Subject: Police Vehicles w/ equipment
Date: 07/09/08

Sir,

I would like to request the authorization to go to bid for two police package vehicles, along with the equipment to outfit them. The two cars and equipment are budgeted for fiscal year 2008/2009. I would like to start this process earlier than usual; this is due to the time constraint of getting the cars from the company, as well as getting the cars outfitted from the vender.

Respectfully,

D.E. Crabtree

North 70 ft. of lots 17 & 18 Block 16 of City of Clinton Maker Addition Owner Minerba Cerda
S. 7th & Opal Legal description NW/4 of Section 23, Township 12 North, Range 17 Gary Davis

The three properties that are listed above are all vacant lots. As you will be able to see from my presentation the lots are found to be a hazard and unlawful, besides being a public nuisance due to the fact all the excess growth from the grass, weeds, and trees. The excess growth also allows trash, vermin, & rodents to accumulate on the premise. It is my recommendation to the City Council that the area would benefit from the removal of the excess amounts of dangers from the premises to be able to help prevent any hazards to life, health, or the general safety to the public.
