## MINUTES OF THE PUBLIC WORKS AUTHORITY MEETING, MARCH 4, 2008

Minutes of the regular meeting of the Chairman and Trustees of the Clinton Public Works Authority of Clinton, Oklahoma, Custer County, held in the City Council Room, City Hall on Tuesday, March 4, 2008 at 5:30 P.M. A notice of this meeting with agenda was posted on the bulletin board in the lobby of Clinton City Hall on February 29, 2008.

Chairman Norman called the meeting to order with the following present;

**CHAIRMAN:** Lynn Norman
**TRUSTEES:** Bob Marcy, Mark Hendrickson, Terry Wheeler, Allen Bryson
**CITY MANAGER:** Grayson Bottom
**CITY CLERK:** Absent
**CITY TREASURER:** Debra Blanchard
**DEPUTY CLERK:** Rhonda Williams
**CITY ATTORNEY:** Ryan Meacham
**NEWS MEDIA:** Gerald Green and Mike Smith
**OTHERS:** Bob Gauger, Charles Fry and David Crabtree

Trustee Allen Bryson opened the meeting with prayer and Trustee Bob Marcy led the Pledge of Allegiance.

**AGENDA ITEM NO. 3: CONSENT AGENDA**

A. Minutes of the Regular Meeting of February 19, 2008
B. Consider Claims

Moved by Trustee Hendrickson and seconded by Trustee Bryson, that Consent Agenda Item No. 3 (a-b) be approved.

Chairman put the motion to a roll call vote:

Aye: Hendrickson, Bryson, Wheeler, Marcy, Norman
Nay: None

Chairman declared the motion carried.

**AGENDA ITEM NO. 4 ACTION ITEMS**

**AGENDA ITEM 4A: Request Authorization to go to bid for repairs to the Clarifiers located at the Water Treatment Plant.**

Chairman Norman asked City Manager, Grayson Bottom about the repairs that were needed and the City Manager referred this item to Assistant City Manager Bob Gauger to explain. Bob said the clarifiers will need to be sandblasted and painted and that each clarifier will need to taken off line one at a time for these repairs.

The specifications from the engineers are completed and he would like to send them out ASAP so that we could get them back and have the job awarded by April 1, 2008 to have the job completed before May 1, 2008, that being the approximate time for water consumption to start increasing. Trustee Marcy asked how long it would take to complete the job, Bob said about one month.

Motion made by Trustee Wheeler and seconded by Trustee Marcy to authorize staff to go to bid for repairs to the clarifiers located at the Water Treatment Plant.

Chairman put the motion to a roll call vote:

Aye: Wheeler, Marcy, Hendrickson, Bryson, Norman
Nay: None

Chairman declared the motion carried.

**AGENDA ITEM 4B: Consider Approval of Amendment to CDBG-EDIF Contract for roof improvements to building located at 2300 S. 13th extending the contract time frame.**

Chairman Norman and Trustee Bryson ask why the additional time was needed. City Manager Grayson Bottom explained that everything just didn't workout to start this project and that now we are ready to proceed. Trustee Hendrickson ask if this additional time would allow us to draw down the money within the allowable time, The City Manager said yes.

Moved by Trustee Hendrickson and seconded by Trustee Bryson, that the extension be approved.

Chairman put the motion to a roll call vote:

Aye: Hendrickson, Bryson, Wheeler, Marcy, Norman
Nay: None

Chairman declared the motion carried.

**AGENDA ITEM NO .5: CITY MANAGER'S REPORT**

City Manager Grayson Bottom gave a report on the two (2) quotes that the City received for the funding for the purchase of the Solid Waste Truck. Requests were sent out to several firms and were to be received at City Hall no later than 5:00pm Monday, March 3, 2008. The companies that sent us quotes were DLL Public Finance, out of Kansas City, and Oklahoma Bank and Trust here in Clinton. Since the difference in the quotes will amount to about $ 787.00 overall, The City Manager would like to recommend that we keep this transaction here in Clinton.

## AGENDA ITEM NO. 6: RECOGNITION OF REGISTERED AUDIENCE

None

## AGENDA ITEM NO. 7: ADJOURNMENT

Moved by Trustee Marcy and seconded by Trustee Hendrickson that the meeting adjourn.

Chairman put the motion to a roll call vote

Aye: Marcy, Hendrickson, Wheeler, Marcy, Norman

# Memo

**To:** Grayson Bottom, City Manager

**From:** Arnold Adams, Water Superintendent

**Date:** 03/14/2008

**Re:** Boring Machine Purchase

---

We budgeted $40,000 in this years budget to purchase a boring machine. This machine would allow for repairs to be made underground to avoid tearing up the roads. In addition, when the NE Quadrant Water Line project begins, it will pay for itself on that project alone.

In the last calendar year we spent $10,615 with local vendors to do the boring for us on several different projects. The upcoming NE Quadrant project involves 140 taps that will require boring under the roadway to the individual meters. Each of these bores would be about 32 feet in length. At $5 per foot, this would cost approximately $22,500. In addition, the preliminary plans that we have call for 2,673' of larger 6" bores. These are usually about $30 per foot, which would result in a cost of $80,190 for boring.

As you can see, not only would we be saving money by having a machine of our own, but we would also be able to make repairs and new taps with minimal damage to roads and yards.

I have found a couple of used boring machines that I will be going to take a look at. I would like authorization to spend up to $40,000 to purchase a machine if I find one that meets our specifications.

**Re:** Request permission to purchase impeller for WWTP

---

The impeller on the filter pump at the Wastewater Treatment Plant is in need of replacement. The impeller has been in service on this pump since 1993. Over the years, the normal wear from use and its location in such acidic water has caused the pump to not carry the volume that is necessary.

The pump was made in Japan. The staff at the treatment plant have contacted the manufacturer and an impeller is available for $11,722. However; they indicated that it will have a six month delivery date at minimum. This does not include the possible waiting time in customs that we have experienced on some other parts orders.

Trying to find other alternatives, staff also contacted a company in Port Arthur, Texas by the name of Standard Alloys. A representative came to the plant and made a sketch of the impeller and provided a quote in the amount of $12,867 to make a custom fabrication of the impeller. This price includes a one-time charge of $3724 to make the casting for the impeller. They keep the casting on file indefinitely and in the event that we need to have another impeller produced, the casting fee would be waived. The delivery date is estimated at 4 – 6 weeks.

Considering the fact that parts for this type of pump are scarce due to its limited application and foreign ability, I would recommend that we purchase the impeller from Standard Alloys since they have a much faster delivery time. A replacement in the future would also be much cheaper since we would not have to pay the casting/tooling fee.

**From:** Lisa Anders, City Clerk

**Date:** 3/14/2008

**Re:** Administrative Vehicle

---

As you will recall, the 2007-2008 budget included the replacement of the Administrative Vehicle. The proposal was for the purchase of a sports utility type vehicle with the trade in of the 1999 Windstar van.

The 1999 Windstar van was purchased as a used vehicle and has been used by all city departments as transportation to various meetings and training sessions all across the state. It has served the city well but is showing signs of wear and tear with some safety concerns.

Staff request authorization to surplus the Windstar and trade it in on a Programmed Vehicle that is no more than two years and with no more than 20,000 miles.
