4B. CONSIDER CAPITAL IMPROVEMENT EXPENDITURE FOR IMPROVEMENT TO WASTEWATER TREATMENT PLANT

City Manager Grayson Bottom explained that during the budget preparation, $75,000 has been designated for improvements to the Water and Wastewater Treatment Plants. He said that Severn Trent had conducted an assessment of the facilities and prepared an itemized list of the improvements needed at each facility. He explained that at a previous meeting the expenditure of funds for the improvements to the Water Treatment Plant had been approved. The total budgeted amount was $75,000.00 and the balance of this will be applied to the improvement at the Wastewater Treatment Plant. The list of the four items for the Wastewater Treatment Plan total $47,631.00.

Rusty Whisenhunt, representative of Severn Trent, explained the purposes of each of the four items.

City Manager Grayson Bottom said that both facilities are operating in a more efficient manner and the savings from the energy efficiency at the Wastewater Treatment Plant is very noticeable. Allen Bryson, Mayor
City of Clinton
P.O. Box 1177
Clinton, OK 73601

Dear Mayor Bryson:

This letter is my official letter of resignation from the City of Clinton, Oklahoma as its City Manager. I have accepted the position of City Manager of Yukon, Oklahoma beginning no later than January 16, 2011. Therefore, my resignation will be effective January 15, 2011. I am prepared to vacate my office prior to that date if that is your pleasure.

From a professional standpoint, I believe that the City is in the strongest financial position it has ever been in. Capital improvements projects have been completed. Other capital improvement projects are in progress. Several other capital projects have been planned and are waiting funding. The vehicle fleet and equipment of the City has been upgraded. Continued upgrading of vehicles and equipment is essential to the delivery of the services the Citizens of Clinton expect. The everyday operations of the City are up-to-date and functioning well. There will be a need to expand the personnel of parks maintenance in this next budget cycle.

From a personal standpoint, I have been honored to lead a great staff of true professionals that I will miss. They have taught me a great deal. All that needs to be done with the existing staff is to point them in the right direction and get out of the way. I have enjoyed being associated with great Councils that have had the best interests of Clinton at their core. Having a Council that is in unison is essential to continued progress.

I also want to thank you, the Council, and your predecessors for giving me the opportunity to serve the City of Clinton. My experience here has been rewarding personally and professionally. Thank you.

Sincerely,

Grayson Bottom

NOTICE OF PUBLIC HEARING
(Increment District Number One,
City of Clinton, Oklahoma)

Pursuant to the provisions of Title 62, Sections 859 of the Oklahoma Statutes, 2001, as amended, notice is hereby given that a public hearing will be held before the City Council of the City of Clinton on Tuesday, the 4th day of January, 2011, at 5:30 p.m. in the City Council Chambers, City Hall, 415 Gary Boulevard, Clinton, Oklahoma.

The primary purpose of such public hearing will be to provide information and answer questions regarding a proposal by the City of Clinton (the "City") and the Clinton Industrial Authority (the "Authority"): (1) to provide development financing assistance to HotelMacher, L.L.C., an Oklahoma limited liability company (the "Developer"), in connection with the Developer's proposal to develop, construct and operate: (i) an 87-room hotel; (ii) a 20,000 square-foot water park; (iv) a 25-unit RV camping pad; and (v) a 2,400 square-foot convenience store, all to be located along the south side of Interstate 40 between 28th Street and Neptune Drive in Clinton, Oklahoma (the "Clinton Water Park Project"); and (2) for the creation of "Increment District Number One, City of Clinton, Oklahoma" ("Increment District Number One").

Thereafter, interested persons will be given an opportunity to be heard at a second public hearing to be held on Tuesday, January 18, 2011, at 5:30 p.m. in the City Council Chambers, Clinton City Hall, 415 Gary Boulevard, Clinton, Oklahoma. Both public hearings will be completed before any vote is taken by the City Council on the creation of Increment District Number One.

The "Project Plan Relating to Increment District Number One" (the "Project Plan") proposes the formation of a tax increment district wherein increases in ad valorem, city sales taxes and city hotel occupancy tax revenues generated by the Developer's investment in the Clinton Water Park Project will be used to defray a portion of the Developer's financing costs required in the development of the Clinton Water Park Project.

A copy of the Project Plan is available for review by any interested party during regular business hours in the office of the City Clerk, Clinton City Hall, 415 Gary Boulevard, Clinton, Oklahoma. The Project Plan contains a summary of the proposed improvements, along with a description of project costs, anticipated private improvements, and estimated public revenues, as well as methods of financing project costs, expected sources of revenues, and the time when costs or monetary obligations are to be incurred.

As currently proposed, the boundaries of Increment District Number One includes that tract of land located in the South Half of Section 22, Township 12 North, Range 17 West

of the Indian Meridian, Custer County, Oklahoma, more particularly described, as follows:

> Beginning at a point which is the Southwest Corner of said Section 22; thence North 89°33'28" East along the South Boundary Line of Section 22 a distance of 3,632.93 feet; thence North 0°26'32" West a distance of 330 feet; thence North 89°33'28" East a distance of 209.40 feet; thence North 0°26'32" West a distance of 347.80 feet; thence North 89°20'31 East a distance of 516.06 feet; thence Northeasterly on a curve to the right with a radius of 3949.72 feet a distance of 150 feet (with a long chord bearing of North 13°37'46" East 149.99 feet); thence North 16°25'02" East a distance of 15.07 feet; thence North 89°44'37"East a distance of 249.70 feet to a point on the Westerly right-of-way of old U.S. Highway 66; thence Northeasterly on a curve to the right with a radius of 3949.83 feet and along said right-of-way a distance of 178.20 feet (with a long chord bearing of North 16°33'30" 178.19 feet) to a point on the Southern right-of-way boundary of Interstate Highway No. I-40; thence northwesterly and southwesterly along the Southern right-of-way boundary of Interstate Highway No. I-40 to a point where such right-of-way intersects the West Boundary Line of Section 22; thence South and along said West Boundary Line of Section 22 to the point of beginning.

Dear Grayson & City Council:

Enclosed is an amendment to the 2011 Clinton Chamber of Commerce Route 66 Festival. In addition to the previous agreement, there are additional items that need to be addressed.

We would like to have the ability to have a beer garden at McLain Rogers Park. The beer garden would be located between the Amphitheater and the Putt Putt Golf course. It would be entirely fenced in with someone checking ID's.

The Route 66 Festival Committee would like to move the entire festival on Saturday the 25th of June to McLain Rogers Park. We would like to have use of the entire park, excluding the area already promised to C.A.R.E. for their Bar B Q Cook off, which is located along the fence of the baseball field over to the pavilion.

Please let me know if you have any questions or concerns.

Thank you,

Julie Menge
