The property that I will be bringing to the City of Clinton, City Council meeting on November 17th is 319 S. 6th and is owned by Gary Miller C/o Oswaldo Lopez.

On April 16, 2026, the City of Clinton sent the owner per the most recent tax record a violation notice of the dilapidated and unsecure structure, the owner failed to contact or secure the house within the 10 days. Through out the years the City of Clinton has addressed the condition of the house with obstacles such as probate, divorce to deportation. This year it was on the Tax resale list for failure to pay taxes, someone other than the legal owners paid the oldest years' taxes.

As you will see, due to the lack of maintenance and repairs the structure has deteriorated to the point where it's no longer feasible to repair. The house is also unsecured and when I was taking pictures of the property there were cats running into the house through the open windows and the back door of the house. With the back door being unsecured it shows someone has attempted to remodel the house. This house has not had active water service since August 2006.

As you will see, due to the lack of maintenance and repairs the structure has deteriorated to the point where it's no longer feasible to repair. The house is also unsecured and when I was taking pictures of the property there were cats running into the house through the open windows and the back door of the house. With the back door being unsecured it shows someone has attempted to remodel the house. This house has not had active water service since August 2006.

This return is subject to the condition that upon receipt of the amount stated above, which is a conditional distribution of the whole or part of the Member's Loss Fund paid to OMAG for the 2023-2024 Fiscal Year, the Plan member may be liable for the whole or part of said amount to OMAG for benefits payable under the Oklahoma Workers' Compensation Act, 85 O.S. § 1, *et seq.*, contingent upon notification to OMAG by CompSource Mutual Insurance Company (CompSource) that benefits are due and payable for claims against the Plan member made for the Fiscal Year.
