Dear Mr. Johnston,

We want to take a moment to inform you of upcoming adjustments to Sparklight's residential and business cable television rate structures, as well as a change to our 100 Mbps internet service.

Cable TV

At Sparklight, we are committed to providing our customers with quality TV programming at a competitive price and we make every effort to minimize costs. In our contract negotiations with cable networks and broadcasters, we work hard to ensure our customers don't suffer unfair price increases as a result of unreasonable rate demands. Over the past several years, however, cable networks and broadcasters have increased their fees at an alarming rate. For example, over the past 3 years, broadcasters have increased their fees more than 90 percent. Despite our best efforts to control these dramatically increasing costs, Sparklight, like other cable and satellite companies, must pass a portion of these costs on to our customers.

As a result, effective with billing statements beginning February 27, 2022, we will be adjusting our residential and business cable TV rates. Please see the tables below for affected services. Current customers who are on a promotional rate are excluded from this rate adjustment during the term of their promotion.

Sparklight Residential TV Service	Rate Change
Economy Cable TV	No Increase

Business Entertainment FOX FS2	+$8.50/month

Internet Service
Effective with our next billing statement, we will also be discontinuing our residential 100 Mbps internet service, and migrating customers over to our 200 Mbps plan, which is the closest match to their existing service and offers twice the download and upload speeds and twice the data.

We value our partnership with Clinton and we will continue to provide our customers with the latest products and technical advancements, while maintaining the highest level of reliability and customer care. We recognize that we have a responsibility to our customers and the communities where we do business, and we will continue to ensure that we are the kind of company that our communities are proud to call a neighbor.

Please feel free to contact us with any questions or concerns you may have, and we look forward to working with you in 2022.

Sincerely,

Brook McDonald

AGENDA ITEM NO. 3 DISCUSSION, CONSIDERATION AND POSSIBLE ACTION ITEMS:

A. Proposal Submitted by West Texas Turf, LLC for Management of the Riverside Golf Course

City Manager Johnston presented information regarding the proposal from West Texas Turf, LLC for management of Riverside Golf Course. He stated that, at the request of the Golf Advisory Board, he had run an online advertisement for a maintenance superintendent a few months back. The only response received was an inquiry from Mr.

Painter regarding his firm's potential interest in providing contract management services for the golf course. The Golf Advisory Board has reviewed the proposal and teleconferenced with Painter last week regarding his proposal. They recommended that the Recreation Authority consider developing a contract to utilize the proposed services.

Mr. Mike Painter was present via zoom and reviewed his proposal with the Trustees. He explained his goal was to make something that is already good, great. Improving on what we currently offer with enhanced management of the greens with the goal to draw more people from other communities to the course. Trustee Dowdell asked Mr. Painter what his interest was in coming to Clinton? Mr. Painter responded that his company is a young company and looking for ways to expand. He wants to improve the course and help the City to reduce costs associated with the golf course.

Discussion was held among the Trustees. The Trustees were given opportunity to ask questions. City Attorney Meacham advised that the Authority could authorize the City Manager and City Attorney to begin contract negotiations that would be brought back to the Recreational Authority for possible review and approval.

The motion was made by Trustee Dowdell and seconded by Trustee McComas to authorize City Manager Johnston and City Attorney Meacham to begin contract negotiations with West Texas Turf, LLC for management of the Riverside Golf Course.

Moved by Trustee Dowdell and seconded by Trustee McComas to adjourn the meeting.
