3. Paragraph I, Indemnity, General Terms and Conditions, is change to read:

I. **Indemnity**.

Unless prohibited by Article 10 of the Oklahoma Constitution, Contractor agrees to indemnify and hold OJA harmless against any and all bodily injuries and property damages, civil rights violations, deficiencies or liability resulting from any action, inaction or conduct on the part of Contractor or non-fulfillment of any term or condition of this contract. Unless prohibited, by Article 10 of the Oklahoma Constitution, Contractor shall indemnify and hold OJA harmless

under this contract from any and all assessments, judgments, costs including attorneys' fees, and legal and other reasonable expenses incidental to any of the foregoing.

Contractor agrees to ensure that any subcontractor under this contract shall indemnify and hold OJA harmless from any and all claims for bodily injuries, property damages, or other liabilities whatsoever arising from the subcontractor's actions, inaction, or other conduct related to or arising from this contract.

4. Paragraph C. Liability Insurance, Special Terms and Conditions, is changed to read:

C. **Liability Insurance**.

If Contractor is a self-insured municipal corporation which pays approved damages claims from its sinking fund under Article 10, Oklahoma Constitution, § 28, and 62 O.S. § 431, and as such is not required to purchase liability insurance, the parties agree that Contractor must require any subcontractor under this Interlocal Agreement to obtain liability insurance from an insurance carrier acceptable to OJA in a minimum amount of one million dollars ($1,000,000.00) to insure against claims for bodily injury, property damage, civil rights actions, or other actions or claims arising from or resulting from this Interlocal Agreement, and that any subcontractor will provide a certificate of insurance to OJA prior to commencing any services or other work under the subcontract. The required insurance policy must contain a provision that OJA will be notified at least thirty (30) days prior to the cancellation or other termination of the insurance policy for any reason.

Any subcontractor under this Interlocal Agreement must provide to OJA copies of insurance agreements or policies showing statutorily required insurance coverage for Workers' Compensation and Unemployment insurance for its employees.

5. Paragraph F. Ownership of Equipment, is changed to read:

F. **Ownership of Equipment.**

Any equipment or other tangible object approved by OJA to be purchased with the funds provided through the contract shall be the property of OJA, and shall be held, maintained, and safeguarded by the Contractor for the benefit of OJA. Upon termination or upon notice that the contract will not be renewed or extended, for whatever reason, Contractor shall return such equipment or materials within fifteen (15) days at the Contractor's sole cost and expense. The Contractor shall return the equipment to OJA's State Office during normal business hours, with at least 24 hours written notice. Contractor shall submit a complete inventory listing of all equipment purchased with CIC contract funds. The final claim of the fiscal year will not be processed until submission of the inventory listing. Any equipment purchased with these funds shall be marked as "Property of the Office of Juvenile Affairs."

If Contractor is not a self-insured municipal corporation, Contractor must obtain insurance for the benefit of OJA.

The parties further agree that any subcontract under this Interlocal Agreement must contain a requirement that any subcontractor must insure all property described in this Subsection and provide to OJA documentation which evidences the existence and amount of such insurance, along with the agreement of the insurance company that it will notify OJA at least thirty (30)

days before the expiration of such insurance for any reason or the Contractor agrees hereby to pay OJA for any damage or loss to such property.
