RE: Clinton Sewer Improvements

Mr. Helvick, We are pricing the installation of junction boxes to reroute the 24" Storm piping.

The following items will need to be added by an amendment to the quantities:

Item 22 – Removal of Concrete Pavement, add 53 SY @ $10.00 per SY	$530.00
Item 23 – Concrete Pavement Placement, add 53 SY @ $200.00 per SY	$10,600.00
Item 24 – Standard Bedding Material or Backfill, add 115 CY @ $60.00 per CY	$6,900.00
Item 26 – Combined Curb & Gutter (6" Barrier), add 36 LF @ $125.00 per LF	$4,500.00
Item 27 – Removal of Curb and Gutter, add 36 LF @ $10.00 Per LF	$360.00

The following items will need to be added by change Order:

Item CO 7.1 – Additional Traffic Control, add 1 LS @ $1,952.00 per LS	$1,952.00
Item CO 7.2 – 4' x 10' Storm Junction box, add 2 EA @ $9,083.00 per EA	$18,166.00
Item CO 7.3 – RCP Storm Pipe (24"), add 24 LF @ $913.00 per LF	$21,912.00

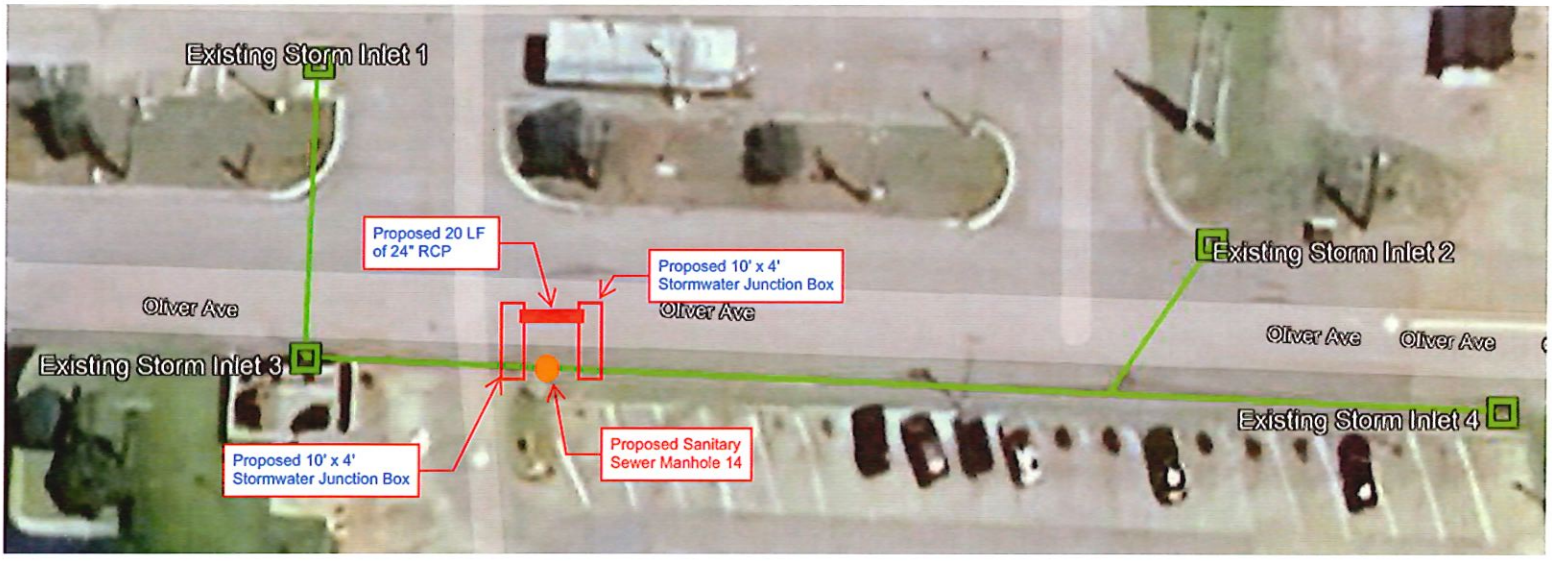

Total Additions by Amendment to Quantities	$22,890.00
Total Additions by Change Order to Quantities	$42,030.00
Net Addition to Contract	$64,920.00

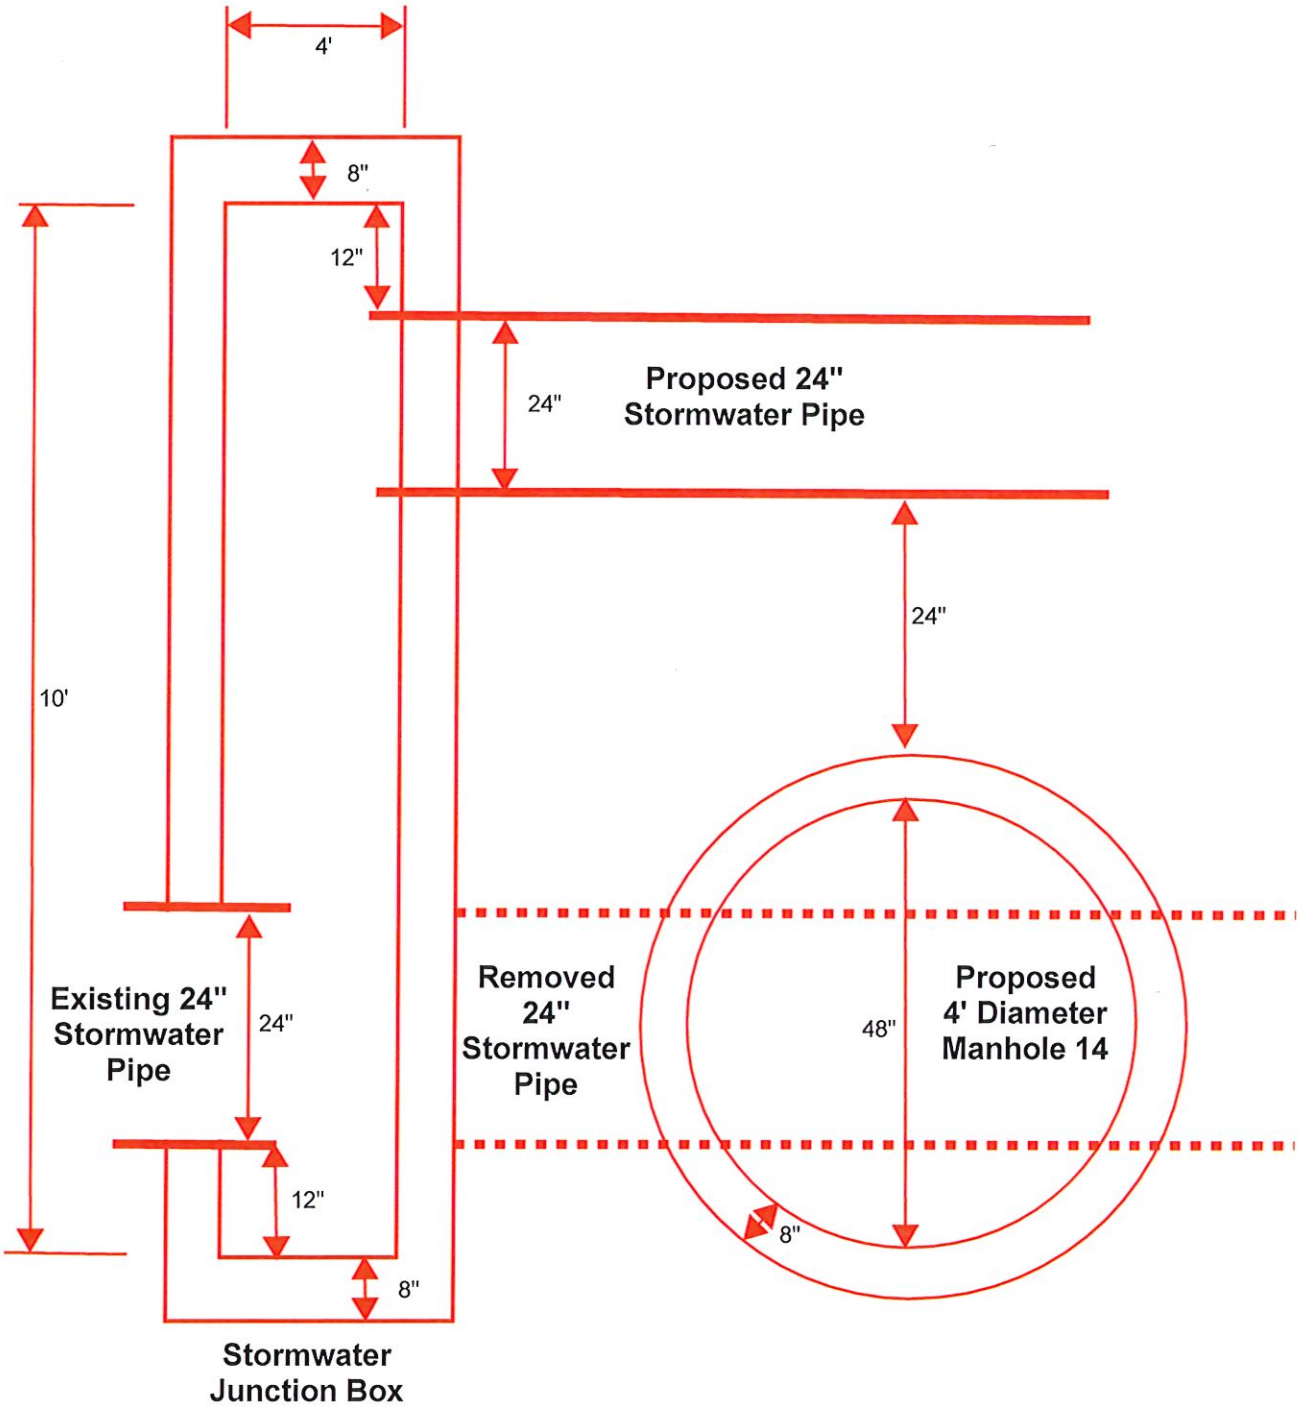

JUSTIFICATION – Due to the existing 24" RCP storm sewer being in the same alignment as proposed manhole 15, the storm system will need to be rerouted. This will involve additional traffic control, excavation, materials and pavement removal and replacement. We will also need additional time to complete this work. Therefore, we are requesting 60 days be added to the contract.

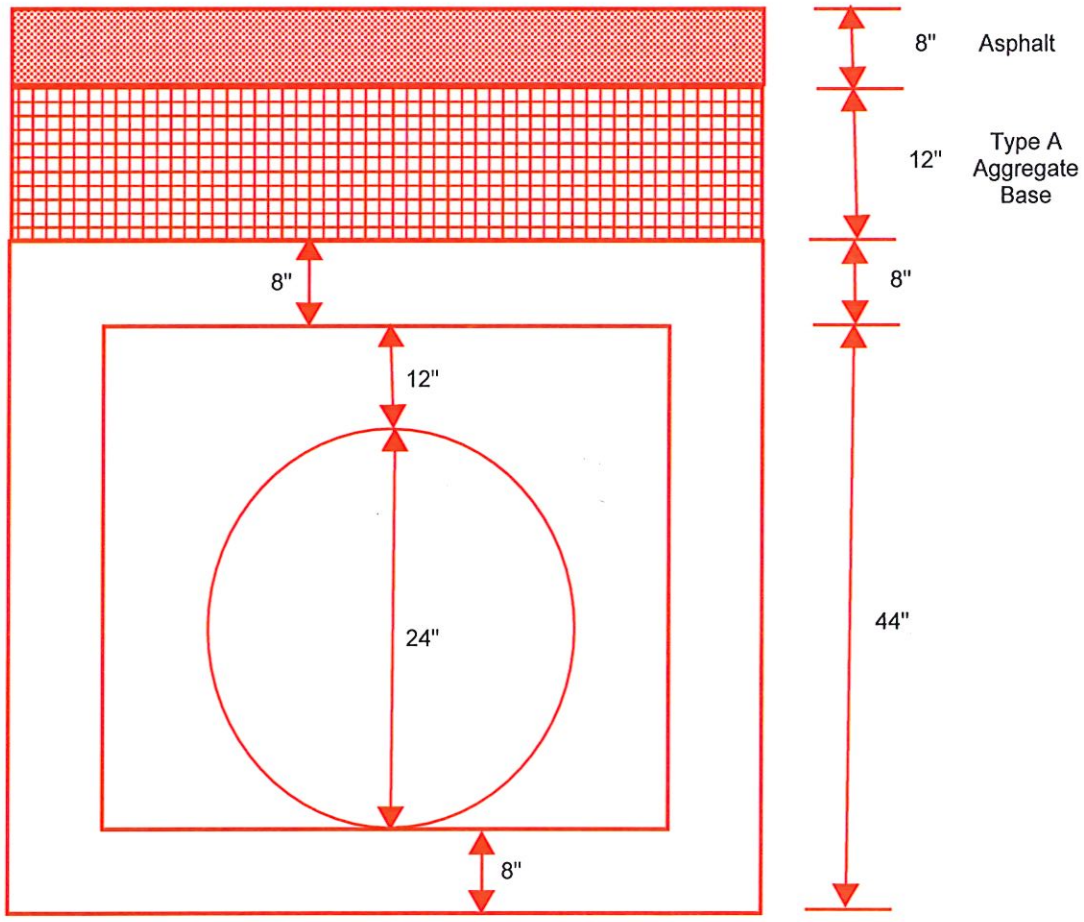

Respectfully,

Wade Vakulick,
Project Manager,
Krapff Reynolds Const. Co.

Agenda Commentary

Item Title/ Subject: Request Authorization to Purchase two vehicles for the Patrol Division.

Staff Source: Luis De La Torre, Chief of Police

Date: January 29, 2026

History/Background Information: The Council approved the purchase of vehicles in the budget for this fiscal year.

These two vehicles will replace two 2014 Ford Tarus that have not been operable for months. Both have higher milage with mechanical issues, one of them requires mechanical repairs that outweigh the value of the vehicle.

Recommendation: Purchase the vehicle from McKinsey Motors is quoted below the State Contract price (SW0035).

Price/Cost: Quote attached.

Re: February 3, 2026, City of Clinton Council meeting

The property that I will be bringing to the City of Clinton, City Council meeting on February 3rd is 1121 Lee and is owned by Beverly Jewel Taylor.

On January 6, 2026, the City of Clinton sent the owner per the most recent tax record a violation notice of the dilapidated and unsecure structure due to fire that occurred on December 29, 2025. On January 7, 2026, I spoke to Lisa Taylor, which is the daughter of Beverly Taylor, that some sort of work needed to be done by either temporarily securing or demolishing the house and she would need to contact my office by January 16, 2026, to let me know what was going to take place. Lisa Taylor did tell me that her mother Beverly had passed away, and she did not have the funds to work on the house. On January 20, 2026, I rechecked the property to see if any type of work had taken place at house and as you can see from the picture there has not and Lisa Taylor failed to contact my office by that date as well.
