motion to a roll call vote.

B. Change Order No. One – Contract with Superior Services for Roof Replacement & Coating Rehabilitation on 18th Street & Broadway Ground Storage Tank.

Gene McCullough, Public Works Director presented Change Order No. One – Contract with Superior Services for Roof Replacement & Coating Rehabilitation on the 18th Street & Broadway Ground Storage Tank. He stated that the change order was in the amount of $14,150.00 to add work to: blast clean and weld to repair leak at the base of the weir box, repair some small leaks at the top & bottom of the external overflow pipe, install an interior ladder and platform for diver entry and add another ladder. None of the items were previously identified as needing to be addressed.

In response to a question from Trustee Dowdell regarding the impact of the water tank being out of service again, Mr. McCullough that the water is safe that there were issues with the lake "turning over" and a line break near Bar S that causes some color and taste issues recently. It is anticipated that the project will be completed late November.

Motion was made by Trustee Dowdell and seconded by Trustee Hill to approve Change Order No. One – Contract with Superior Services for Roof Replacement & Coating Rehabilitation on 18th Street & Broadway Ground Storage Tank.

Chairman put the motion to a roll call vote.

C. Approval of Inframark Maintenance Cap Contract Overage FY23/24

Gene McCullough, Public Works Director presented the approval of Inframark Maintenance Cap Contract Overage FY23/24. He stated that the maintenance contract had gone over at the end of June 2024 due to pump repairs at the wastewater treatment plant that had to be repaired quickly. The overage was in the amount of $40,520.74. Discussion was held regarding the amendment to the FY25 Maintenance Cap that was presented to the Trustees for approval. City Attorney Ryan Meacham explained how the Maintenance Cap agreement worked to the Trustees.

Motion was made by Trustee Dowdell and seconded by Trustee Hill to approve the Inframark Maintenance Cap Contract Overage FY 23/24.

Chairman put the motion to a roll call vote.

Aye: Dowdell, Lloyd, Hill, Berrong

Item Title/ Subject: **Change Order #2 18th Water Tower Rehab**

Staff Source: Gene McCullough, Public Works Director

Date: November 1, 2024

History/Background Information: The 2.5-million-gallon storage tank rehab project has reached about 75% completion. The outside shell has been abated of lead and a primer coat has been applied. The contractor is currently blasting the internal shell and preparing to start applying new coatings.

A few items have been revealed in the process of removing layers from decades of coating. Pitts and holes in the metal shell have been observed and need to be addressed.

The overflow pipe was addressed in the first change order. It actually was much more deteriorated (complete bottom on the horizontal section was rotted out) than initially observed and requires a little more material and time.

Recommendation: Approve Change Order #2.

Item Title/ Subject: **Water Wells for RO Plant, Dixon #2, TO #23**

Staff Source: Gene McCullough, Public Works Director

Date: November 1, 2024

History/Background Information: The RO Water Treatment Plant runs below capacity currently as the 3 wells that feed it were only the beginning of the supply that was planned to be built.

The Dixon well produces the best water of the three, and initial test results showed an additional well could be supported on the property. Burns & McDonnell have proposed drilling 3 test wells on the Northeast corner of the property to determine flow and water quality before procuring the additional rights/permissions from OWRB for completing a new well. The location has been selected for its proximity to the raw water line to the plant as well as the initial test results.

The proposed Task Order includes the costs for the drilling and testing and the recommendation on which exact location to proceed with completing for an additional well to feed the RO plant. Also included is consultations with OWRB and ODEQ, and assistance with any tasks involved with both regulatory agencies.

The PWA did budget $300,000.00 for fiscal year ending 2025 toward the construction of an additional well on the Dixon property.

Recommendation: Approve the Task Order #23 with Burns & McDonnell

Price/Cost: Not-to-Exceed $209,550.00

All items on this agenda, including but not limited to any agenda item concerning the adoption of any ordinance, resolution, contract, agreement, or any other item of business, are subject to amendment, including additions and/or deletions. This rule will apply to every individual agenda item without exception, and without providing this same amendment language with respect to each individual agenda item. Such amendments should be rationally related to the topic of the agenda item, or the governing body will be advised to continue the item.

The governing body may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item. When more information is needed to act on an item, the governing body may refer the matter to its City/Trust Manager, staff, attorney or to the recommending board, commission, or committee.

(This item is placed on the agenda so the Recreation Authority Trustees, by unanimous consent, can designate those routine items they wish to be approved by one motion. If an item does not meet the approval of all members, that item will be heard in regular order.)

All items on this agenda, including but not limited to any agenda item concerning the adoption of any ordinance, resolution, contract, agreement, or any other item of business, are subject to amendment, including additions and/or deletions. This rule will apply to every individual agenda item without exception, and without providing this same amendment language with respect to each individual agenda item. Such amendments should be rationally related to the topic of the agenda item, or the governing body will be advised to continue the item.

The governing body may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item. When more information is needed to act on an item, the governing body may refer the matter to its City/Trust Manager, staff, attorney or to the recommending board, commission, or committee.

(This item is placed on the agenda so the Clinton City Council, by unanimous consent, can designate those routine items they wish to be approved by one motion. If an item does not meet the approval of all members, that item will be heard in regular order.)
