City Manager Johnston reported that we have contingently been awarded the Route 66 Centennial Grant that was applied for to rehab the old fire station. However, the funds will not be released until near the first of July so there is no action required at this time. The CDBG Grant was submitted, so we await notice of funding for it, the Indian Health Services grant, and the OWRB grant intended to supplement/reduce the FAP loan proceeds for the sanitary sewer work.

He continued that the plans for old Route 66 pavement repairs are moving forward, utilizing an aerial map prepared by CED 7 based upon multiple technical consultations to prioritize the repairs. An interlocal agreement with the County is the next anticipated step. He stated that Route 66 medallions had been painted on the roadway in 4th and Frisco and on Gary Boulevard east of 10th, with more locations being planned.

The FYE27 budget process is in development with the possibility of scheduling a special budget work session. Johnston stated he has been evaluating plans for a new and improved animal welfare facility. The selection process has narrowed for the new position of Community/Economic Development Director, and he has interviewed nine very good applicants. Finally, Manager Johnston reported to the Council that necessary sewer repairs would be needed at the City Hall building that has been identified in the 60-year-old building. Bid specifications are being finalized for this work.

Re: Re-elect Justin Battles to the OMAG Board

My name is Justin Battles, and I am currently serving on the Board of Trustees for the Oklahoma Municipal Assurance Group. I am asking for your support as I seek re-election.

I have been in public service for over 26 years and currently serve as the Assistant City Manager for the City of Mustang. Throughout my service to the City of Mustang, we have witnessed vast growth, doubling the population within our municipal boundaries. I am well aware of the daily ongoing needs of cities and towns. I take great pride in providing our citizens with excellent service while keeping the small-town feel that Mustang has always had.

As a member of OMAG, the City of Mustang can attest to the continued need for such an organization to facilitate insurance needs, training, legal advice, and much more. My experience overseeing all facets of municipal government will benefit all cities and towns. In today's litigious world, the ongoing need for experienced individuals to serve is paramount.

Throughout my career, I have kept a straightforward phrase in mind. Municipalities operate in the service industry, always striving to provide citizens with the best possible service. The Oklahoma Municipal Assurance Group has always provided excellent service to the City of Mustang. I would be honored to have your vote to continue working with them to improve the cities and towns they serve.

Respectfully,

Justin Battles

To All My Friends and Colleagues

It's no April Fool's Joke!!

I am excited to seek re-election to the Oklahoma Municipal Assurance Group Board of Directors. As a city manager, I've spent my career working to support and strengthen cities and towns across our state.

I started in municipal government more than 30 years ago as a city clerk in Mangum. I know who does all the work! The experience grounded me in the day-to-day work that keeps our communities running and shaped my commitment to public service.

I truly enjoy helping municipalities in all areas—whether it's infrastructure, economic development, or just working through challenges together. While insurance services are critical, I believe our role is also about being partners, problem-solvers, and a reliable resource for our communities.

OMAG is a tremendous asset to our cities and towns. The staff is caring, knowledgeable, and always ready to help—not just with insurance needs, but with training and support across many areas of municipal government.

I have brought a practical, real-world perspective from years in local government, and I value listening and working alongside others to find solutions. I'm committed to making sure OMAG continues to be responsive, helpful, and strong for every member community.

I would truly appreciate the opportunity to continue serving you on the OMAG Board.

Respectfully,

Pam Polk

RE: Tim Lyon, Candidate for OMAG Board of Trustees

Dear Mayor, Council Members, City Managers and City Clerks:

I currently serve on the Oklahoma Municipal Assurance Group's (OMAG) Board of Trustees as a Board Member. In addition, I serve as an OMAG board representative to the newly created Oklahoma Municipal Natural Gas Coalition interlocal. My term expires in June, and I would very much appreciate your consideration in voting for me in the upcoming Board of Director's election.

For the last 40 years, I have served in two municipalities and spent 10 years teaching at the Center for Local Government Technology at Oklahoma State University. I earned a Master's Degree in Political Science with an emphasis in Public Administration in 1986 and in 2016 earned a city manager accreditation from the City Manager's Association of Oklahoma (CMAO). For the past 26 years, I have served as the Human Resources Director, Assistant City Manager and now as the City Manager of the City of Midwest City. My undergraduate degree is a Bachelor's in Political Science with an emphasis in Public Law and Private Rights.

During my entire career, I have directly supervised and managed many different types of self-insurance programs that include health insurance, workers compensation, safety programs, property, and liability programs. In addition, I serve on the Board of Directors for a nationwide captive liability insurance program called States Insurance and Chair their Audit and Finance Committee.

Finally, I grew up on a family cattle ranch in northeast Oklahoma and continue to be involved in operating this ranch. This experience has given me an affinity for not only living in a large metropolitan area but also the core values of living in rural Oklahoma. I recently celebrated my 40th wedding anniversary to my wife Rhonda. We have a daughter who is a Registered Nurse and a son who is a Captain at the Stillwater Fire Department.

I would be honored to continue serving on the OMAG Board utilizing my vast experience to advocate for Oklahoma cities and towns during these difficult financial times at OMAG. I will continue to work for small and large cities alike and hope to aid municipal gas operations through the continued development of the Oklahoma Municipal Natural Gas Coalition.

Respectfully,

T. Lyon
