8. ADJOURN

Filed this 29 th Day of July, 2022. Posted on the bulletin board in the lobby of the Clinton City Hall on July 29,, 2022 at 5:00 p.m.

MINUTES OF THE CLINTON CITY COUNCIL REGULAR MEETING
JULY 19, 2022

Minutes of the meeting of the Mayor and Council of the Clinton City Council, City of Clinton, Oklahoma, Custer County, held in the City Council Room, City Hall on Tuesday, July 19, 2022, at 5:30 p.m. A notice of this meeting with agenda was posted on the bulletin board in the lobby of Clinton City Hall on June 15, 2022, at 3:00 P.M.

Mayor David Berrong called the meeting to order at 6:18 p.m.

MAYOR: David Berrong
COUCELMAN: Patch McComas, Ernie Dowdell, Arthur Lloyd, Ernesto Villanueva
MANAGER: Robert Johnston
CITY TREASURER: Debra Blanchard
CITY ATTORNEY: Ryan Meacham
CITY CLERK: Amy Jones
NEWS MEDIA: Rod Serfoss, Nydia Campbell, Mike Smith
OTHERS: Gene McCullough, Jeff Johnson, Joshua McGuire, Billy Goodwin, Donnelle Wollmann, Lana Johnston, Greg Adams, Danny & Patricia Tharp, Bobby & Judy Stewart, and others.

Jeff Johnson, Pastor of the First Christian Church opened the meeting with prayer and Bobby Stewart, Post Commander, American Legion Post 41 led the Pledge of Allegiance.

AGENDA ITEM NO. 2: CONSENT AGENDA

A. Minutes of the June 21, 2022, Regular Meeting
B. Lease Renewal for the Eastside Academy Facility

Motion was made by Councilman Dowdell and seconded by Councilman Villanueva that the Consent Agenda Items be approved.

Mayor put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Mayor declared the motion carried.

AGENDA ITEM NO. 3 DISCUSSION, CONSIDERATION AND POSSIBLE ACTION ITEMS:

A. Bid Acceptance for Railroad Bridge repairs at Acme Brick Park

City Manager Johnston stated that we had anticipated receipt of an updated bid from McGrath Rail LLC for the railroad bridge repairs for consideration at this meeting but that

the bid had not been received. McGrath's previous bid of $64,995.97 was dated 2/14/2022 and lapsed 30 days thereafter. McGrath had presented the most responsive plan of repairs, including the recommendation for an engineer's bridge inspection which was completed by CED7. The other two bids were less costly but did not address all of the needed repairs. This item should be revisited at the next regular meeting.

The motion was made by Councilman Dowdell and seconded by Councilman Villanueva to table the bid acceptance for the railroad bridge repairs at Acme Brick Park until the next meeting.

Mayor put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Mayor declared the motion carried.

B. Approval of the Rodeo Parade on Frisco Avenue, Friday 7/29/2022.

City Manager Johnston presented the Rodeo Parade application that has been signed off on by the Chief of Police Rinkel. The parade will start at Frisco and 10th Street and end on Frisco and 5th street the normal parade route. Because more than five blocks will be closed during the parade, Council approval is also required.

The motion was made by Councilman Dowdell and seconded by Councilman Villanueva to approve the closure of the blocks necessary to accommodate the parade route on Frisco Avenue between 10th Street to 5th Streets.

Mayor put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Mayor declared the motion carried.

AGENDA ITEM NO. 4 NEW BUSINESS (If any, pursuant to Section 311.9 of the Oklahoma Open Meeting Act.)
None

AGENDA ITEM NO. 5 COUNCIL COMMENTS
None

AGENDA ITEM NO. 6 CITY MANAGER'S COMMENTS

City Manager Johnston introduced the new IT technician Joshua McGuire who had recently started working for the City. He also reported that we will be meeting with the

engineers working on the universal access compliance of the McClain Rogers Park next Tuesday. This discussion should conclude with a final compliance plan with cost estimates so that we can commence pursuit of grant funding to do the work.

AGENDA ITEM NO. 7: AUDIENCE PARTICIPATION (According to Audience participation Decorum Guidelines at Clinton City Council Public Meeting s effective:2/14/2017)

None

AGENDA ITEM NO. 8: ADJOURNMENT

Moved by Councilman McComas and seconded by Councilman Dowdell to adjourn the meeting.

Mayor put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Mayor declared the meeting adjourned at 6:18 P.M.

Agenda Commentary

Item Title/ Subject: Update siren head and add digital control system

Staff Source: Brett Russell, Fire Chief

History/Background Information: Siren Head – Model 20001 Federal Signal AC/DC Rotating, Siren digital control, high band, two way

Special Mode Variation – For two way radio

Item/Subject Summary: Plan for updating dated siren control system and storm siren that does not work properly.

Price/Cost: $42,099.36

Recommendation: Approval of this purchase to continue to keep storm siren system up to date and working.

July 15, 2022

Dear City Manager,

We want to take a moment to inform you of an upcoming adjustment to Sparklight's residential **Standard Cable TV and Standard Sparklight TV** rate structures, as well as Sparklight Business video rates.

We are committed to providing our customers with quality TV programming at a competitive price and we make every effort to minimize costs. In our contract negotiations with cable networks, we work hard to ensure our customers don't suffer unfair price increases as a result of unreasonable rate demands. Over the past several years, however, cable networks have increased their fees at an alarming rate and programming fees are now the largest component of our customers' monthly cable bill. In just the past 12 months, we have renewed contracts with eight cable programmers to carry nearly 40 channels – substantially increasing our programming expenses. Additionally, as with other companies, supply chain challenges, labor shortages and market inflation have increased our operational costs. Despite our best efforts to control these dramatically increasing costs, Sparklight, like other cable and satellite companies, must pass a portion of these costs on to our customers.

As a result, effective with billing statements beginning August 28, 2022, our residential **Standard Cable TV, Standard Sparklight TV, and** Sparklight Business Lobby, News and Entertainment rates will increase by $10 per month. Residential customers on a promotional rate are excluded from this rate adjustment during the term of their promotion. As always, we encourage our customers to contact us so that we may share ways they can save money on their monthly bills.

We value our partnership with Clinton, and we will continue to provide our customers with the latest products and technological advancements, while maintaining the highest level of reliability and customer care.

Please feel free to contact us with any questions or concerns you may have. We look forward to our continued partnership.

Sincerely,

/ Sparklight®

July 26, 2022

To All Concerned Parties:

This July we received notification that CMS has approved an Oklahoma State plan amendment which directly impacts ambulance providers in our state. This amendment makes it possible for ambulance providers to work with the OHCA to recoup funding gaps through the Oklahoma Medicaid Program. In order to ensure that we properly recoup the funding available through this program we had to review our current fee schedule, and we found that our current billed rates fall significantly below the allowable rates afforded by one or more of our top 5 payors. Consequently, we must adjust our fee schedule effective August 1. Please find an updated copy of our rates attached for your records.

Sincerely,

Anne Lambeth

RESOLUTION NUMBER 941

A RESOLUTION ACCEPTING RESPONSIBILITY FOR THE ADMINISTRATION AND CONSTRUCTION OF THE CHEMICAL FEED PROJECT AT THE CLINTON LAKE WATER TREATMNT PLANT FOR THE CLINTON PUBLIC WORKS AUTHORITY

WHEREAS, the Clinton Public Works Authority is beginning a project for the engineering and construction of a chemical feed project for the City of Clinton;

WHEREAS, the Clinton Public Works Authority desires that the City of Clinton act as the administrator of said project.

WHEREAS, the City Council agrees to accept the responsibility for the administration of the project for the Clinton Public Works Authority including the bidding, contracting, and construction of said project.

NOW THEREFORE, be it resolved by the City Council of the City of Clinton that the City Council accepts responsibility for the administration of the project for the Clinton Public Works Authority including the bidding, contracting and construction of said project.

McGrath Rail LLC PO Box 4502 Tulsa, OK, 74159 (O) 918-583-4003

July 21, 2022

City of Clinton, Oklahoma
C/O Ms. Summer Pennington
600 S. 28th Street
Clinton, OK 73601

RE: Centennial Train Track Maintenance – **Proposal #COC20220214A-1**

Dear Ms. Pennington,

Thank you for allowing McGrath Rail to view the site on January 18, 2022. We are pleased to present a proposal for track maintenance as well as suggestions moving forward.

McGrath proposes the following maintenance items be addressed:

1) Clean the flange ways at each paved crossing
2) Restore the super elevation in approximately 1,500 Track Feet (Area south of the large pond [approximately 750'] and area SW of asphalt vehicle crossing [approximately 750'])
3) Install approximately 375 EA crossties
4) Deliver, distribute, and tamp approximately 30 Tons of ballast

The price to perform this work is **$72,791.00**. The payment terms for this project are Net 15 Calendar Days upon receipt of invoice. This pricing is good for 30 calendar days.

Additionally, McGrath explored alternatives to timber crossties. Steel crossties can be utilized in lieu of a timber crosstie. This would nearly eliminate the need for concern of tie failure in the future. The price to install steel crossties in lieu of timber crossties is an additional **$12,765.00.**

The McGrath Family is in their 6th generation of "Building Railroads across America since 1865." McGrath is based out of Tulsa, Oklahoma and is certified as a Minority Business Entity (MBE) though the Oklahoma Department of Transportation.

We would be happy to address any questions.

McGrath Rail LLC

AMERICAN TRACK

4909 west 41st Street South
Tulsa, OK 74107

March 28, 2022

Ms. Summer Pennington
City of Clinton, OK
600 South 28th Street
Clinton, OK 73601

RE: Centennial Train Track Maintenance

Ms. Pennington,

American Track is pleased to submit to you the following proposal to complete the maintenance to the Centennial Train Track located in Clinton, OK. American Track will supply all necessary labor, equipment, materials, and supervision to complete the following:

- Change Ties
  - American Track will change every 5th tie in the 5,315 track feet that is currently out of service.
  - All ties removed will be disposed of using a roll-off dumpster.
    - Materials used:
      - 600- 6"x6"x3'6" creosote treated hardwood crossties
      - 10 kegs of spikes

Cost: $42,833.00

- Clean Flange Ways
  - American Track clean the flangeways on all four crossings using a power washer and air compressor.

Cost: $876.00

- Washout Repair
  - American Track will repair the two areas that that have been washed out and have elevation deficiencies approximately 750 feet in the area South of the pond and approximately 750 feet in the area Southwest of the asphalt vehicle crossing.
  - American Track will also place ballast at both bridge approaches where it is lacking sufficient ballast.
  - American Track will use 30 tons of 1" clean ballast to raise and backhoe tamp the track to proper elevation.
    - Materials used:
      - 30 tons of 1" clean ballast

Cost: $8,194.00

Summer,

This quote is with regard to maintenance repairs to the track at the City Park. After reviewing the pictures you sent showing tie condition and over all track structure. I would propose the following work and materials.

SCOPE OF WORK:

1. MOBILIZE CREW AND EQUIPMENT TO CLINTON, OK PARK.
2. FURNISH AND INSTALL 200 NEW RAILROAD TIES 6" X 6" X 4' AROUND THE TRACK IN THE MOST NEEDED AREAS. OLD TIES WILL BE PUT INTO YOUR FURNISHED DUMPSTER FOR REMOVEL FROM PARK.
3. FURNISH NEW ½' X 4-1/2" TRACK SPIKES FOR TIES INSTALLED.
4. GO AROUND THE TRACK CHECKING AND CORRECTING THE TRACK GAUGE.
5. SPOT RAISE AND TAMP LOW SPOTS AND TRACK OUT OF LEVEL.
6. SPREAD YOUR FURNISHED ¾" CLEAN ROCK ON THE TRACK AS NEEDED TO RESTORE PROPER TRACK SECTION.
7. REMOVE ANY KINKS IN THE TRACK AND TIGHTEN ANY LOOSE TRACK BOLTS, REPLACE ANY THAT WILL NOT TIGHTEN.

ITEMS NOT INCLUDED IN THIS QUOTE:

1. ¾" CLEAN ROCK.
2. ENGINEERING, DITCH WORK, DRAINAGE, SEEDING ETC.
3. ANY STATE OR CITY PERMITS TO DO THIS WORK.
4. ANYTHING NOT MENTIONED IN THE SCOPE OF WORK.

TOTAL PRICE: $ 58,670.00

NOTE: TIME TO ACCEPT THIS WORK AND ORDER THE MATERIALS IS 15 DAYS. ALL SUPPLIERS WILL ONLY HOLD THE PRICE FOR THAT PERIOD OF TIME AS WELL AS THE FREIGHT COSTS.

IF YOU APPROVE THIS PROJECT LET ME KNOW AND WE WILL SEND YOU THE CONTRACT AND GET THE MATERIALS SECURE.

THANK-YOU,

June 3, 2022

Mr. Gene Mccullough, Public Works Director
City of Clinton
415 West Gary Boulevard
Clinton, OK 73601

Dear Mr. Mccullough:

RE: Inspection of Acme Park train bridge

At the City of Clinton's request, bridge safety inspectors from this office inspected the subject bridge on May 23, 2022. During this inspection, the inspectors looked at the structural components of the bridge, including the deck, superstructure elements and substructure elements. A narrative of their findings and photographs taken are attached.

A summarization of their findings are as follows:

DECK: The deck is comprised of the main timber ties (6"x6" timber ties) supporting the train tracks, and a walking deck (2"x12" timber planks) to each side and between the rails resting on top of the ties.

- The ties supporting the tracks are in very good condition, with little or no signs of wear or deterioration.
- The walking deck planks show normal minor weathering splits/checks, but not in sufficient amounts to be of concern. There is one plank between the rails at the East end of the bridge is partially broken and should be replaced.

SUPERSTRUCTURE: The superstructure is comprised of steel girders. They show no signs of deterioration, with the black paint system intact, with slight chalking in areas from sun exposure, and very little surface rust in some areas. There are steel plate cross sway braces welded diagonally across the bottom flanges of the steel girders. One of these welds has broken loose from the girder on the South beam, East span. While not of major concern, this should be re-welded in the near future by a certified welder.

SUBSTRUCTURE: The substructure is comprised of steel pipe piling driven into the ground, and steel H-piles welded on top of the piles serving as a cap to support the superstructure. The substructure includes the two abutments at each end of the bridge (with timber backwalls), and the three (3) piers between the abutments.
The piers were visually inspected down to the ground line/water line. All of the substructure members appear to be in good condition, with no issues other than some minor surface rusting where the abutment/pier members meet the soil and where the piers over water meet the water line/splash zone. None of this surface rusting is of concern at this time, but should be periodically monitored (every two years would be sufficient) to make sure rusting doesn't progress to the point that the members are reduced in load carrying capacity.

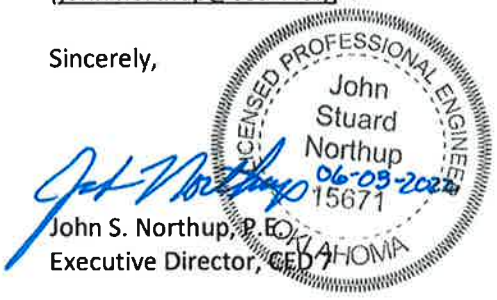

FENCING/HANDRAIL: Chain link fencing is bolted to the deck on both sides of the bridge to act as handrail. This railing system appears to be in good condition with no issues found.

RECOMMENDED REPAIRS:
In summary, I would recommend the following minor repairs when time permits:

1. Replace the broken timber plank between the rails on the East end of the deck to avoid a potential pedestrian being injured by it.
2. Re-weld the broken weld of the sway brace noted earlier.
3. Monitor the pier columns in the water/splash zone periodically to insure the rusting there doesn't progress to where enough section of pipe pile is rusted away to negatively affect the load capacity of the members.

These findings conclude our review of the subject bridge. If you have any questions about these findings or would like to discuss the inspection further, please contact me at (580) 323-8685 or by email at (john.northup@ced-7.org .

Sincerely,

John S. Northup, P.E.
Executive Director, CED-7

Attach.

City of Clinton, Acme Brick Park Train Bridge

4 - 50' I-beam Spans, Beams straight, deck built on curve

Walking Deck:

2"x 12" outer boards good, 2"x10" between tracks have small splits and weathered.

Train track timber ties:

6"x6" treated ties good, no splits. Connections clamps to beams are good and fairly tight (every 4th timber)

Abutments:

8"x16" timber girders are good, minor weathering splits.

Super structure (I-beams and bracing)

Beams are straight and cut slightly shorter on each beam to make the arch in 4 spans. West beam = 50'. East beam = 49', Beams #2 = 49' 9". Beam #3 = 49'3. Beams spaced at different widths. Train tracks sit above beams #2 and 3 flanges for the most part. Over all out – out = 88", average spacing = 27"

Beams are structurally good. No or minimal rust in places, Black paint still good covering with light chalking.
All 3"x3"angle iron X – braces in tact and welds good, Black paint still good and covering with light chalking.

X sway brace on bottom of beams is all still in place and working. Has several welds that were just tacked. 1 tack in #4 span (south) has broken on the outer edge of beam flange. Several others are just ½" short tack welds, but still good.

Sub structure (caps, piles)

Piles #1 and 4 are battered, piles #2 and 3 are straight. No determination on depth.

12"x12" H-beams are structurally good, Minor rust in places on lower flange where soil has built up. Web stiffeners are all in place and welds good. Paint is still mostly there except where soil piled up and rust has caused paint to fail in these locations, light chalking on rest.

7 ½" piles are structurally good, Light rust starts 8' down from cap and down through water line. No visual exfoliation on rusted areas. Paint above the water line is good and covering with light chalking.

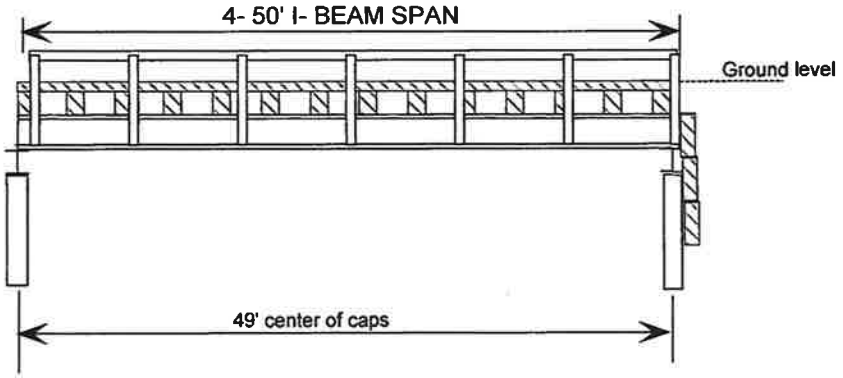

Railing / Fence:

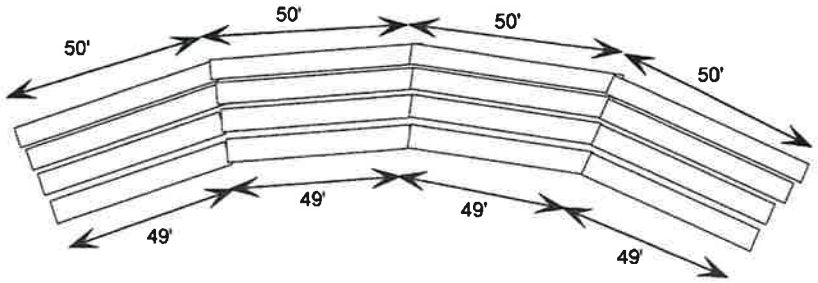

Galvanized chain link fence is good, all supports solid. Bottom of posts welded to 3: angle iron that's welded to bottom flange of beams, no cracks in welds. Upper supports bolted to timber walk deck.

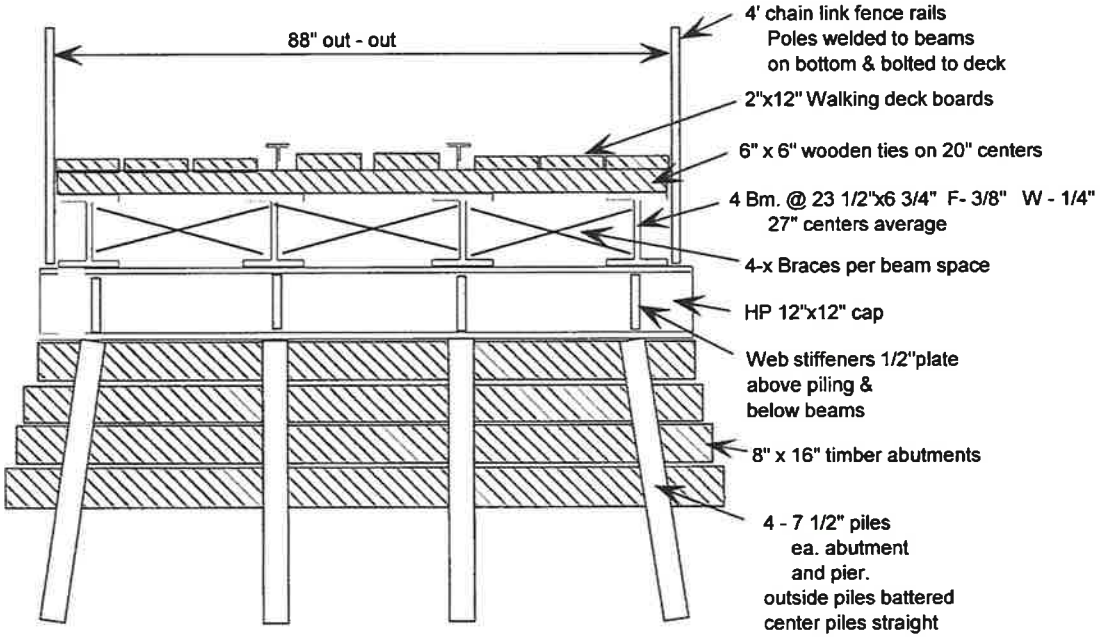

Inspected and plans drawn: Brad Coalson, CED – 7, Brad Coalson

Prepared / drawn by: CED - 7

INTERLOCAL AGREEMENT
BETWEEN CLINTON PUBLIC SCHOOLS AND
THE CITY OF CLINTON FOR IMPLEMENTATION AND OPERATION
OF A SCHOOL RESOURCE OFFICER PROGRAM

This Agreement is entered into this _____ day of August, 2022, between the City of Clinton, a municipal corporation, hereinafter referred to as "CITY" and Independent School District No. 99 of Custer County, Oklahoma a/k/a Clinton Public Schools, hereinafter referred to as "CPS". Together, CITY and CPS shall be referred to as the "Parties".

WHEREAS, the City of Clinton is a charter municipality vested with the power to enter into contracts by Title 11, Section 22-101 of the Statutes of the State of Oklahoma, and CPS is an independent school system with the powers of a corporation, including the authority to contract, by Title 70, Section 5-105 of the Statutes of the State of Oklahoma.

WHEREAS, CPS and CITY have jointly considered and studied the needs of the school district and the City of Clinton and believe that implementing and operating a School Resource Officer Program can provide a positive benefit to both the citizens of the City of Clinton and CPS students; and

WHEREAS, it is mutually beneficial for the parties to enter into an agreement which establishes the duties, assignments, responsibilities, and obligations of the School Resource Officers, the CITY, and CPS; and

WHEREAS, to effectuate the purposes stated above, this Agreement is executed.

NOW, THEREFORE, IN CONSIDERATION of One Dollar ($1.00) and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, and the mutual covenants and agreements contained herein, the parties agree as follows:

I.

TERM OF THE AGREEMENT

1. The term of this Agreement shall be for an initial period of five years, subject to the annual appropriation of funds by the Parties, beginning with the 2022/2023 school year for the Clinton Public Schools. Subject to the appropriation of funds by the Parties, this Agreement shall be renewed automatically for subsequent five year terms.

II.

SCOPE OF AGREEMENT

1. The CITY and CPS agree to partner to implement and operate a School Resource Officer Program. This Program shall place at least one (1) commissioned Clinton Police Department Officers in schools operated by CPS and equip those officers. The terms of this partnership shall be governed by this Agreement.

2. The CITY shall provide at least one (1) employee, all of which will be certified, commissioned police officers of the City of Clinton Police Department for the School Resource Officer Program to be assigned as to the security of CPS school facilities under the terms of this agreement.

3. The CITY agrees that the vehicles utilized by the School Resource Officers shall be marked, fully equipped Clinton Police Department patrol cars. A marked vehicle will be present at each school while a School Resource Officer is on duty at that location.

4. School Resource Officers will work with CPS personnel on a cooperative basis. In addition to law enforcement functions, the School Resource Officers will be available to provide counseling, education and public speaking services as requested by CPS administration or its designated agents.

III.

COMPENSATION

1. The CITY and CPS agree to fund the School Resource Officer Program as provided for in this section.

2. As compensation to the CITY for the Services, CPS agrees to pay the CITY the following:

   a. An annual fee for the period of July 1, 2022 through June 30, 2023 a total of $35,000.00 per officer per year provided. Payment shall be made quarterly in advance of the Services.

3. The cost of the program shall be reviewed annually prior to the budgeting sessions of both the CITY and CPS. If it is found that the cost of the program has increased the Parties agree to continue to jointly fund the Agreement while negotiating any increased costs. Prior to May 1st of each subsequent one year term of the Agreement, the CITY shall notify CPS of increased costs of the program, if any, and provide documentation that supports the increase. CITY and CPS personnel shall meet to discuss these projected costs in order to agree on cost-sharing for the subsequent one year term of the Agreement. These meetings shall be held prior to the adoption of both the CITY and CPS budgets for the year.

4. In the event a School Resource Officer is absent due to sick leave, training, subpoena or court appearance, worker's compensation, holiday, vacation, or emergency, military, or bereavement leave, CPS shall not be relieved of its obligation to pay the entire amount described above. Provided, however, if a School Resource Officer is absent more than five (5) consecutive school days, the School Resource Officer shall be replaced by another Clinton Police Officer qualified to perform the duties of the School Resource Officer or payment shall be reduced on a prorated basis.

   In the event that the CITY finds it necessary to reassign one or more School Resource Officers due to a citywide or major emergency for more than five (5) consecutive school days, payment for services shall be reduced on a prorated basis.

IV.

INDEPENDENT CONTRACTOR

1. The CITY is and at all times shall be deemed an independent contractor and shall be wholly responsible for the way CITY performs the services required by the terms of the Agreement. Nothing herein shall be construed as creating the relationship of employer and employee, or principal and agent, between the CITY and CPS or any of CITY's agents or employees. The CITY assumes exclusive responsibility for the acts of its employees as they relate to the services provided during the course and scope of their employment. The CITY, its agents and employees, shall not be entitled to any rights or privileges of CPS employees, beyond those required for the performance

of their School Resource Officer duties, and shall not be considered in any manner to be CPS employees.

2. While CPS will not directly supervise the School Resource Officers in the day-to-day performance of their duties, CPS may provide input to the CITY regarding the personnel assigned under this Agreement. If CPS objects to the assignment of any personnel to its campuses, CPS will review those objections with a designated representative of the CITY for final resolution of the objections.

3. The CITY and CPS will work cooperatively to provide the best working relationship possible between the parties to ensure that the needs of the individual schools, students, principals and school staff, and School Resource Officers are met. This includes meetings between principals and the School Resource Officer supervisor as needed to facilitate scheduling and operation of the program. The Chief of Police will be the point of contact for the CITY for routine questions, scheduling, and day to day operations of the program.

V.

ADDITIONAL PERSONNEL

1. In addition to the School Resource Officers assigned according to Section I, Paragraph 2 above, CPS, at its option, shall have the right to engage off-duty Clinton Police Department (CPD) personnel for special events, sporting events, or other school-related activities as CPS deems necessary. Any off-duty CPD personnel not designated as a School Resource Officer under this Agreement will be considered an CPS employee or independent contractor during the period of engagement to be compensated directly by CPS as arranged between CPS and the off-duty CPD personnel so engaged.

2. In addition to the personnel to be provided by CITY, CPS, at its option, shall have the right to engage personnel to provide private security services, including private security services provided through a private security company. In the event CPS elects to engage private security services either through CPD employees or through a private security service, the private security services will be coordinated with the CPD personnel. Nothing in this Agreement shall create liability on the part of CITY or CPS for personnel hired under this Section.

VI.

GENERAL DUTIES

1. The CITY and CPS Staff have worked together to create a list of general duties for the School Resource Officers which outlines the officers' duties and is hereby incorporated by reference into this Agreement as Attachments "A" and "B".

   It is anticipated that, as the School Resource Officer Program is developed over the subsequent terms of this Agreement, it may be necessary to amend Attachments "A" and "B" to better reflect the scope of the general duties for the School Resource Officers. For that reason, the Police Chief of the CITY and the Superintendent of CPS are hereby authorized to make written, mutually agreed upon amendments to Attachments "A" and "B" as necessary to continue to provide a high level of service to the citizens of the City of Clinton.

2. School Resource Officers, during the summer months while school is not in session, shall be assigned by the CPD to complete training and to other police department responsibilities. School

Resource Officers shall also be available for events in the schools during the summer upon notice from CPS.

VII.

INSURANCE

1. The CITY shall provide workers' compensation insurance in the amount required by Oklahoma law for all employees engaged in work as a School Resource Officer under this Agreement.

VIII.

TERMINATION AND ASSIGNMENT

1. This Agreement may be terminated by either Party at its sole option and without prejudice by giving sixty (60) days written notice of termination to the other Party.

2. Neither party shall assign, transfer, or sub-contract any of its rights, burdens, duties, or obligations under this Agreement without the prior written permission of the other Party to this Agreement.

IX.

DISPUTE RESOLUTION AND VENUE

1. In the event both Parties are unable to jointly resolve a dispute arising from the implementation and operation of the School Resource Officer Program, then the final decision specific to that dispute will be submitted for resolution to the City Manager of CITY and the Superintendent of CPS. In the event the City Manager of CITY and the Superintendent of CPS are unable to jointly resolve any such dispute, then the matter will be submitted within thirty (30) days to a third party mediator. In the event the mediation is unsuccessful in resolving any dispute arising from the implementation or operation of the School Resource Officer Program, then each party has the option to file suit.

2. All obligations of each party to this Agreement shall be performed in Custer County, Oklahoma. The laws of the State of Oklahoma shall govern the interpretation, validity, performance, and enforcement of this Agreement, and the exclusive venue for any legal proceedings involving this Agreement shall be Custer County, Oklahoma.

X.

NOTICES

1. Any notice to be given by CITY to CPS hereunder shall be deemed to be properly served if deposited in the United States mail, postage prepaid, addressed to: Superintendent, Clinton Public Schools, _____, Clinton, Oklahoma, 73601.

2. Any notice to be given hereunder by CPS to CITY shall be deemed to be properly served if the same be deposited in the United States mail, postage prepaid addressed to: Police Chief, City of Clinton, PO Box 1177, Clinton, Oklahoma, 73601 with a copy to the City Manager at the same mailing address.

XI.

SEVERABILITY

1. If any provisions of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions, or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

XII.

HOLD HARMLESS CLAUSE

1. To the extent allowed by law, CPS does hereby agree to waive all claims against, release, and hold harmless CITY and all of its officials, officers, agents, employees, in both their public and private capacities, for any and all liability, claims, suits, demands, losses, damages, attorneys' fees, including all expenses of litigation or settlement, or causes of action which may arise by reason of injury or death of any person or for loss of, damage to, or loss of use of any property arising out of or in connection with this Agreement.

2. To the extent allowed by law, CITY does hereby agree to waive all claims against, release, and hold harmless CPS and all of its officials, officers, agents, employees, in both their public and private capacities, for any and all liability, claims, suits, demands, losses, damages, attorneys' fees, including all expenses of litigation or settlement, or causes of action which may arise by reason of injury or death of any person or for loss of, damage to, or loss of use of any property arising out of or in connection with this Agreement.

3. It is the intention of both Parties that this mutual hold harmless clause shall be interpreted to mean that each party shall only be responsible for the actions of each party's own employees, officials, officers, and agents. The Parties agree that they have not waived their sovereign immunity by entering into and performing its obligations under this Agreement.

XIII.

ENTIRE AGREEMENT

1. This Agreement shall be binding upon the parties hereto, their successors and assigns, and constitutes the entire Agreement between the parties. No other Agreements, oral or written, pertaining to the performance of this Agreement exists between the parties. This Agreement can be modified only by an Agreement in writing, signed by both of the parties.

Attachment A
School Resource Officer (SRO) Duties

1. The primary function of the School Resource Officer (SRO) shall be to enhance the safety of the students and faculty and provide law enforcement services in a public school campus setting. Specifically, the SRO shall assist in limiting access to the school grounds to authorized persons, provide police protection of school property, personnel and students, investigate criminal acts on school grounds and serve as a liaison between the school, the police department, juvenile officials, probation officials, courts, and other agencies of the juvenile justice system.

2. The building principal, or designee, shall retain authority regarding all school issues. The SRO shall determine all law enforcement issues. The SRO shall communicate with the building principal and vice versa regarding all law enforcement incidents on the campus or at school related activities. The SROs are responsible to the Clinton Police Department/City of Clinton while working in cooperation with the principals of the various school facilities to which they are assigned.

3. The SRO shall participate in mandatory training set out by state law and/or CPD policy. The SRO should also participate in reasonable training programs provided by CPS that directly impact their ability and skills as SROs.

4. The SRO shall be available as a resource to provide information on topics on which the officers have special competence due to their law enforcement training. The SRO shall also work to identify and counter deviant behavior and any other behavior that would be disruptive or unsafe to the students, faculty or district property.

5. The SRO shall make themselves visible in a public relations role in order to provide a highly visible crime deterrent in school property in order to effectively promote security and order in the schools.

6. The SRO shall attempt to provide guidance and direction for students, parents and staff when appropriate, to work with the school administrators to resolve school-police problems, and to work with parents of troubled youth.

7. The SRO shall not enforce CPS regulations or rules unless the violation of such rule or regulation constitutes a violation of a state law or city ordinance.

8. Nothing in this agreement shall limit or eliminate the need to utilize the 9-1-1 reporting system, or the use of CPD district police officers to handle or supplement calls for service. Use of 9-1-1 is encouraged for emergency calls even if an SRO is also called.

9. Except in an emergency, SROs should not be called away from their assigned school to handle other law enforcement matters, as this may be disruptive to the teacher/SRO/student relationship. SROs may be contacted and may respond as soon as possible to assist CPD officers when reasonable to assist with providing public safety.

10. SROs shall maintain a close liaison with the CPD officers around their assigned schools. They shall exchange information regarding suspects, incidents, and potential problems to ensure reasonably consistent enforcement from officer to officer to the extent permitted by law.

11. SROs may be required to attend SRO meetings during contract hours to discuss incidents, potential problems, and issues surrounding the SRO program. The primary purpose of these meetings will be to increase the effectiveness of the SRO program.

12. The CPD reserves the right to assign SROs to a police function in the event of an emergency or situation that dictates a call-up of police personnel as directed in CPD policy and procedures.

Attachment B

School Resource Officers and School Discipline

The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative agreement on school security and school discipline to guide and define the relationship between Clinton Public Schools (the "District") and the City of Clinton ("Clinton") (collectively referred to as "the Parties") in the use of School Resource Officers ("SRO" or "SROs". The Parties acknowledge that law enforcement plays an essential role in maintaining safety in the community and in the District. However, the use of arrests and referrals to the criminal justice system for minor or typical school behaviors can adversely affect students and erode confidence in and respect for both the school administration and law enforcement. The parties have developed this guidance to ensure a consistent approach to law enforcement and school discipline that emphasizes cooperation in the handling of school-based student misbehavior. Emphasis is placed on handling incidents uniformly while ensuring that each case is addressed on an individualized basis. The manner in which each incident is handled is dependent upon many factors unique to each child. This includes, but is not limited to, behavioral history, present circumstances, disciplinary record, academic record, general demeanor and disposition toward others, disability, special education status, and other factors. Accordingly, the parties concur that students involved in the same incident or similar incidents may receive different and varying responses depending on the factors and needs of each student.

To address these issues and ensure that all students have access to a safe and productive learning environment, the Parties agree that cooperation is essential. Among other benefits, committed cooperation can enhance appropriate responses and use of resources, when responding to school-based misbehavior. For purposes of this MOU, student misbehavior is considered to be breaches of the Code of Student Conduct, disruptions, and other minor infractions or omissions by a student that occurs on school grounds, school transportation or during a school sponsored or related event.

Responding to Student Misbehavior

In the event a student misbehaves, the school principal and their designees will be the primary source of intervention and disciplinary consequences. SROs are responsible for criminal law issues—not school discipline issues. The Code of Student Conduct provides detailed information on consequences and interventions and shall guide the response to particular types of misbehavior. In addition, school officials should make reasonable efforts, where applicable, to connect students to school or community-based support services, such as counseling, mentoring, or extra-curricular activities.

Many types of minor student misbehavior may technically meet the statutory requirements for non-violent misdemeanors (e.g. theft, vandalism, disorderly conduct, loitering, incidents relating to alcohol, threats, harassment, etc.), but may be handled outside of the criminal justice system. Absent a real and immediate threat to students, teachers, or public safety, incidents involving public order offenses such as those above and including disturbance/disruption of school or public assembly; trespass; loitering; profanity; and fighting that does not involve physical injury or a weapon, may be considered school discipline issues to be handled by school officials, rather than criminal law issues warranting formal law enforcement intervention (e.g., issuance of a criminal citation, ticket, or summons, filing of a delinquency petition, referral to a probation officer, or actual arrest) as may be appropriate on a case-by-case basis. Behavior that rises to the level of a felony offense is not included within this category.

All individuals involved in school discipline decisions shall consider the surrounding circumstances including the age, history, disability or special education status, and other factors that may have influenced the behavior of the student, the degree of harm caused and the student's genuine willingness to repair the harm and accept responsibility for the student's action.

SROs will avoid arresting students at school, where possible, unless the child poses a real and immediate threat to student, teacher, or public safety, or a judicial warrant specifically directs the arrest of the student in a school. School principals shall be consulted prior to an arrest of a student where practicable, and the student's parent or guardian shall be notified of a child's arrest as soon as practicable.

Further Incidents

Repeated incidents of non-violent misdemeanors shall result in graduated levels of school-based interventions and consequences by the administrators on campus, according to the Code of Student Conduct, and referral to law enforcement for certain incidents.

Student Rights

Absent a real and immediate threat to student, teacher, or public safety, an SRO may conduct or participate in a search of a student's person, possessions, or locker only where there is probable cause to believe that the search will reveal evidence that the student has committed or is committing a criminal offense.

- The SRO shall inform school administrators prior to conducting a probable cause search where practicable.
- The SRO shall not ask school officials to search a student's person, possessions, or locker in an effort to circumvent these protections.

A school official may conduct a search of a student's person, possessions, or locker only where there is reasonable suspicion to believe that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school, and the search is justified in scope given such suspicion.

- Absent a real and immediate threat to students, teachers, or public safety, a school official shall not ask an SRO to be present or participate in such a search.

Absent a real and immediate threat to students, teachers, or public safety, an SRO may question or participate in the questioning of a student about conduct that could expose the child to court-involvement or arrest only after informing the child of Miranda rights and only in the presence of the child's parent or guardian.

Accountability

The school district shall maintain annual publicly available data, in compliance with the Oklahoma Open Records Act, without disclosing personally identifiable information, documenting the following:

- Number of incidents resulting in a juvenile arrest for conduct on school grounds or at a school-sponsored event, broken down by school; offense; arrestee's age, grade level, race, sex, and disability status; and disposition/result;
- Number of incidents resulting in other forms of law enforcement intervention --- including searches and seizures by SROs; questioning by SROs; issuance of a criminal citation, ticket or

summons; filing of a delinquency petition and referral to a probation officer—for juvenile conduct on school grounds or at a school-sponsored event, broken down by school; offense or reason; type of law enforcement intervention; juvenile's age, grade level, race, sex, and disability status; and disposition/result;

- Number of suspensions or other disciplinary consequences imposed on students, broken down by school; offense/infraction; student's age, grade level, race, sex, and disability status; and disciplinary consequence imposed;
- Policies, and protocols governing the SRO program;
- Number of SROs deployed to each school; and
- Training materials for SROs.

It is the policy of the Clinton Police Department to investigate all complaints against it, or of alleged SRO misconduct, to equitably determine whether the allegations are valid or invalid, and take appropriate action. Any student, parent, teacher, and principal or other school administrator may submit a complaint, orally or in writing, of abuses or misconduct by SROs to the Clinton Police Department.

- Parents shall be permitted to submit a complaint in their native language.
- The complaint system must be confidential and protect the identity of the complainant from the SRO to the extent consistent with the SRO's due process rights.
- Complaints shall be investigated and resolved, and complainants shall be furnished with a written explanation of the investigation and resolution.

Every student, parent, and guardian in the school system shall be informed of the complaint procedure through the District's customary means of communicating information to students and parents.

School Mission and SRO Role

As emphasized above, the involvement of SROs is to improve school safety and the educational climate at the school, not to enforce school discipline or punish students. Accordingly, building-level school administrators should be consulted when a SRO is deployed to the school.

The SRO shall meet with building-level school administrators, teachers, parents, and student representatives at least annually to discuss issues of school safety. Similarly, the SRO shall be integrated into the school community through participation in faculty and student meetings and assemblies as appropriate and through participation in relevant school training.

The SRO Supervisor shall maintain activity reports and submit monthly summaries of these reports to district-level school administrators, and the relevant law enforcement agency. The monthly summaries shall include, for each SRO, the numbers and descriptions of all incidents or calls for service; names of school officials involved (referring teachers, principals, etc.); student searches; student questioning; tickets, citations, or summonses; filing of delinquency petitions; referrals to a probation officer; actual arrests; and other referrals to the juvenile justice system.

Absent a real and immediate threat to students, teachers, or school safety, and absent the situations described above where formal law enforcement intervention is deemed appropriate by the SRO, building-level school administrators shall have final authority in the building over matters of school discipline.

Discretion of Law Enforcement

Nothing in this MOU is intended to limit the discretion of law enforcement. Officers responding to an incident or consulting with school officials are encouraged to use their discretion in determining the best course of action, especially when using alternatives to arrest. While the option to use the criminal justice system is available for many incidents, the totality of the circumstances should be taken into consideration and any less punitive alternatives that ensure the safety of the school community should be considered.

Professional Development

Every SRO shall receive at least 40 hours of pre-service training and 8 hours of annual in-service training on some or all of the following topics:

- Basic SRO within one year
- Child and adolescent development and psychology;
- Positive behavioral interventions and supports (PBIS), conflict resolution, peer mediation, or other restorative justice techniques;
- Children with disabilities or other special needs; and
- Cultural Competency.

These guidelines shall be reviewed at least annually to ensure that they remain timely, effective, and fully correlated to an educational environment that is secure while tolerant of students' learning and testing of school and community expectations and boundaries.

(This item is placed on the agenda so the Authority, by unanimous consent, can designate those routine items they wish to be approved by one motion. If an item does not meet the approval of all members, that items will be heard in regular order.)

MINUTES OF INDUSTRIAL AUTHORITY MEETING
JULY 19, 2022

Minutes of the regular meeting of the Chairman and Trustees of the Clinton Industrial Authority City of Clinton, Oklahoma, Custer County, held in the City Council Room, City Hall on Tuesday, July 19, 2022, at 5:30 p.m. A notice of this meeting with agenda was posted on the bulletin board in the lobby of Clinton City Hall on July 15, 2022, at 3:00 p.m.

Chairman David Berrong called the meeting to order at 6:03 p.m. with the following present:

CHAIRMAN: David Berrong
TRUSTEES: Patch McComas, Ernie Dowdell, Arthur Lloyd, Ernesto Villanueva
MANAGER: Robert Johnston
CITY TREASURER: Debra Blanchard
CITY ATTORNEY: Ryan Meacham
CITY CLERK: Amy Jones
NEWS MEDIA: Rod Serfoss, Nydia Campbell, Mike Smith
OTHERS: Gene McCullough, Jeff Johnson, Joshua McGuire, Billy Goodwin, Donelle Wollmann, Lana Johnston, Greg Adams, Danny & Patricia Tharp, Bobby & Judy Stewart, and others.

Jeff Johnson, Pastor of the First Christian Church opened the meeting with prayer and Bobby Stewart, Post Commander, American Legion Post 41 led the Pledge of Allegiance.

AGENDA ITEM NO. 2: CONSENT AGENDA

A. Minutes of Regular Meeting of July 5, 2022

Motion was made by Trustee Dowdell and seconded by Trustee McComas that Consent Agenda Items be approved.

Chairman put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Chairman declared the motion carried.

AGENDA ITEM NO. 3 DISCUSSION, CONSIDERATION, AND POSSIBLE ACTION REGARDING

A. Grant/Event Application in the Amount of $10,000 from the Buffalo Art Institute, Inc. for the Clinton Fall Festival Scheduled for 9/24/2022.

Mr. Billy Goodwin representing the Clinton Chamber of Commerce presented the

application from the Buffalo Art institute, Inc request of $10,000 for the Clinton Fall Festival to held on September 24, 2022. He stated that this will be a one-day event held on the fourth Thursday annually, He stated that the grant monies will be spent to purchase vendor tents and the city will own the tents and would need to store them. Ms. Donelle Wollmann stated that she is anticipating 25-30 artists for this show and hopes that it will increase each year. She has contacted the art teachers at the high school, and they have communicated for students to be working on projects over the summer. She has several volunteers working with her to make calls for sponsors, volunteer, prize money, and purchase award money.

Motion was made by Trustee Dowdell and seconded by Villanueva to approve the grant/event application for $10,000 from the Buffalo Art Institute, Inc., for the Clinton Fall Festival scheduled for 9/24/2022.

Chairman put the motion to a roll call vote:

Aye: Dowdell, McComas, Lloyd, Villanueva, Berrong
Nay: None

Chairman declared the motion carried.

AGENDA ITEM NO. 4 NEW BUSINESS:
None

AGENDA ITEM NO. 5: TRUSTEE REPORT

All items on this agenda, including but not limited to any agenda item concerning the adoption of any ordinance, resolution, contract, agreement, or any other item of business, are subject to amendment, including additions and/or deletions. This rule will apply to every individual agenda item without exception, and without providing this same amendment language with respect to each individual agenda item. Such amendments should be rationally related to the topic of the agenda item, or the governing body will be advised to continue the item.

The governing body may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item. When more information is needed to act on an item, the governing body may refer the matter to its City/Trust Manager, staff, attorney or to the recommending board, commission, or committee.

(This item is placed on the agenda so the Clinton City Council, by unanimous consent, can designate those routine items they wish to be approved by one motion. If an item does not meet the approval of all members, that item will be heard in regular order.)

PUBLIC NOTICE OF A REGULAR MEETING OF THE AIRPORT AUTHORITY TUESDAY, AUGUST 2, 2022 AT 5:30 PM CLINTON CITY HALL

RESOLUTION NO. AA22-02

A RESOLUTION ACCEPTING A FEDERAL AVIATION ADMINISTRATION GRANT OFFER FOR AIRPORT IMPROVEMENT PROJECT (AIP 3-40-0021-015-2022) AT CLINTON REGIONAL AIRPORT FOR "RUNWAY REHABILITATION" AND AUTHORIZE THE MAYOR TO EXECUTE THE GRANT AGREEMENT AND ALL NECESSARY DOCUMENTS.

WHEREAS, the City of Clinton has submitted a Project Application at the Clinton Regional Airport for a project to Rehabilitate the Runway for approval by the Federal Aviation Administration (FAA); and

WHEREAS, the FAA has approved the project with funding made possible by the Airport Improvement Program and requires formal acceptance thereof by Resolution

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CLINTON: The Grant Offer for Airport Improvement Program (AIP 3-40-0021-019-2022) for design to reconstruct the t-hangar apron and the Grant Agreement therefore all are hereby expressly approved and accepted by the City of Clinton. The Mayor is hereby authorized and directed to execute the Grant Agreement for the Project for and on behalf of the City, together with all other necessary documents.

RE: Recommendation of Contract Award
Rehabilitate Runway 17/35, Rehabilitate Terminal Apron, Reconstruct T-Hangar Apron
AIP 3-40-0021-019-2022, AIP 3-40-0021-018-2021
OAC CLK-23A-FS, OAC CLK-23B-FS
Clinton Regional Airport

Honorable Mayor and Council:

Construction bids for the referenced project were received on July 7, 2022. A detailed tabulation of bids is enclosed.

We recommend that the Base Bid be awarded to Circle S Paving Co., Inc. in the amount of $2,897,218.00. The motion to award the contract should be made with the language, "subject to the receipt of the FAA/OAC grants".

We appreciate the opportunity to work with the City of Clinton on this important project.

Sincerely,
Parkhill

Craig W Boyer

Subject: RE: Recommendation Letter
Attachments: CLK - Change Order No. 1.pdf; CLK - Letter of Recommendation.pdf

Amy,

Attached is the recommendation letter.

While analyzing the bids, it was discovered that that quantity unit for Bid Item No. 43, P-401 Asphalt Surface Course had inadvertently printed as Square Yards instead of Tons in the bid proposal. This results in an insufficient quantity of asphalt to complete that portion of the project. Accordingly, Change Order No. 1 deletes the original Bid Item No.43 and adds a new item for P-401 asphalt with a correct quantity of 1,750 Tons. The unit price for this item is the same as bid by Circle S for the identical material under bid items 18 , 42 and 54. On bid item 45, the quantity was shown as Square Yards and was intended to be Square Feet. On the change order, this unit price has been reduced by 9 (conversion from SY to SF) and the bid item units changed to Square Feet. On bid item 51 for Cement Kiln Dust, on the proposal a "0" was left of in the bid quantity resulting in 27 tons being the bid quantity when the quantity should have read 270 tons. In this change order, that quantity has been increased by 243 to bring the contracted quantity to 270 tons at the unit price bid. All items in the change order will be included in the applicable grants. Let me know if you need any further clarification on any of these items. Once I receive the signed change order from Circle S Paving, I will sign and send to you for the Mayor to sign. I have sent the unsigned version so that you can get it on your agenda.

Thank you!

Craig Boyer, PE
Aviation Project Manager

Subject: Recommendation Letter

Toby,

Robert asked me to reach out to you to see if you have had a chance to review the bid tabulation and could we get a letter with your recommendation from the review to accept the bid for the project at Clinton Regional Airport. We were anticipating the acceptance of the bid as an agenda item at the Council Meeting on Tuesday, August 2, 2022.

Respectfully,

Amy E. Jones

CHANGE ORDER

Project: Rehabilitate Runway 17/35, Rehabilitate Terminal Apron, Reconstruct T-Hangar Apron AIP 3-40-0021-019-2022, AIP 3-40-0021-018-2021, OAC CLK-23A-FS, OAC CLK-23B-FS	Change Order No. 1
Project Description: Rehabilitate Runway 17/35, Rehabilitate Terminal Apron, Reconstruct T-Hangar Apron	
Requested Changes & Reasons: Increase in Quantities	
LOCATION: Clinton Regional Airport, Clinton, Oklahoma	

The above will necessitate the following changes in quantities and estimates, which will be shown as overruns and underruns on future progressive estimates and vouchers.

Item	Description	Quantity	Unit Price $	Amount $	Days Req'd
	Please see attached breakdown of quantities.			**170,290.00**	**0**
	Total this Change Order			**170,290.00**	**0 WD**
	Existing Contract			**2,897,218.00**	**90 WD**
	New Contract			**$ 3,067,508.00**	**90 WD**

The prices for additional items have been compared with other contract prices and are fair for the amount of work involved.

7/29/2022
Date

Craig W Boyer
Parkhill

Approved by the City of **Clinton** this _____ day of _____, 2022

David Berrong, Mayor

We, **Circle S Paving Co., Inc** contractor on the above project, do hereby agree to a net **increase** in the contract of **$ 170,290.00** and **0 working** days as full compensation for making the above changes in accordance with the governing specifications.

Circle S. Paving

Gary Perkins, General Manager

Subscribed and sworn before me this 29th day of July, 2022.
